CHERRIANS TO ELECT OFFICERS DECEMBER 3

This Is One Organization In Which Every Officer Quits After Serving 1 Year.

To elect King Bing and other officers of the Cherrians for the coming year, a meeting has been called for Tuesday evening, Dec. 3, at the Commercial club.

This is the annual election and the meeting has been called by Hal D. Patton, King Bing. As the by-laws, constitution and public opinion is not in favor of any King Bing holding the job more than one year, the main duty of the Dec. 3 meeting will be the election of those who will have charge of Cherrian doings for 1919.

On account of war conditions and other depressing matters such as the flu, the Cherrians have not been making much noise the past year. But with the coming of the New Year, and with a general better feeling, it is felt that the main boosting organization of Salem should again make itself felt in the community.

Now, when the Cherrians meet at this annual session, they will first be served with a luncheon. After this important affair has been properly cared for, will come the election of officers as follows:

King Bing Hal Patton has officiated the past year. For his successor there is no slate as nominations will be made from the floor. Among those "favorably mentioned" and who are thought to have the proper makings are U. G. Shipley, J. H. Lauterman, J. R. Linn, Ray L. Farmer, Capt. A. R. Wilson, Wil-

GIRLS! GIRLS! TRY IT! STOP DANDRUFF AND BEAUTIFY YOUR HAIR

Hair Stops Falling Out And Gets Thick, Wavy, Strong And Beautiful

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderine" hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubt of the beauty of your hair.

Besides beautifying the hair at once Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair and lots of it, surely get a small bottle of Knowlton's Danderine from any druggist or toilet counter for a few cents.

Keepers of Rolls. William Gahldorf has held this responsible job the past year. The work requires that of keeping minutes of all meetings.

Other officers to be elected include the Duke of Lambert, now officially held by Frank Lovell. Keeper of the Archives, David W. Eyre, present incumbent. King's Jester, Walter Winslow occupying the office for the past year. Kueen Anne's consort, P. E. Fullerton present incumbent. Archbishop of Rickreall, Elmer Dauc, whose successor is to be chosen. Earl of Waldo, Paul Johnson, who has served his one year. Marquis of Maraschino, present incumbent George Fox, now in Portland.

To provide the luncheon and various other entertaining features of the evening, King Bing Patton has appointed the following committee: P. E. Fullerton, chairman; Elmer Dauc, C. E. Knowland, Paul Johnson and Grover Bellinger.

MUST HAVE APPROVAL OF COMMISSIONERS

The increase in telephone rates which the Pacific Telephone & Telegraph company sought to put over without recognizing the Oregon state law regulating public utilities, will not go into effect until they are approved by the public service commission and an order is issued.

This turn in the drawn-out controversy between the public service commission and the company and the postmaster general developed today when the commission received a telegram from Postmaster General Burleson requesting the commission to consider the schedule of increased rates filed as an application for an increase.

He asks the commission to grant an early hearing on the application and to

Compared With Ordinary Underwear Silk Underwear Is Inexpensive

These soft, dainty, luxurious garments, which wash with the ease of a pocket handkerchief, afford the same protection as ordinary underwear of much greater weight. Many persons have looked upon the use of Kayser "Marvefit" Italian silk underwear as a luxury. The present advance in ordinary material, such as cotton, has by comparison made silk underwear in expensive. A great luxury at small cost.

recognize the urgent need for additional revenues from the telephone service. The postmaster general points out that he does not pass on the question as to whether the United States government, which now has control of the telephone company, would be classed as a public utility under the provisions

of the state law, but he is willing to proceed in the method laid down by the law for obtaining an increase in rates.

BLIGN THEATRE

Moving picture lovers who remember "The Barrier" with pleasure—who saw it—will be glad to hear that "The Sign Invisible," coming to Liberty theater, starting Thursday, is the work of the same director, Edgar Lewis, and that the leading parts are played by the same actors who had so much to do with the popularity of Mr. Lewis' former success.
