Red Cross Work Now Greater Than Ever Before

Washington, Nov. 18.—With the coming of peace, the work of the American Red Cross is only just beginning, as nothing to aid those needs here, where before the Red Cross activities have been centered almost entirely on half a dozen battle fronts, the organization now must spread over the world to rebuild what four years of war has destroyed. First comes the rebuilding of the health and morale of the battle scarred people of the countries over which the waves of war have passed and it passes. There are still thousands of soldiers in hospitals, overseas and here, who will need the service of the Red Cross during their cure and final rehabilitation, it was stated. In China, Korea and in the Arctic lands the Red Cross is planning to extend and build up its service.

FLU SPREADS OVER CIVILIZED WORLD

Germ Eludes Bacteriologists And Health Authorities Are Baffled.

The influenza epidemic continues unabated. Its ravages are not confined to this city or state or even to the United States, and cable reports indicate that it is rapidly spreading over the civilized world. It has baffled medical skill to an unusual extent and has claimed more victims perhaps than any other epidemic in a score of years. The germ has eluded the bacteriologists and medical men now agree that the best cure is prevention.

The surest prevention is to build up the bodily powers of resistance and to get the system in the best physical condition possible. It is now universally agreed that it is possible to perfect the powers of resistance of the human system so that it can throw off almost any infection not excepting Spanish influenza.

It has been discovered that persons who are weak and run down are the earliest victims, and if you find yourself tired or weak and losing flesh, or if you are in a generally run-down condition and below your normal weight, this warning should be heeded promptly. If you are in this condition nothing on earth will build you up and strengthen you like Tania, which contains the most powerful tonic properties known to science. As a reconstructive tonic and system builder it is without an equal and contains the very elements needed by the system to give you fighting strength to ward off the influenza germ. This is a statement of facts and is supported by the recognized authorities and reference works, including the Encyclopaedia Britannica and leading textbooks used in the school of medicine. This statement is further proven by the fact that millions of persons who have actually taken Tania have testified to its extraordinary merit as a medicine, and by the fact that Tania is today having the greatest sale of any tonic on the American market, over eleven million bottles having been sold within the past three years.

Tania is also the ideal strengthening tonic for persons who are suffering from the after effects of influenza, grippe or bronchial troubles and hundreds of thousands are using it daily with the most gratifying results. In connection with the Tania statement it is necessary to keep the bowels open by taking Tania Laxative Tablets, samples of which are included with every bottle of Tania.

Tania is sold in standard by Hubbard Drug Co., 311 Mt. Angel by Ben Geoch, in Gervais by John Kelly, in Turner by H. P. Gornelias, in Woodburn by Lyman H. Shorpy, in Salem by Dr. S. C. Stone, in Silverton by Geo. A. Stuehlhammer, in Gates by Mrs. J. P. McQuary and in Stayton by C. A. Beauchamp, in Aurora by Aurora Drug Store. (Adv.)

Mr. Roy Bates and family have moved into the house owned by Mr. Paulus. John Palmer and wife of Monmouth visited Mr. and Mrs. Way one day this week. Mrs. Clara Needham has been having an attack of the grippe. Miss Stella Blinston started to business college in Salem this week. Miss Florence Franz next Monday. Mrs. Bear of near Turner visited her mother Mrs. K. J. Stroud last Wednesday. Mr. and Mrs. A. E. Kiser have moved to Salem where Mr. Kiser has a position with the Salem Electric company.

BETTER THAN CALOMEL

Thousands Have Discovered Dr. Edwards' Olive Tablets are a Harmless Substitute. Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. They are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. His efforts to banish it brought out these little olive-colored tablets. These pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel, but to let Dr. Edwards' Olive Tablets take its place. Most headaches, "dizziness" and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "loggy" and "heavy." Note how they "clear" clouded brains and how they "perk up" the spirits. 10c and 25c a box. All druggists.
