

THE FARMER MUST HAVE RUGGED HEALTH

Many Break Downs and Failures Due to Exposure and Hard Work

Catarrah in Some of It's Many Forms Claims Thousands

Every farm family has its medicine cabinet and in almost every one will be found a bottle of Dr. Hartman's World Famous Peruna. For coughs, colds and catarrah it is invaluable. It is indicated in all cases of catarrhal inflammation and congestion whether of respiratory organs, stomach, bowels or other organs of the body.

Mr. W. J. Temple of 300 Lincoln Ave., Delaware, Ohio, suffered for years with inflammation of the mucous linings of the stomach and bowels. According to his own story he did not eat a meal for five years without distress. He says: "I am a farmer and must be exposed to all kinds of weather. After years of suffering, a druggist recommended Peruna. I took all together five bottles and am a well man. Formerly, I could not do a day's work. Now, farm work does not fatigue me in the least. Peruna is the best medicine and tonic on the market. Time only strengthens my admiration for it, especially for catarrah and colds."

Peruna is sold everywhere. You may buy it in either liquid or tablet form. Ask for Dr. Hartman's Well Known Peruna Tonic and if you are seeking health take nothing else. Inset upon Peruna. If you are sick and suffering, write The Peruna Company, Dept. 77, Columbus, Ohio, for Dr. Hartman's Health Book. The book is free and may help you. Ask your dealer for a Peruna Almanac.

Examination is proceeding today as rapidly as possible and more than 200 men probably will have passed through the hands of the physicians and be slated for discharge before night.

START HOME IN TWO WEEKS

SOCIETY

By CAROL S. DIBBLE

ALL avenues lead to the Illabe Country club tonight where Thanksgiving Eve will be celebrated in delightful manner with a brilliant dance. About 150 persons prominent in Salem society and club circles will motor out for the party. Preceding the dance several informal dinner parties will be given, when various club members will entertain small coteries of friends. Though the Country club has sponsored many a lovely party during its club annals, few have given greater promise of a gala good time than the one anticipated tonight. Though one of the first strictly formal functions since the close of the war, the festive atmosphere will be none the less gay, and indeed will be heightened by the genuine holiday and victory spirit pervading all social assemblies these days.

C. boys of Willamette university the next month is the dance being arranged in their honor by the entertainment committee of the Salem branch of the National War Mothers' association. The affair will be held at the Masonic Temple, December 7.

In anticipation of the event, Mrs. Ralph White has volunteered her services as dancing instructor in acquainting the boys with some of the late steps. The Len orchestra will contribute the music as a complimentary attention to the S. A. T. C. men. The dance will be in the nature of a Christmas holiday diversion and will be the first of a series to be given by the association. Mrs. R. J. Hendricks is state chairman of the National War Mothers association, Mrs. John Varson serving as the local chairman.

S. naval training camp at Seattle. Mrs. Kirk was taking care of Bello Drain, whose back was injured in a recent automobile accident. Mrs. Drain was Miss Emily Neerod of Salem before her marriage.

Mrs. Kirk visited her parents, Mr. and Mrs. J. B. Howe, at their home in Brownsville for a week before returning home. Mr. Kirk arrived from Seattle last night and will remain in Salem till the first of next week. Half of the men in the naval training camp were given a five day furlough last week, and this week the remainder of the men are granted the same leave.

THOMSON SAYS HE GAINED 34 POUNDS

Suffered Fifteen Years With Rheumatism And Other Troubles.

Another remarkable statement to be added to the thousands already given, testifying to the undoubted benefits that have been derived from the use of Tanlac in long standing cases of rheumatic troubles, is that made the other day by Duncan Thomson, who is in the meat market business and lives at 421 1/2 Hawthorn Ave., Portland, Or. In telling of his experience with Tanlac Mr. Thomson said:

"I feel it my duty to tell everybody how Tanlac restored my broken down health, for the only way I found out about this wonderful medicine was through others telling how it helped them. "I suffered from a rheumatic condition of the system for fifteen years," continued Mr. Thomson, "and I kept getting worse all the time. My kidneys worried me too, for the last two years and the misery in my back was so terrible I thought at times it would surely break in two. My legs and knees would draw up till my muscles felt like they were tied in knots and ached so bad I could hardly bear to have anything touch them. I was so badly constipated, that I had to take something for this condition every two or three days, and my troubles weighed on me so and pulled me down till they nearly put me out of business. I lost weight, and felt so tired and worn out all the time that it was all I could do to drag myself off to my work."

"Well, I tried everything I could hear of, but got no better, and had begun to think there was no help for me at all. I was in Snyder, Oklahoma, when I first heard about Tanlac. Everybody there was taking it, and the results they were getting were so remarkable that I bought some myself to try. Why, I personally know one lady who was down in bed with rheumatism for six months and her friends had given her up to die. She took Tanlac and is now up and doing her own work, as well as ever, and I could tell you of many other cases. But to get back to my own case, I felt so much better after taking my first bottle that I kept on with it till now my rheumatism and kidney trouble have been entirely relieved, my constipation has been removed and I have actually gained thirty four pounds in weight. I am stronger and better than I have been in years. I work as hard as a man half my age and it don't hurt me a bit. I have already told many people about the way Tanlac has fixed me up and I expect to tell many more for I think Tanlac is the best medicine anybody can take."

Tanlac is sold in Stubbard by Stubbard Drug Co., in Mt. Angel by den Goeck, in Gervasa by John Kelly, in Turner by H. P. Cornelius, in Woodburn by Lyman H. Shorey, in Salem by Dr. E. C. Stone, in Silverton by Geo. A. Steinhilber, in Gates by Mrs. J. P. McCurdy and in Stayton by U. A. Beaughamp, in Aurora by Aurora Drug Store. (Adv.)

Community Thanksgiving At Monmouth This Year

Monmouth, Or., Nov. 27.—Monmouth is to have a community Thanksgiving this year with exercises appropriate to the most notable of all Thanksgiving days that the world has ever known. At 10 o'clock a. m. the students and people of the town and surrounding country will assemble in the Normal auditorium to enjoy the program and to give thanks to God for world democracy and universal brotherhood which seem now to be not far distant. The principal address will be made by Rev. Peter Conklin. The music will be under the direction of Miss Schutte. Members of the faculty will contribute to the program. Monmouth is coming right along with her contribution to the united war work fund. The quota of \$1400 still lacks something like \$150 to complete it. The high school contributed \$110 and the children of the training school \$30. Professor Theo. Gentle has been on the sick list for the last two weeks, being unable to fill his place as principal of the training school for that period.

NERVOUS PROSTRATION

May be Overcome by Lydia E. Pinkham's Vegetable Compound—This Letter Proves It.

West Philadelphia, Pa.—"During the thirty years I have been married, I have been in bad health and had several attacks of nervous prostration until it seemed as if the organs in my whole body were worn out. I was finally persuaded to try Lydia E. Pinkham's Vegetable Compound and it made a well woman of me. I can now do all my housework and advise all ailing women to try Lydia E. Pinkham's Vegetable Compound and I will guarantee they will derive great benefit from it."—Mrs. FRANK FITZGERALD, 25 N. 41st Street, West Philadelphia, Pa.

There are thousands of women everywhere in Mrs. Fitzgerald's condition, suffering from nervousness, backache, headaches, and other symptoms of a functional derangement. It was a grateful spirit for health restored which led her to write this letter so that other women may benefit from her experience and find health as she has done. For suggestions in regard to your condition write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of their 40 years experience is at your service.
