

"For six years we have used Dr. Caldwell's Syrup Pepsin in our family and feel we could not possibly do without it, especially for the children." (From a letter to Dr. Caldwell written by Mrs. Earl Cowell, Cement City, Mich.)

Children become constipated as readily as do their elders, and the result is equally distressing. Dr. Caldwell's Syrup Pepsin is ideal for children because of its pleasant taste, positive, yet gentle, action, and its freedom from opiates and narcotic drugs.

A., the newly appointed commandant of the students' army training corps at Willamette university, arrived from Portland today to join her husband for the winter months. A SIMPLE WAY TO REMOVE DANDRUFF

There is one sure way that has never failed to remove dandruff at once, and that is to dissolve it, then you destroy it entirely. To do this, just get about four ounces of plain, common liquid arvon from any drug store (this is all you will need), apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all, of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single sign and trace of it, no matter how much dandruff you may have. You will find all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

WORSE THAN GAS

Kidney disease is no respecter of persons. It attacks young and old alike. In most cases, the victim is warned of the approaching danger. Nature fights back. When such symptoms appear you will almost certainly find quick relief in GOLD MEDAL Haarlem Oil Capsules. This famous old remedy has stood the test for two hundred years in helping mankind to fight off disease. It is imported direct from the home laboratories in Holland, and may be had at almost every drug store. Your money promptly refunded if it does not relieve you. Be sure to get the genuine GOLD MEDAL Brand. In sealed packages, three sizes.

The residence of Mr. and Mrs. George Rose on Court street was the scene of a jolly party Saturday evening, sponsored by the members of the U. A. club of Willamette university. The hours were gayly whiled away with dancing, the large basement of the Rose residence being converted into a center of festivity for the occasion, with seasonable decorations of autumn blooms and foliage. Glowing pumpkins and picturesque corn stalks lent a unique note to the decorative effect. The gayeties culminated with the serving hour.

Chamberlain, and Harold Wilton Tevis of Portland have been changed. The present plan is for the marriage to take place at the Chamberlain home, 681 Tillamook street, Thursday evening at 7:45 o'clock in the presence of relatives and a few close friends, who are being notified by telephone. A few other friends will be bidden later in the evening in order that the number at no time will be larger than that stipulated by the health regulations.
