James Elvin Will Speak Tomorrow At Armory, 2:30

The only opportunity which the Salem public will have to hear James Elvin who is on a leave of absence from the Y. M. C. A. overseas work in France will be tomorrow at the armory at 2:30 p. m. Mr. Elvin has just received a communication from the New York office of the War Work Council of the Y. M. C. A. asking him to report at New York not later than December first ready to sail. Mr. Elvin returned to America for the purpose of speaking in behalf of the United War Work campaign and has been spending most of his time in the logging camps in Columbia county where the influenza ban did not prevent his speaking. Mr. Elvin spent sixty days on the extreme western front where the fighting was intense and will tell many stories of human interest as well as give a description of the work of the Welfare organization established in France to take care of the boys. Dr. E. H. Pence, pastor of the Westminster Presbyterian church of Portland, will also be present and will divide the time with Mr. Elvin. Dr. Pence has spent considerable time in the cantonments on the Pacific coast and will tell of the work of the Welfare agencies here in America. Dr. Pence is one of Oregon's stellar orators and is a brilliant speaker.

Upper Floor Of Postoffice Given Over To Red Cross

All Red Cross activities will be concentrated in rooms on the second floor of the postoffice building. This announcement was made by H. W. Meyers, chairman of the executive board. Within a few days headquarters in the U. S. National Bank building, as well as the Social service department will take up the work in the new quarters.

With the exception of one room, the entire upper floor of the postoffice building will be given to the Red Cross work. There are two large rooms, each well adapted to the miscellaneous work and that of the surgical dressing department. Headquarters office will be assigned a room as also will the Home Service section.

At the meeting to be held next Wednesday afternoon in the Commercial club there will be the election of 21 directors. These directors will then elect an executive board with chairman and it is this board that will handle the affairs of the Willamette chapter for the coming year.
