**WANT ADS RESULTS**  
Dear Sir: Four weeks ago a public letter addressed to you charged the Sunday newspaper with being an abominable nuisance, and the republican party with being "an hypercritical, un-Godly old liquor party, over forty years behind the times, ruled by liquor and tobacco." I boldly renew both charges. To me these seem to be vital and irrefragable issues of vast and immediate importance. Are you a doubter? Respectfully, Wm. N. Taft.

**NOTICE OF ASSESSMENT**  
For the Cost of Improving Church Street in the City of Salem, from State Street to Mission Street.  
To Harriett DeMuth, Susan Newton, F. H. Johnson and to owner unknown: You, and each of you are hereby notified that the city of Salem has, by ordinance No. 1558, levied an assessment upon your respective properties hereinafter described and in the amount hereinafter set forth, and such property's proportionate share of the cost of improving Church street in the city of Salem from the south line of State street to the north line of Mission street, except that portion thereof occupied by what is known as the Bush or Church street bridge extending from the north line of Oak street to the north line of the westerly extension of Bellview street. A description of each lot or part thereof or parcel of land, the owner thereof, and the amount assessed and levied upon it is as follows, to-wit:  
Commencing at a point on the east line of Church street 83 ft. 6 in. north of the southwest corner of block 71 of the city of Salem, and running thence northerly along the east line of Church street 39 ft. to the south line of the alley in said block; thence easterly and parallel with Ferry street, 82 ft. 6 in.; thence southerly and parallel with Church street 39 ft. to a point 83 ft. 6 in. north of the north line of Ferry street; thence westerly and parallel with Ferry street 82 ft. 6 in. to the place of beginning. Harriett DeMuth, cost \$138.98.  
The east 1/2 of the southeast 1/4 of block 13 in the city of Salem. Susan Newton. Cost \$971.06.  
Beginning at a point on the east line of lot 6 in block 71 of the city of Salem 112 ft. 6 in. northerly from the southeast corner of lot 5 in said block, and running thence northerly along the east line of said lot 6, 10 ft; thence westerly along the south line of the alley in said block 71, 10 ft; thence southeasterly at an angle of 45 degrees to the place of beginning. F. H. Johnson. Cost \$1.90.  
The south 21.25 feet of lot 2 in block 9 of the city of Salem. Owner unknown. Cost \$142.22.  
Said assessments were entered in volume 3, docket of city liens, on the 30th day of September, 1918, as a charge and lien against the said described properties, and are now due and payable to the city treasurer.  
This notice is served upon you by publication thereof for ten days in the Daily Capital Journal, a newspaper published in the city of Salem, Oregon, by order of the common council.  
Date of first publication hereof, is October 26, 1918.  
EARL RACE,  
11-11 Recorder of the City of Salem.

**Open Forum**  
Salem, Oregon, July 6, 1918. An open letter to Bishop Matthews Simpson Hughes.  
Dear Bishop: Four weeks ago a public letter addressed to you charged the Sunday newspaper with being an abominable nuisance, and the republican party with being "an hypercritical, un-Godly old liquor party, over forty years behind the times, ruled by liquor and tobacco." I boldly renew both charges. To me these seem to be vital and irrefragable issues of vast and immediate importance. Are you a doubter? Respectfully, Wm. N. Taft.  
(Reprinted from Capital Journal, July 6, 1918. (Paid adv.) 11-2

**Socialist Campaign Literature Held Up**  
Chicago, Oct. 30.—More than 40,000 pieces of mail, the campaign literature of William Gross Lloyd, socialist candidate for United States senator, still reposes in the postoffice here today.  
Judge E. M. Landis refused to sign a restraining order against its being held up by Postmaster Carlisle for investigation as to whether it would incite opposition to the government's war program.  
The literature was deposited as mail more than a week ago.

**Influenza Patients Allowed More Sugar**  
Washington, Oct. 30.—The food administration today notified all state food administrators to increase sugar allotments to Spanish influenza patients and to persons caring for such patients. This action was taken because of hundreds of requests from hospitals in cities where the epidemic has prevailed.

## PENITENTIARY MAKES NEW ESCAPE RECORD

### More Escapes, More Paroles And More Pardons Than Ever Before.

More escapes have occurred, more paroles and pardons have been granted, and more paroles have been violated during the last two years of Governor Withycomb's administration over the state penitentiary, than during the corresponding period of the preceding administration under Governor West, as shown by the figures contained in the biennial report for the prison now being prepared for the printer.  
Here is the record:  
For biennium ending September 30, 1914, under Governor West: Released on parole or conditional pardon, 381 prisoners; returned for violating their parole or conditional pardon, 54 convicts; escapes, 52; discharged after serving their full sentence, 93.  
For biennium ending September 30, 1918, under Governor Withycomb: Released on parole or conditional pardon, 435 prisoners; returned for violating their parole or conditional pardon, 62; escapes, 53; discharged after serving their full sentence, 14.  
Under the present administration the penitentiary is also costing the taxpayers a great deal more than it did formerly. Its cost has risen in much greater proportion than has the cost of maintaining the Oregon state hospital, which is adjoining.

While the cost has been soaring the number of convicts at the prison has grown less, and as the number of prisoners has grown less the number of guards has increased. When the prison population was approximately 500, under Warden Harry Minto, there were 37 employes on the prison payroll. At the present time, with the population down to less than 325, the number of employes on the prison payroll for August was 49, or 12 more than when Warden Minto had 500 convicts on hand.

Under Governor West the employes ranged from 35 to 40, with more prisoners than are now at the penitentiary.  
The per capita cost, which is the average cost for each inmate, for the penitentiary in October, 1916, was \$18.37, while for the same month for the Oregon state hospital it was \$19.33. The per capita cost for the prison has risen until for July of this year it was \$33.07 and for the last month it was \$31.98, while for July of this year the per capita cost at the state hospital was \$29.55 and for September it was \$17.55.  
The per capita cost for the prison has leaped from \$18.37 to \$31.98 since October, 1916, while for the hospital it has risen from \$15.93 only to \$17.58. If the war alone caused the big increase in the cost of operating the penitentiary, the question naturally arises why is not a corresponding increase shown in the cost of running the state hospital?

Governor Withycomb has exclusive control of the penitentiary, while the state hospital is under the management of the state board of control.

### Italy Would Build Monument to Wilson

Rome, Italy, Oct. 30.—A committee has been formed here to raise funds for a monument to President Wilson.

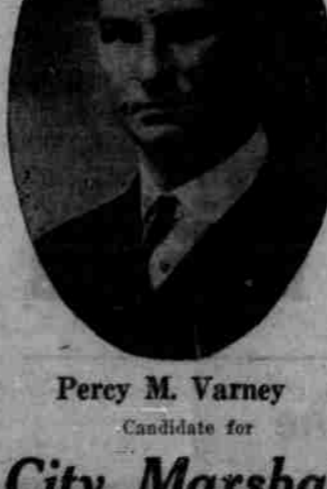

### Non-Commissioned Officers of Company C

Oregon Agricultural College, Corvallis, Oct. 30.—Non-commissioned officers for company C of the S. A. T. C. at the Oregon Agricultural college have been announced. Several of them are from Portland. The list is as follows: First sergeant, Glenn E. Spriggs, Medford; sergeants, M. S. Tedlock, Raymond, Wash.; T. H. Smith, Clatskanie; Alan W. McComb, Klamath Falls; Percy E. Pollanz, West Linn; A. B. Parker, Pasadena, Cal.; guides, S. L. Taylor, San Dimas, Cal.; Harry J. Stewart, Portland; sergeant bugler, R. E. Stanton, Portland; corporals, William Mahoney, Salem; Richard D. Slater, Salem; Lawrence F. Soderstrom, Albany; Herman W. Mende, North Bend; Marcus H. Martens, Chinook, Mont.; Ralph J. Hickert, Pacific Beach, Cal.; Wallace C. Nile, Grants Pass; Edgar M. O'Rourke, Mountstairdale; James C. Mook, Portland; Alfred R. Masters, Corvallis.

### State Hospital Lands Produce Large Crops

Products valued at \$240,269.29 were produced on the farm lands connected with the Oregon state hospital during the last two years, according to the biennial report of Dr. R. E. Lee Steiner, superintendent of that institution. The cost of production was \$43,262.73, leaving a profit for the institution of \$196,906.56.  
Dr. Steiner has under cultivation approximately 1,000 acres of land. The income from which made this big profit for the state came from the farm and garden, orchard, dairy, hogs and poultry.  
Farm and garden products produced were valued at \$110,567.29, and were raised at a cost of \$9,334.85.  
Dairy products were valued at \$44,114.86, and the cost was \$13,150.82.  
Hogs produced \$25,716.93, at a cost of \$3,223.97.  
Poultry produced \$41,133.31, at a cost of \$14,338.99.  
The orchard produced \$18,635.81.  
Dr. W. D. McNary, superintendent of the Eastern Oregon hospital, reports that his institution in the last two years has produced \$61,595.22 worth of products at a cost of \$25,389.89.

## WAR WORK CAMPAIGN COMMITTEE ORGANIZED

### Chairman Chauncey Bishop Announces Salem's Quota Fixed at \$25,000

A meeting of the campaign committee consisting of R. C. Bishop, W. M. Hamilton, T. B. Kay, P. W. Steunouff, Theo. Roth, E. T. Barues, T. K. Ford, H. S. Gle, T. A. Livesley, C. K. Spaulding, Chas. Vick, R. P. Boise, D. W. Eyre and R. C. Miles, for the united war drive November 11-18, was held at the Commercial club this morning. Committees were appointed to develop the various departments of the work.  
Chairman R. C. Bishop made a general statement concerning the campaign in which he emphasized the necessity of obtaining many contributions of substantial sums in order to meet the \$25,000 quota which has been assigned to the Salem division, which comprises the city and all rural routes out of Salem.  
County Chairman Stacy spoke concerning the organization of the county in general and said that in every instance he together with Director Smith were received enthusiastically and that in his opinion the campaign would be a marked success providing the preliminary organization was attended to properly.  
Campaign Director Glingrich said that in no former campaign was there as much time for preliminary preparation as for this campaign and that if the eve of the campaign found the committees unprepared they would have been woefully negligent.  
The committee will meet again tonight for further deliberation.

## PRUNE SHIPMENTS AGAIN DELAYED

Just when the prune situation looked like plain sailing and that everything was finally to get straightened out, comes along another unexpected piece of trouble and delay also. A few days ago the packing plants in Salem were given final instructions for their quotas of the 10,000,000 pounds were shipped. This was most encouraging, even if it did permit of the shipping only of 40-50 sizes. But now comes along an order from the government taking its inspector away from this part of the valley and with no government inspector on the ground, there is no shipping of prunes. The government requires that every carload of prunes be inspected and certified to by a federal inspector. Hence there will be no shipping of prunes until he comes back and there is no certainty when he is coming.

## Spanish Influenza Decreased in Navy

Washington, Oct. 29.—The Spanish influenza epidemic in the navy is declining rapidly, the navy department said today.  
For the week ending October 26, a total of 2091 new cases were reported, compared with 4373 of the previous week. Deaths totaled 207, as compared with 387 of last week.

### Reply Not Responsive.

Rome, Oct. 30.—Germany's latest reply to President Wilson is not responsive to his conditions, it was officially declared here today.  
"We must insist on adequate guarantees of an armistice that will render renewal of the war impossible," said Italians high in authority.

## Pastor of Catholic Church To His Parishioners

To the Parishioners of St. Joseph's Church, Salem Oregon.  
Dear Friends: As a precautionary measure during the present epidemic all churches are closed to public worship. However, this interruption of the proper observance of Sundays and holidays will excuse no one from keeping these days sacred in every particular, and family prayers should be said in every home at the hours assigned for mass and evening service.  
No doubt you feel deeply the loss of the comforts of confession, mass and holy communion, therefore redouble your fervor and trust in the power of prayer to stay the ravages of the dreadful contagion that is striking so many homes. Recite the rosary in honor of the queen of heaven that she may be your powerful advocate at this serious time.  
Thursday, the vigil of all saints, is a day of fast and abstinence. On Friday a holiday of obligation, the use of meat is permitted to all the faithful. Do not forget the obligation of keeping the day holy. Saturday is all soul's day, and the month of November is set aside by the church for the charitable remembrance of the poor souls in your prayers. Let charity abound in your midst, thus winning the blessing of God. Let the sanctuaries of the home echo with the voices of parents and children asking God to ward off every evil, and be assured that I will not fail to remember you each day at the altar.  
Sincerely yours in Christ,  
(REV.) J. R. BUCK,  
Pastor.

Portland; George R. Smith, Missoula; Mont; Robert A. Stinson, Eugene; Currier Miller, Union; Howard B. Chadbourne, Centerville, Cal.; James P. Page, Yamhill; Donovan F. Palmer, North Bend; Fred E. Spranger, Salem; Jennings B. Neeb, Ontario; N. C. O. George Nicolai, Prineville. Lieutenant R. H. Powell is in charge of the company.

## BOYS ARE DOING PRACTICAL WORK

### Trades Metal Department of Salem High School Attracting Attention.

The trades metal department of the high school is engaged in the manufacture of parts of machines for drag saws now being used by the government in getting out spruce timber. Besides working on a patriotic proposition the boys are getting the same training that was given in the past generation by several years of apprenticeship. Although the boys are not putting in time during the closing down of the schools, the shops are kept in condition ready for the filling of several contracts as soon as health conditions permit.  
Under the direction of Mr. Bergman, boys working in the trades metal school are actually doing real shop work upon a commercial basis as they are paid for the work turned out that is used in the machine used in the manufacture of the drag saw.  
The rate that has been agreed upon for these parts is as follows:  
Sprocket wheels ..... \$1.15  
Cranks ..... .15  
Baffle plates for pistons ..... .15  
Wrist pins ..... .08  
Flat bottom boxes ..... .12  
Collars ..... .06  
Connection rod brass ..... .10  
This has its advantage from the fact that each piece of work that a boy does has a value and it can easily be determined whether or not his rate of turning out is fast enough.  
While these prices are low, they are established on about what it would cost to do the work. The stock belongs to the firm that is making the drag saws and this again is of advantage to the district as the material worked on costs it nothing. The boys know they are putting their time on real work and not just for the fun or practice of working and learning.  
Mr. Bergman has already filled and delivered the following order from the shop:  
107-6 brackets @ .15 ..... \$ 9.00  
107-3 cranks @ .15 ..... .45  
107-10 baffle plates @ .15 ..... 1.50  
107-17-20 sprockets @ .15 ..... 3.00  
107-17-3 cranks @ .15 ..... .45  
107-14-100 wrist pins @ .08 ..... 8.00  
\$13.90  
Besides having already this early in the week filled several orders, Mr. Bergman has the following orders on hand which the boys will start work on as soon as the schools are again in session:  
300 pins at .08 ..... \$24.00  
50 baffle plates at .15 ..... 7.50  
40 sprockets at .15 ..... 6.00  
8 cranks at .15 ..... 1.20  
200 brasses at .10 ..... 20.00  
50 brass yokes at .30 ..... 15.00  
75 F. B. boxes at .12 ..... 9.00  
95 collars at .06 ..... 5.70  
\$88.70

### State House Notes

Arrangements have been made for the inoculation of the 78 employees of the state industrial accident commission with "antiflu" serum. So getting "shot" in the arm is very popular in that department just now.

Because of the Spanish influenza, county teachers' institutes have been cancelled in the following counties: Morrow, Jefferson, Harney, Lake, Coos, Clatsop, Polk, Marion and Lane.  
Institutes have been held in Grant, Jackson, Benton, Linn, Douglas, Sherman, Tillamook, Baker, Union, Wallowa, Klamath and Wheeler counties.  
J. A. Churchill, superintendent of public instruction, says it is doubtful if any more institutes will be held this year. He recommends that in their place local institutes be held for teachers on Saturdays after school reopens.
