crossing the passenger rates on the interurban lines of the Portland Railway, Light & Power company. The rates are increased on the Oregon City, Cananda, Bull Run and Troutdale lines. The increases range from one cent to 15 cents between Portland and the stations on the various lines. The fare between Portland and Oregon City is increased from 29 to 25 cents. The commission also directs the company to cut down the number of trains it is now operating.

The Astoria Chamber of Commerce has appealed to the public service commission to prevent the North Bank railroad from reducing its train service between Astoria and Fort Stevens and Astoria and Portland. The commission replied that as the railroad in question is under federal control all the commission could do would be to take the matter up with the government railroad officials.

CHARLES S. WOLFER DEAD.

Charles S. Wolfer, of Milwaukie, died at his home at that place Friday evening, Nov. 15, and burial took place at the Aurora cemetery Sunday afternoon. Heart failure following an attack of influenza was the cause of his death. He was ill but a short time having come from the St. John's shipyard, ill, the Saturday before his death.

Charles Samuel Wolfer was the son of the late Samuel and Margaret Wolfer, prominent early pioneers of this section, who crossed the plains in 1855, and were among the early Aurora colonists. Mr. Wolfer was born at Needy, Clackamas county, Jan. 3, 1884, and has resided in the county during his entire life. On Dec. 3, 1911, he married Miss Mabel Meeks, of Canby, daughter of prominent residents of that place, who

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No griping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 50c and 25c per box. All druggists.

George Downing Goes Over The Top In France

W. H. Downing was in town Monday from Sublimity and said he had a letter from one of the officers that was in the same company with his son George in France. The officer had been wounded and was sent back here to Camp Humphrey, Va., August 15th.

George asked the officer to write to Mr. Downing as soon as he was able and last week Mr. Downing received the letter in which he says that George has seen some hard fighting in the trenches. Their company was on the firing line for 53 days, day and night, with very little sleep and about the same on the ration question. Several of their officers and privates were killed and the ordeal was a hard one for George. The officer reports George in fine health and says that he is a man all through.

A letter from George to Mr. Downing this week says that his company was just in of a big drive and that they had captured a large number of Germans and would have captured a lot more only our boys could not run fast enough to get them.—Stanton Mail.

Need Help to Pass the Crisis Safely—Proof that Lydia E. Pinkham's Vegetable Compound Can be Relied Upon.

Urbana, Ill.—"During Change of Life in addition to its annoying symptoms, I had an attack of grippe which lasted all winter and left me in a weakened condition. I felt at times that I would never be well again.

I soon began to gain in strength and the annoying symptoms disappeared and your Vegetable Compound has made me a well, strong woman so I do all my own housework. I cannot recommend Lydia E. Pinkham's Vegetable Compound too highly to women passing through the Change of Life."
