

I Owe My Life to PERUNA

Mr. McKinley's letter brings cheer to all who may be sufferers as he was. Read it:

"I can honestly say that I owe my life to Peruna. After some of the best doctors in the country gave me up and told me I could not live another month, Peruna saved me. Travelling from town to town, throughout the country and having to go into all kinds of badly heated stores and buildings, sometimes standing up for hours at a time while giving my trade as a auctioneer, it is only natural that I had colds frequently so when this would occur I paid little attention to it, until last December when I contracted a severe case, which, through neglect on my part settled on my lungs. When almost the late, I began doctoring, but, without avail, until I heard of Peruna. It cured me! I cannot praise it too highly."

It Cured Me

PROBABLY NO CHANGE

(Continued from page one)

Rankin is retiring. Representative Evans, democrat, leads in the other Montana district.

Senator Borah was returned in Idaho and Senator McNary seems to have won from Oswald West, democrat, in Oregon. Senator Walsh, democrat, leads Lanstrum, republican, for re-election in Montana. Washington did not have a senatorial election.

Oregon went republican in the state government. Governor Withycombe was re-elected over Walter M. Pierce, democrat.

In Idaho the Non Partisan League was defeated. It had endorsed a majority of the democratic candidates and a few republicans.

Non Partisans Lose.

Boise, Idaho, Nov. 6.—The Non Partisan League was overwhelmingly defeated in Idaho. Davis, republican, for governor, beat Samuels, nominated by the Non Partisans in the democratic primary, by 20,000. Senator Borah, republican, has been re-elected by around 25,000. Congressman Smith and French, republicans, re-elected by large majorities. The only doubt is as to Frank B. Gooding, republican, who may be defeated by a small margin by Senator Nugent, democrat, endorsed by the Non Partisan League. The entire republican state ticket is elected with a legislature that is overwhelmingly against the Non Partisan League.

Democrats Gain One.

San Francisco, Nov. 6.—Today's early count of yesterday's ballot indicates that the democrats have gained one congressman in California.

Henry Hawson, democrat, is leading H. E. Harbour, republican, in the Seventh district, while in the Eighth Hugh Hersman has apparently defeated Representative E. A. Hayes. The only other important congressional fight was in the Ninth district in Los Angeles, where Charles H. Russell, democrat and prohibition candidate, carrying the president's endorsement is defeating Montevilla Flowers, republican.

Governor Stephens, republican, evidently has been re-elected, defeating Theodore A. Bell, democrat, by 85,000 to 115,000. C. C. Young, seems to have defeated J. V. Snyder for lieutenant governor.

McNary Is Leading.

Portland, Ore., Nov. 6.—Incomplete returns from yesterday's election showed Senator McNary, republican, in the lead and probably elected over Oswald West, democrat.

Oregon returned its solid republican delegation to congress.

Italians Occupy Cities

Rome, Nov. 6.—"While land and naval detachments were disembarking at Trieste Sunday, the navy occupied Lissa," the Italian war office announced today. "The navy also occupied Anzania, Rovigno, Parenzo, Lussino, La-gosta, Meleda, Carzola, Fiume and Riva."

SOCIETY

By CAROL S. DIBBLE.

MESSAGES of deepest sympathy and consolation are being extended to the family of Mrs. Chauncey Bishop, who passed away suddenly this morning at the Bishop residence, 340 North Liberty street. Ill but a few days, her death came as a great shock to a multitude of friends, whose universal expressions of intense regret to her husband, Chauncey Bishop, and parents, Mr. and Mrs. C. D. Gabrielson, are taking the form of a distinct personal loss. Mrs. Bishop also leaves two small sons, Robert Chauncey and Charles Kay, besides a brother, Lieutenant Carl D. Gabrielson, now attached to the service in Siberia.

Mrs. Bishop has always been prominently identified with a variety of relief and war activities, being especially active in Y. W. C. A. work and a member of the local board of directors of the association. Endowed with a most gracious personality and an outgoing vivacity of manner, Mrs. Bishop possessed in a marked degree the gift of friendship, her acquaintances and friends being legion throughout Oregon.

Mr. and Mrs. Charles A. Park and Mr. and Mrs. Isaac Lee Patterson left today on a short motor trip up the Columbia highway to Hood River.

Mrs. Anderson Cannon of Portland, who with her two small daughters, Sarah Elizabeth and Gertrude, has been visiting her parents, Mr. and Mrs. M. L. Jones, of Labish Meadows, returned home Sunday. Mrs. Hunsaker of Portland who is also a guest at the Jones home, will remain for several months.

Miss Constance Cartwright returned to Forest Grove today, after a ten days' stay in Salem with her parents, Dr. and Mrs. R. Cartwright. Miss Cartwright is on the faculty at Pacific university, which has been closed the past few weeks in common with the majority of colleges and schools throughout the state.

Salem friends of Mrs. Phillip Carroll of Hood River will be interested to hear that she and her small daughter, Patsy, will pass the winter in Portland with Mrs. Carroll's parents, Mr. and Mrs. Homer Nelson, during the absence of her husband, Captain Carroll, who went over to France with the expeditionary forces.

Mrs. Carroll was Miss Frances Nelson before her marriage, a well known University of Oregon girl. Though her home was in Albany, she frequently visited in Salem, being exceedingly popular socially both here and among college circles in the valley.

Miss Catheryn Slade, who has been spending a few days at her home in Silverton, has returned to Salem to resume her studies at the Capital Business college.

Felicitations are finding their way to the home of Mr. and Mrs. Russell O. Mohney in Tacoma upon the arrival of a son, born October eighteenth. The little chap has been named Russell, Jr. The mother will be remembered before her marriage as Miss Clara Neugebauer, a well known Salem girl. Mr. and Mrs. Mohney have been living in Tacoma since the first of the year, where Mr. Mohney is associated with the local Standard Oil offices.

Miss Helen King of Salem, who is attending the Oregon Agricultural college, was one of the seventeen girls elected to membership in the Madrigal club, as a result of a tryout held last month. Tryouts are held once each semester.

Mr. and Mrs. I. N. Commons of 3280 Elm avenue, accompanied by their daughters, Miss Laura Commons and Miss Edna Commons, left today for Caldwell, Idaho, where they will reside permanently. They will make their home on a ranch just outside of Caldwell.

the Mormal forest and reached the main Avesnes-Bavay road, southeast of Bavay.

"We made progress also west of Bavay and on other parts of the battle front. We took a number of additional prisoners."

Americans Advance.

London, Nov. 6.—The Americans, continuing their advance in the Meuse region, have cleared the east bank as far north as Milly and have passed beyond Stomme, less than nine miles south of Sedan, it was announced in the American official communication today.

Seventeen German airplanes and two balloons were shot down yesterday. "We have crossed the river at sur-Sur-Meuse, captured Bois De Chastillon, Dun-Sur-Meuse and Beaumont, and have reached the village of Milly," the statement said. "We have passed the forest of Jaulnay and are now with in five miles of the Sedan-Metz railroad, one of the main lines of the German army. Between Beaumont and Bar we have advanced beyond Stomme. "Two tons of bombs were dropped on Raucourt and enemy troops were attacked with machine gun fire. Seventeen hostile airplanes and two balloons were shot down. Seven of our machines are missing.

French Pursue Germans.

Paris, Nov. 6.—The French, after maintaining contact with the rear-guards of the retreating Germans, all night, renewed their attack on the whole front this morning. It was announced by the war office. Additional advances of three miles were made at several points. Italian troops co-operating in the attack car-

ried their lines to the Purlant river, southeast of Mont Cornet. French detachments crossed the Aisne between Bethel and Attigny practically isolating those important towns.

On the left of the American first army the French reached LaCassine, less than eight miles from Sedan and eleven miles from Mezieres.

"We maintained contact during night with the enemy rear-guards, who on the whole front, continue to fight while retreating," said the communique.

"Early this morning the progress of our troops was renewed.

"East of the Sambre canal we occupied Barzy. North of Marle we passed

Marfontaine and Voharies. Italian troops, co-operating with ours, have taken LaThuill and reached the Purlant brook, southeast of Mont Cornet. West of Bethel we occupied Barzy on the north bank of the Aisne. Between Rothel and Attigny our detachments crossed the Aisne at several points. Further to the right we reached the outskirts of LaMets and pushed on to the outskirts of LaCassine, northeast of Le-Cheune."

Saved By Armistice.

Rome, Nov. 5.—(Night)—"Suspension of hostilities arrested our progress and saved from capture a small part of the Trentino armies before three p. m. yesterday (Monday)," the Italian war office stated tonight.

"Having passed every obstacle and overcome every resistance, we advanced with great impetus, firmly establishing ourselves behind the enemy in the Adige valley, closing all the openings.

"The Seventh army, rapidly taking the region west of the Adige, mastered the Mendola Pass and pushed patrols along the river in the direction of Bolzanna.

"The First army occupied Monticelli, dominating the confluence of the Adige and the Noce.

"Yesterday at 3 p. m. army headquarters had been moved to Trinto (Triest)."

"On the remainder of the front the enemy had been driven well into the mountains. In the plains our cavalry was throwing into panic large units on the march, which were encircled and compelled to surrender."
