Not a Bite of Breakfast Until You Drink Water

Says a glass of hot water and phosphate prevents illness and keeps us fit.
Just as coal, when it burns, leaves behind a certain amount of incombustible material in the form of ashes, so the food and drink taken after day after day leaves in the alimentary canal a certain amount of indigestible material, which if not completely eliminated from the system each day, becomes food for the millions of bacteria which infest the bowels. From this mass of left over waste, toxins and poisonous poisons are formed and sucked into the blood.

Men and women who can't get feeling right must begin to take inside baths. Before eating breakfast each morning drink a glass of hot water with a teaspoonful of limestone phosphate in it to wash out the thirty feet of bowels the previous day's accumulation of poisons and toxins and to keep the entire alimentary canal clean, pure and free subject to sick headache, cold, biliousness, constipation, etc.

STAYTON NEWS
(Capital Journal Special Service.)
Stayton, Nov. 12. - M. Schuff, while working at the Brown-Petzel saw mill last Saturday, had the misfortune to have some heavy planks fall upon his arm, resulting in a fracture that will lay him off for some time.
Mrs. Madie Kauffer arrived Saturday from Camp Green, N. C., where she has been for some time and where her husband now is. She is visiting her parents, E. C. Lau and wife, and other relatives.
Frank Pory, who was badly injured last fall when his separator ran away going down a hill near Sublimity, made his first trip to Stayton Saturday. He is obliged to use a crutch, but is getting along as well as can be expected.
Mrs. M. A. Lake was in town from her farm home east of town Saturday and left a monster apple with the Journal scribe.
Albert Nettling was up from Portland last week on business. It is reported that he contemplated returning to Stayton to live.
J. P. Williams has received word from his son in Portland that he is continuing to improve from his attack of pneumonia, but it still quite sick.
Steven Taylor left last week for Deep River, Wash., where he may receive if conditions suit him.
S. H. Holtzell is reported quite sick.
Mrs. M. J. Snuck is sick from the prevailing disease, influenza.
News of the signing of the armistice by Germany was received in Stayton about 1 o'clock yesterday morning, and soon all the bells in town, including the fire alarm bell, were set ringing. Drums were beaten, auto horns added to the clamor, and the rejoicing was continued until daybreak, and then some. At about 10:30 Separate company A of the Oregon guard of Stayton formed on the main street, an auto truck neatly decorated, was used as a speaker's stand, and addresses were delivered by Mayor Benechamp, Geo. Keesh, W. H. Downling, J. P. Wilbur and Hon. W. H. Hobson. The remarks of each speaker were well received and to the point. The speakers were introduced by Major L. S. Lambert. By permission of the church the large bell at the Catholic church was placed on a truck, decorated with a black line to represent the crack in the old Liberty bell, and was driven through the streets. In the early afternoon the guards, with the bell, and a large portion of the population of town and vicinity, left for Stayton, to participate in the celebration there. The fact that Stayton celebrated last Thursday didn't lessen the enthusiasm of yesterday's gathering. People were here from a long distance, all business houses closed, and everyone able to be about was present to show his satisfaction that the great war is at last ended victoriously for the allies.

SALIS IS FINE FOR KIDNEYS, QUIT MEAT
Flush The Kidneys At Once When Back Hurts Or Bladder Bothers - Meat Forms Uric Acid.
No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well known authority. Meat forms uric acid which clogs the kidney pores so they sloughly filter or strain only out of the waste and poisons from the blood, then you get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, constipation, dizziness, sleeplessness, bladder disorders come from sluggish kidneys.
The moment you feel a dull ache in the kidneys or your back hurts, or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, get about four ounces of Jad Salts from any reliable pharmacy and take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with sodium bicarbonate, and has been used for generations to flush clogged kidneys and stimulate them to activity, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder disorders.
Jad Salts is inexpensive and cannot injure. Makes a delightful effervescent lithia water drink which all regular meat eaters should take now and then to keep the kidneys clean and the blood pure, thereby avoiding serious kidney complications.
