Salem, Oregon, July 6,
1918. An open letter to Bishop Matthew Simpson Hughes:

Dear Bishop: Four weeks ago a public letter addressed to you charged the Sunday newspaper with being an abominable nuisance, and the republican party with being "an hypocritical, ungon and tobacco." I boldly renew both charges. To me these seem to be vital and irrepressible issues of vast and immediate importance. Are you adoubter? Respectfully, Wm. N. Taft. > ********* The Quick Way to Stop a Cough

This home-made syrup does the work in a hurry. Easily pro-pared, and saves about \$2,

You might be surprised to know that the best thing you can use for a severe cough, is a remedy which is easily prepared at home in just a few moments. It's cheap, but for prompt results it beats anything else you ever tried. Usually stops the ordinary cough or chest cold in 24 hours. Tastes pleasant, too—children like it—and it is pure and good.

Four 2½ ounces of Pinex in a pint hottle; then fill it up with plain gramplated sugar syrup. Or use clarined molasses, honey, or corn syrup, instead of augar syrup, if desired. Thus you make a full pint—a family supply—but costing no more than a small bottle of ready-made cough syrup. And as a cough medicine, there is really nothing better to be had at any price. It goes right to the spot and gives quick, lasting relief. It promptly heals the inflamed membranes that line the throat and air passages, stops the annoying throat tickle, lossens the phlegm, and soon your cough stops entirely. Splendid for bronehitis, croup, whooping cough and bronehial asthma.

Pinex is a highly concentrated compound of Norway pine extract, famous for its healing effect on the membranes. To avoid disappointment ask your druggist for "2½ ounces of Pinex" with directions and don't accept anything else. Guaranteed to give absolute antiafaction or money promptly refunded. The Pinex Co.
