PIMPLY? WELL, DON'T BEL

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color. Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nights for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

FUNDS NOW READY

County Superintendent W. M. Smith is now making out the quota funds each district in the county is given annually. These are the state and county funds. The state fund amounts to \$23,716.80 at the rate of \$1.83 for each pupil in the county. This fund is derived from the interest on the Irreducible School fund.

The county fund totals \$82,739.15 and is figured on a basis of \$8.00 for every person in the school district between the ages of four and 20 years. In this amount is included \$1,584.65 apportioned on account of teachers attending the annual institute.

According to the state law, each district in the county is given \$100.00 from this county fund, the amount this year being \$12,485.85. Deducting this fund from the county total, there remains \$68,669.25 to apportion to the districts. This will average \$5.88 for each pupil. Mr. Smith will mail checks to the districts early next week.

GERMANY APPEALS.

November 11.—German armistice delegates protested against terms of armistice.

November 12.—German delegates again protested against terms, saying it would throw the country into anarchy and that it might not be possible to carry out all the provisions. German officials broadened wireless statements that the armistice meant virtual subjugation of Germany and would interfere with functions of "revolutionary" government. German sailors called upon all seamen to resist naval terms of armistice.

November 13.—German newspapers unanimous in declaration armistice terms severe.

November 14.—German women ask Mrs. Wilson and Jane Addams to save "millions" of German women and children from starvation which they said would result from the armistice.

Ex-Convict In County Jail Jail On Robbery Charge

Thomas Lethbridge and Troy Cartwright are in the county jail charged with stealing cloth to the value of \$42.50 from John Sandia last Wednesday.

The men attempted to dispose of some of the stolen goods at Albany and this led to their arrest. Lethbridge, or Slattery as his name is supposed to be, came to Sheriff Needham and District Attorney Gehlbach that he took the goods from the shop of Sandia. Also that he is an ex-convict, on parole from Walla Walla, where he had been sentenced for 20 years on a conviction of forgery. Slattery also confessed that on his release, he joined the Canadian army, but later was given his discharge on account of health. Sheriff Needham today wired the Walla Walla authorities.

The other man, Cartwright, claims that he met Slattery just a short time ago and that he had bought the goods in his possession when arrested. Pending additional investigation, the men are held in the county jail.

CHILD GETS SICK CROSS, FEVERISH IF CONSTIPATED

"California Syrup Of Figs" Can't Harm Tender Stomach Or Bowels.

A laxative today saves a sick child tomorrow. Children simply will not take time from play to empty their bowels, which become clogged up with waste, liver gets sluggish, stomach sour. Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because in a few hours all this constipation poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company."

IF BACK HURTS USE SALTS FOR KIDNEYS

Take A Glass of Salts To Flush Kidneys If Bladder Bothers You—Drink Lots Of Water

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headaches, acid stomach, constipation, torpid liver, sleepless nights, bladder and urinary irritation. The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so if no longer irritates, thus ending bladder disorders. Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

Devil Warns Friend Kaiser \$170,500,000 United War Work Fund Is Bad Business

Confidential Correspondence Between Inferno Palace and Potsdam Shows Boss of Hades is Solicitous About Efforts of Seven Big Organizations to Make the Allied Soldiers Comfortable and Contented During Their Steady But Trying Advance on Berlin.

Decoded by Eugene H. Blake, of the Authors' League

Inferno Palace.

MY DEAR KAISER: The Allies are up to a new game. We've got to watch out, Wilhelm, and if you can think of anything to do, do it quick. The crowd in the United States say they are going to raise over a hundred and seventy million dollars in a week to hand out to six or seven of their big organizations, and it is up to us to stop them.

You remember that woman in England who wrote that "Keep the Home Fires Burning" song—you killed her off one time you bombed England? That's the idea they are putting over—getting home to the front.

Here's the way they've divided that \$170,500,000:

Y. M. C. A.	\$100,000,000
Y. W. C. A.	15,000,000
National Catholic War Council (K. of C.)	30,000,000
War Camp Community Service	15,000,000
Jewish Welfare Board	3,500,000
American Library Association	3,500,000
Salvation Army	3,500,000

It's bad business, Wilhelm, terribly bad business. I'll kill more German troops than you can shake a stick at. And it will keep us from getting the world into a good old German slave pen the way we want. We'll never be able to break the spirit of these soldiers with anything like that going on. Just think of it! Huts close to the trenches with hot things to drink

and millions of cigarettes to smoke, canned fruit like they were in their own pantries—chairs with cushions in them, a place to write letters—over a hundred and seventy million dollars' worth of stuff like that going to France!

They've got it fixed up so the soldiers can go to the kind of religious service they've been used to and Catholics and Protestants and Jews are all mixing in together to make the boys happy. They've all got secretaries on the job night and day—secretaries and secretaries and more secretaries doing all the mischief they can for us.

There's a Library Association handing out books and a Salvation Army frying doughnuts; Y. M. C. A., K. of C. and War Camp Community Service with huts, entertainments, movies and no end of things. They've even fetched over American women to mother the boys, feed them and pet them, mend

their clothes. And their Y. W. C. A. is keeping an eye on the girls in the munition factories—making them comfortable the same way, so they will work better to supply arms.

Comfortable and happy, that's the whole idea, Wilhelm. And it is the hell of a situation for us when we had banked on breaking the spirit of those Yanks in no time—getting them fed up on war so they wouldn't half fight.

We've simply got to work out some way to turn a hose on this home fire stuff. They must not get all that money. And it's no time for you and me to lie down on the job.

We might try getting folks to hold back their money on account of it all being lumped in together and then parceled out to the different organizations. Get me?

Yours for the cause,
THE DEVIL.

Balance amount to be raised by district tax \$95,846.94

(If the amount to be raised by special tax is more by 6 per cent than the amount raised the year immediately preceding, fill out the following blank; otherwise cross out this part.)
The amount of money to be raised by this special tax is more than the amount raised by special school district tax in the year immediately preceding this, plus 6 per cent. It is necessary to raise this additional amount by special levy for the following reasons (here give reasons in not to exceed 100 words).

The increase in taxes is due to four items: (1) Increases in salaries, \$6,971.50; (2) decrease in money coming from the state and county funds because there is a decrease of number of pupils on the census which decrease lowers the income from state and county funds by \$3300.00; (3) a shrinkage of \$873.75 at least on uncollected taxes of last year is certain and (4) the purchase of the Holman property, which is an addition to the high school grounds and buildings costing \$3250. The first three items are directly caused by war conditions: (1) The teachers' salaries had to be raised to maintain our force; (2) parents with large families moved to localities where employment is more profitable and (3) it is not safe to figure all the income from taxes. The Holman property is a good buy at the figure mentioned.

Dated this 9th day of November, 1918.

—R. C. Bishop,
—H. B. White,
—W. C. Whitlow,
