

IT'S NOT YOUR HEART; IT'S YOUR KIDNEYS

Kidney disease is no respecter of persons. It attacks all classes, regardless of age, sex or condition. A major sign of its attack is a major ailment. The itching people today can be traced back to the kidney trouble.

The kidneys are the most important organs of the body. They are the filters, the purifiers, of your blood. If the poisons which are swept from the tissues by the blood are not eliminated through the kidneys, disease of one form or another will claim you as a victim.

Kidney disease is usually indicated by weariness, sleeplessness, nervousness, depression, backache, stomach trouble, difficulty when urinating, pain in loins and lower abdomen, gas, constipation, rheumatism, scurvy and hemiplegia.

All these derangements are nature's signals to warn you that the kidneys need help. You should use GOLD MEDAL Haarlem Oil Capsules immediately. The soothing, healing oil stimulates the kidneys, relieves inflammation and destroys the germs which have caused it. Do not wait until tomorrow. Go to your druggist today and insist on his supplying you with a box of GOLD MEDAL Haarlem Oil Capsules. In twenty-four hours you should feel health and vigor returning and will bless the day you first heard of GOLD MEDAL Haarlem Oil.

After you feel that you have cured yourself, continue to take one or two capsules each day, so as to keep in first class condition and ward off the danger of other attacks.

Ask for the original imported GOLD MEDAL brand. Three sizes. Money refunded if they do not help you.

MONMOUTH NEWS

(Capital Journal Special Service.)
Monmouth, Or., Nov. 27.—D. C. Walker visited brother Odd Fellows at their regular session Monday night when the semi-annual nominations were made.

Dick Savage returned Thursday from Willows, California, where he has been assisting Clark Hombree with the harvesting of his rice crop. The threshing was not yet finished when he left. Mr. Savage says that part of California is in a flourishing condition. Wages are high and the country is booming. Dick expects to return to Willows after visiting a few weeks with his relatives here.

Alva Craven is slowly recovering from the operation for appendicitis which he underwent a few weeks ago but is not yet able to do any farming. Milton Hoyer is doing a lot of plowing for him with Mr. Riddell's caterpillar and several other neighbors are helping to get the seeding done. Mrs. Craven is convalescing from an attack of influenza.

H. C. Seymour, state club leader, was a visitor at the normal Friday and spoke at the chapel period.

Mr. and Mrs. Wm. Riddell Jr. were shopping in Salem Saturday.

A double header basketball match took place Friday evening in the high school gymnasium.

The sophomore girls played the freshmen girls and finished with a score of 19 to 7 in favor of the former. Later the Monmouth high boys played against the Independence high boys, the game resulting in a victory for the home team with the score being 25 to 19.

Mrs. Edith Parker, general clerk of the Miller Mercantile store, stole a pair of shoes from her friends to whom she went on her last visit to see a friend and a few days later returned with the shoes and introduced them as "De Will Patton, his husband." The ceremony took place last Sunday on board ship somewhere outside the boundary limit of the U. S., it is reported. Mr. Patton holds a Canadian passport. The couple have gone away on a honeymoon trip and their plans for the future are not yet made known.

Mrs. Lizzie Bowen returned Wednesday from Nebraska where she has been visiting an albino sister. She was gone exactly five weeks.

BRITISH FAVOR EARLY SIGNING

London, Nov. 28.—British officials favor signing the peace treaty within three months, so as to allow early demobilization and beginning of reconstruction, the Express deals of today.

Authorities Hunt For \$48,000 Bandit Treasure

Los Angeles, Cal., Nov. 28.—Forty-eight thousand dollars in gold, the proceeds of a train robbery near Kansas City by the Dale Jones gang of bandits, was the treasure Los Angeles and San Bernardino county authorities were hunting today.

A "tip" came to the sheriff's office that after the Kansas City robbery one member of the gang started to Los Angeles with the loot. Near Colton, so the story goes, he saw officers examining registration cards. He had no card and knew he would be questioned, so he threw the gold out of the window.

A little later a stranger was given permission by the railway section foreman to "dig for treasure he had seen in a dream" along the track. But the best information is that the digger did not find the treasure.

ALMOST 1000 ACRES PLANTED IN WALNUTS

Growing Of English Walnuts To Be One Of The Great Paying Industries.

The growing of English walnuts promises to become one of the great industries of the Willamette valley. In Marion county alone there is now planted almost 1000 acres. To be exact, the acreage is 994 1/2, according to a very careful survey made of the county by S. H. Van Trump, county fruit inspector. This survey was made by Mr. Van Trump this summer, and is the only complete record ever made of the walnut growing industry in Marion county.

On these 994 1/2 acres are planted 24,468 trees. An idea of the value of this crop to the citizens of Marion county may be estimated from the fact that many trees of the older orchards yielded this year a crop value of more than \$100 each. In the Reuben J. Boise yard at Church and Court streets, one English walnut tree yielded a crop that sold for \$125 which Mr. Boise gave to the Red Cross.

The largest English walnut orchard in the county is the one owned by the Skyline Orchard Co. in the Liberty district, with 212 acres planted in 4100 trees. This orchard is over five years old.

The second largest walnut tract is owned by M. Churchill of Salem, rural route 5. On his 87 1/2 acres are planted 2137 trees. This orchard is four years old.

Mrs. Charles Lloyd is the owner of a 33-acre tract. It is more than five years old and is planted in 600 trees. An orchard that is just one year old is known as the Cascade Orchard. It consists of 53 acres, planted in 1100 trees. This is the third largest tract in the county.

Other large English walnut orchard owners are as follows:

- El Jory, 28 acres, more than five years old, in 450 trees; M. J. Patterson, 17 acres more than five years old in 450 trees; Pete Corstein, 20 acres more than five years old in 550 trees; Liberty Orchard Co., 35 acres more than five years old in 900 trees; A. J. Hager, 17 acres more than five years old in 400 trees; Frank Durbin, 20 acres more than five years old in 400 trees; William Blake, 30 acres, Louis Lechmund, 27 acres, more than five years old in 510 trees; Farrar and Carlin, 30 acres more than five years old in 750 trees.

The census shows that but few acres have been planted the past year or so, although the Cascade View Orchard, with 53 acres is but one year old. Of the three year old orchards there are 65 1/2 acres. Only seven acres are two years old and in addition to the 55 acres of the Cascade View Orchard, only six acres are one year old. Hence it may be seen that about three fourths of the walnut acreage in the county is more than five years old and that within a few years, 800 acres or more will be yielding commercial returns.

Sleep and Rest

One of the most common causes of insomnia and restlessness is indigestion. Take one of Chamberlain's Tablets immediately after supper and see if you do not rest better and sleep better. They only cost a quarter.

PLANES FOR COSTAL AIR STATIONS DISCUSSED

Experiments Are Being Made With New Airplane Known As Kirkplane.

Washington, Nov. 27.—Naval plans for the permanent establishment and the construction of 21 costal air stations, building of war planes, including a new type of tri-planes which in experiments made 150 miles an hour and the purchase of hundreds of dirigibles and other lighter than air craft were laid before the house naval affairs committee today by Admiral Taylor and Captain Steele of the naval aviation service.

Steele revealed that the navy has been experimenting since August with the new tri-plane which is known as the Kirkplane, which would be the fastest in the world and is a product of the Curtiss plant.

Costal air stations, according to Steele, will be located at the following places: Boston, New York, Chatham, Mass.; Narragansett Bay, Rockaway Point, N. Y.; Cape May, N. J.; Hampton Roads, Brunswick, Ga.; Miami, Fla.; Key West, Fla.; Galveston, the canal zone, St. Thomas, West Indies; Port Arthur, Texas; San Francisco, Seward, Alaska; two in Hawaii, Guam, Cavite, P. I., and one between Portland and Rockland in Maine.

The stations at Narragansett Bay, St. Thomas, San Francisco, Seward, Hawaii, Guam, Cavite and the New England stations are in contemplation, no work having been done on them. All the stations will have seaplanes, kite balloons and dirigibles, except those at New York, Port Arthur, St. Thomas and the canal zone, which will house only lighter than air craft.

Steele asked for a total of \$25,000,000 with which to build balloons and dirigibles.

WRIGLEY'S

The Government wants tin

So hereafter all three brands of WRIGLEY'S will be wrapped in pink paper and hermetically sealed in wax.

Look for WRIGLEY'S in the pink-end packages and take your choice of the same three popular flavors.

Be sure to get WRIGLEY'S for quality and because The Flavor Lasts!

UNITED STATES PATENT OFFICE

Mr. Business Man

As a matter of economy you should consult the Journal's Job Department before placing your printing--we are satisfying Salem's leading firms---put us on your calling list. Phone 81

SMART WINTER COSTUME—Designed for skating or other winter sports, this smart coat costume for severe weather, is one of the most popular presented. It is of velvet with scarf collar of same. The novelty waistcoat is a feature.

About Croup
If your children are subject to croup, or if you have reason to fear their being attacked by that disease, you should procure a bottle of Chamberlain's Cough Remedy and study the directions for use, so that in case of an attack you will know exactly what course to pursue. This is a favorite and very successful remedy for croup, and it is important that you observe the directions carefully.
