October of 1918 goes into record as just an average month with the exception of the low stage of the river. The average maximum temperature was 63 and the average minimum, 46. The rain fall was 2.83 inches. There was rain on 15 days in the month and the prevailing winds were from the south.

Due to shortage of labor, beginning November 1, Vick Bros. garage will close at 7 p. m. and open at 6 a. m. This will do away with the night shift and save several men for day work, which is most essential, as all business and commercial cars are usually thru with their day's work by that time. 11-4

The Spencer Hardware company, F. W. Spencer, owner, has been sold to Feldstein and Drecker, the hustling Portland firm that a few months ago bought the Imperial Furniture Co. Mr. Spencer says the Portland men looked the stock over, offered him a price that was satisfactory and the deal was made all within a day or so. The Spencer Hardware company first opened for business in Salem 15 years ago and for five years occupied the corner at State and Liberty streets, now the Hartman jewelry store. Ten years ago they moved to the present location on State street.

A telegram was received this morning by Dr. Carl Gregg Doney, president of Willamette University, that students would be received in the S. A. T. C. even if they do not have the 13 credits, the standard heretofore. This means that young men of the high schools who are in the junior or sophomore classes and have the right stuff in them, will have a chance of entering the S. A. T. C. Heretofore, only high school graduates might enter. The war department has is-

With the exception of one gang of boys, those out last evening celebrating Halloween were fairly decent in their fun. One collection of boys went to 1910 North Fifth street and destroyed a fine cabbage patch of an elderly lady of 60 years or more, pulling up all the cabbages and placing them in an auto. At other places boys turned over a sidewalk and at 16th and Waller were carrying away gates until stopped. The fire hydrants at Church and Mill streets and at South Commercial and Mission streets were interfered with and in many cases the electric lights at street corners were lowered. Two Forders were taken from Liberty street but recovered this morning.

The lid is off on the purchase of sugar for the family to the extent that every one in a family is entitled to three pounds a month. If there are five in the family, 15 pounds may be purchased at one time, but no more for

SOUR STOMACH

MI-O-NA Puts the Stomach in Fine Shape in Five Minutes. If your stomach is continually kicking up a disturbance; you feel bloated and distressed; if you belch gas and sour food into the mouth, then you need MI-O-NA Stomach Tablets. MI-O-NA Stomach Tablets give instant relief, of course, but they do more; they drive out the poisonous gases that cause fermentation of food and thoroughly clean, renovate and strengthen the stomach so that it can readily digest food without artificial aid. MI-O-NA stomach tablets are guaranteed to end indigestion, acute or chronic, or money back. This means that nervousness, dizziness and biliousness will disappear. Druggists everywhere and Dan J. Fry sell MI-O-NA.

WANT ROOSEVELT SUPPRESSED. Oakland, Cal., Nov. 1.— Theodore Roosevelt's utterances should be suppressed as pro-German in the opinion of the 30,000 members of Alameda Central Labor Council here today. 'If the press continues to give publicity to the fish-wife hookings of this man who sold out the progressive movement,' resolutions passed by the council last night read, 'it is time that the people arose and demanded that Roosevelt be suppressed.' Used this order that the colleges may maintain the full number assigned to them. The young man of 18 years of age or more, may now present himself to the authorities of the University and if he impresses them as a youth worthy for government training, will be given his chance.

Fred W. Steusloff, president of the Salem Commercial club, is in Buffalo on business. He writes friends here that everyone in Buffalo is walking as there has been a street car strike on for the past three weeks.
