NOTICE OF ASSESSMENT For the Cost of Improving Church Street in the City of Salem, from State Street to Mission Street.

To Harriett DeMuth, Susan Newton, E. H. Johnson and to owner unknowns: You, and each of you are hereby notified that the city of Salem has, by ordinance No. 1558, levied an assessment upon your respective properties hereinafter described and in the amount hereinafter set forth, for such property's proportionate share of the cost of improving Church street in the city of Salem from the south line of State street to the north line of Mission street, except that portion thereof occupied by what is known as the Bush or Church street bridge extending from the north line of Oak street to the north line of the westerly extension of Bellview street. A description of each lot or part thereof or parcel of land, the owner thereof, and the amount assessed and levied upon it is as follows, to-wit:

Commencing at a point on the east line of Church street 83 ft. 6 in. north of the southwest corner of block 71 of the city of Salem, and running thence northerly along the east line of Church street 39 ft. to the south line of the alley in said block; thence easterly and parallel with Ferry street, 82 ft. 6 in.; thence southerly and parallel with Church street 39 ft. to a point 83 ft. 6 in. north of the north line of Ferry street; thence westerly and parallel with Ferry street 82 ft. 6 in. to the place of beginning. Harriett DeMuth, cost \$129.08.

The east 1/2 of the southeast 1/4 of block 13 in the city of Salem. Susan Newton. Cost \$671.06.

Beginning at a point on the east line of lot 6 in block 71 of the city of Salem 112 ft. 6 in. northerly from the southeast corner of lot 5 in said block, and running thence northerly along the east line of said lot 6, 10 ft; thence westerly along the south line of the alley in said block 71, 10 ft; thence southeasterly at an angle of 45 degrees to the place of beginning. E. H. Johnson. Cost \$1.90.

The south 21.25 feet of lot 2 in block 9 of the city of Salem. Owner unknown. Cost \$142.22.

Said assessments were entered in volume 3, docket of city liens, on the 30th day of September, 1918, as a charge and lien against the said described properties, and are now due and payable to the city treasurer.

This notice is served upon you by publication thereof for ten days in the Daily Capital Journal, a newspaper published in the city of Salem, Oregon, by order of the common council.

Date of first publication hereof, is October 26, 1918.

EARL RACE, Recorder of the City of Salem.

Court House News

Clifford J. Taylor and wife have entered suit in the circuit court against M. S. Lang and others for \$1,300.00 on his complaint he alleges that on May 17, 1917, he contracted to buy real estate and that he paid \$300.00 on the purchase price. That he made improvements on the farm in the way of remodeling the house, repairing fences and preparing the land for onions to the value of \$1,000.00. That on October 17, 1917, he tendered the defendants the balance due on the purchase price. That in a suit before the circuit court, he was ousted from the premises and as he had paid \$300.00 on the purchase price and had done \$1,000.00 worth of improvements on the farm, he should

GOVERNOR POINTS OUT NEED OF WAR FUNDS

Probably Would Require More Money Should War End Tomorrow.

Even though the actual fighting in the world war may soon be over there is still great need for funds for the welfare organizations which are doing valiant service for the soldiers in service, points out Governor Withycombe in an appeal made to the people of Oregon to respond patriotically during the United war work campaign, which will be put on next week. The governor says:

"In calling upon the generous people of patriotic Oregon to respond during the United war work campaign November 11 to 18 with the same willingness, spontaneity and unanimity of spirit that has characterized Oregon in all previous war drives, I earnestly caution against any impression that the prospect of an early peace might minimize the importance of supporting the seven great participating agencies which are administering to the health, comfort and the morale of our soldiers and sailors in the service.

"If the war were to close immediately there would probably be greater need for the war work fund during the period of demobilization than at present because if peace becomes a reality the strain of battle will be over, rigid military discipline will be relaxed and the help of the seven welfare organizations which have the endorsement of the president, the war department and the national council of defense will perhaps be needed more than in time of war.

"Let us respond promptly in true Oregon fashion with more than the fixed quota and let us continue to support wholeheartedly the Young Men's Christian Association, the Young Women's Christian Association, the War Camp Community service, the Knights of Columbus, the American Library Association, the Jewish Welfare board and the Salvation Army in their splendid work.

"The millions of young men now serving in our army and navy will be the men who will change the destinies of our nation during the next generation and it is of surpassing importance that they return to civil life clean and strong mentally, morally and physically."

SEC. LANSING PROTEST MALICIOUS HUN ACTS

Solemn Assurances Of German Government Not Given In Good Faith.

Washington, Nov. 7.--That Germany was wantonly cruel and destructive to the last was the claim of the state department in an emphatic protest made today against acts ordered recently in Belgium.

In a note sent to Germany through the Swiss minister, Secretary Lansing today wrote: "I have the honor to request that you will bring the following to the attention of the German government: "In its note of October 20, the German government announced that the German troops were under the strictest instructions to spare private property and to exercise care for the population to the best of their ability.

"Information has now reached the government of the United States to the effect that the German authorities in Belgium have given notice to the coal mining companies that all men and animals should be brought out of the pits; that all raw materials in possession of the companies should be delivered to the Germans and that the mines will be destroyed at once.

"Acts so wanton and malicious, the destruction of a vital necessity to the civil population of Belgium and the consequent suffering and loss of human life which will follow, cannot fail to impress the government and people of the United States as willfully cruel and inhuman. If these acts in flagrant violation of the declaration of October 20, are perpetrated, it will confirm the belief that the solemn assurances of the German government are not given in good faith. In the circumstances the government of the United States to which the declaration of October 20 was made, enters an emphatic protest of the measures contemplated by the German authorities for whose conduct the government of Germany is wholly responsible."

DEMOCRATS HAVE A SLIM SENATE HOPE

Assert That Soldier Vote Of Rhode Island May Change Result.

Washington, Nov. 8.--Democrats today turned to the Rhode Island soldier vote as their last hope in the battle for control of the next senate.

State Chairman Hagan, of Rhode Island, called at national headquarters today and told party chiefs that the votes of 20,000 soldiers had until November 10 to get in and be counted in the result.

Eighty per cent of these soldiers, Hagan claimed, voted democratic in 1914. A repetition of this would overcome Senator Colt's lead of 4,200 over O'Shaunnessy and tie up the senate with the vice-president casting the deciding vote.

Republican headquarters said there was absolutely no basis for Hagan's claim and said the election of Colt, along with Senator Fall of New Jersey and Truman Newberry of Michigan was assured, giving the republicans forty-nine votes and the senate control.

Democrats today were practically conceding the election of 222 republicans to the house, enough to control that branch of congress.

Republicans claim 241 in the house, conceding 188 to the democrats.

With republican control certain, the battle for election of a new speaker and democratic floor leader was already under way. Friends of James Mann of Chicago declare he has sufficiently recovered his health to hold the speakership and that he will make an active campaign for the place. Under these circumstances, republicans generally believe Mann would be speaker without any serious contest.

At Speaker Clark's office today it was indicated that Clark will demand the democratic floor leadership over Claude Kitchin, present leader.

It was stated positively, however, by democrats that Clark had not yet given up hope of being speaker.

Armistice Not Signed

But we are still in the game, not only in fighting for World's Freedom, but in offering Salem Shoppers the best merchandise on the American market.

Steadiness Of Stocks Inspire Confidence

New York, Nov. 8.--The Evening Sun today said: The steadiness of the rails and steel, which held close to the finals, the rise in equipment and motor, of one or two points and the orderly character of the market as a whole were factors which inspired confidence in the present financial situation and which bore testimony to the value of the recent measures to restrict purely speculative operations.

The strength in American locomotive and Baldwin locomotive was ascribed to the receipt of new and large orders for their products. The motors, it appeared, would benefit materially from the early conclusion of the war. The rails, which had so vigorous an advance yesterday on the assumption that they would be the first to benefit from a settlement of the war, held their previous gains remarkably well.

PERSONALS Mrs. Ada Johns and daughter, Miss Mamie, and grandson Donald, are expected home in a day or so from a visit in San Francisco.

ENGLISH MAKE MANY IMPORTANT AIR RAIDS

Long Distance Flying Possible Only Twenty Days During Month Of October.

London, Nov. 8.--(British Admiralty wireless)--During October, despite the prevalence and thick mists thru out the Rhine valley, the British independent air force made sixty four raids over important German towns, exclusive of numerous raids upon German airbases at Frescaty, Hulbazan and Jametz.

This achievement is the more striking in view of the fact that long distance flying was only possible on 20 days of the month. Of these only seven days could be described as fair, while nine were highly unfavorable for flying operations. Hundreds of tons of bombs were dropped during the raids.

During the month there were 25 raids upon Metz-Sablon. The famous railway triangle is of exceptional importance to the enemy at present when, apart from the question of supplies for his fighting lines, very large enemy forces are in rapid retreat toward the Rhine. Photographs taken during recent raids show as many as 12 or 15 enemy troop and ammunition trains crowded into the southern arm of the triangle alone at one time.

Although it is not possible on every occasion to secure direct hits upon weapons containing ammunition and other highly explosive substances the normal way and intricate network of crossings is extensively damaged almost daily by the British bombing squadrons, necessitating the constant employment of large repair gangs and causing grave delay to the enemy's military transport. For similar reasons the important enemy junction at Thionville has been repeatedly attacked during the month.

May Cancel Contracts For Wooden Vessels

San Francisco, Nov. 8.--Shipping men interpreted here today the shipping board's decision to convert uncompleted wooden ships into barges as meaning that the government will soon cancel contracts for the construction of additional wooden craft.

The special commission of the ship ping board continued its survey of wooden ships in San Francisco bay today. Wooden vessels that pass the tests will be sent to Manila or to the Atlantic.

The board's decision to convert wooden hulls in San Francisco bay into barges is said to be due to the rapid completion of steel ships and the trouble that the shipping board has been having with coast-built wooden ships.

Is Used By Entire Families Because It Is Purely Vegetable, Does The Work And Costs Very Little

Why pay high prices for Liver and Bowel remedies when none are better than Dr. Carter's K. and B. Tea, which is purely vegetable, can be brewed at home, and a small package will last a long time?

Thousands of old people will tell you they have been drinking it for years, and after the liver and bowels have been put in fine condition in a few days by a before bedtime cup, that only an occasional cup is afterwards necessary to keep one feeling fit and fine.

People who drink a cup of Dr. Carter's K. and B. Tea once in a while, seldom, if ever, have any bilious attacks, sick headache or sorrow skin. It's good for boys and girls, especially those who are peevish and fretful. Druggists have been selling it for many years.

ARROW COLLARS MARLEY 2 1/2 IN DEVON 2 1/4 IN. CLETT, PEARBODY & CO., INC. MAKERS

In the matter of the estate of B. T. Randall, who died December 31, 1916, the executrix, Lucinda Randall, filed with the county court a report of the sale of a lot in Tillamook for \$1,300.00 to W. G. Dwight of that city.

Seymour Jones Making Strong Fight For The Speakership

Seymour Jones, one of the recently elected representatives from Marion county to the state legislature, is making a strong race for the speakership, according to those who are well informed on the political situation. Besides having the unanimous support of the Marion county representatives, he has developed strong support throughout the Willamette valley and his candidacy has been favorably received by the Eastern Oregon representatives.

Two Fatal Accidents During Past Two Weeks

Accidents reported during the past week to the state industrial accident commission total 359, of which two were fatal, as follows:

Oscar Wilkins, Grants Pass, construction; H. P. Larson, Portland, steel works.

Fate Of State Militia Not Yet Decided

The question as to what action shall be taken with the state militia police is the subject of a conference being held today between Governor Withycombe, Major Richard Diech, commandant of the police, and Adjutant General Beebe.
