WAR SAVING STAMPS FOR CHRISTMAS GIFTS

Marion County Has Twenty Percent Of W. S. S. Quota Yet To Raise.

War savings stamps to the value of \$772,854 have been purchased in Marion county, or 79 1/2 per cent of the quota. With a total quota of \$971,800 to be purchased by the county by January of 1919, there is yet \$198,944 that must be bought by the people of the county, before the close of the year if the county is to be honored as one of the counties that has gone over the top.

The report is brought up to October 31, and this gives the county two months in which to buy the required \$198,944. During the last two weeks of October \$140,984 were purchased. With the coming of the holiday season, when many will make their Christmas presents in the practical form of war savings stamps, it is thought that the county will make good.

Polk county with a quota of \$321,100, had raised up to October 31, 89 per cent of its quota. Lane county, with its quota of \$512,320, had sold up to October 31, the sum of \$382, which is 95 per cent of its quota. Lane county was well along with its amount, having raised 95 per cent of its quota.

Among the counties that have gone over are the following: Clatsop with 109 per cent; Coos, with 106 per cent; Jefferson, with 123 per cent; Tillamook, with 102 per cent; Baker, with 102 per cent; Sherman, with 114 per cent, and Wheeler, with 110 per cent.

State headquarters have not as yet suggested any plan by which the delinquent counties will manage to pull through, but with the holiday season coming on and the fact well known that war savings stamps are the most ideal Christmas presents, Marion county may manage to finally raise its quota for the year.
