YOU CAN'T FIND ANY DANDRUFF, AND HAIR STOPS COMING OUT

Save Your Hair! Make It Thick Wavy, Glossy and Beautiful At Once.

Try as you will, after an application of Danderine, you can not find a single trace of dandruff or falling hair and your scalp will not itch, but what will please you most will be after a few weeks' use, when you see new hair, fine and downy at first—yes—but really new hair—growing all over the scalp.

A little Danderine immediately doubles the beauty of your hair. No difference how dull, faded, brittle and scraggy, just moisten a cloth with Danderine and carefully draw it through your hair, taking one small strand at a time. The effect is immediate and amazing—your hair will be light, fluffy and wavy, and have an appearance of abundance; an incomparable lustre, softness and luxuriance, the beauty and shimmer of true hair health.

Get a small bottle of Knowlton's Danderine from any drug store or toilet counter, and prove that your hair is as pretty and soft as any—that it has been neglected or injured by careless treatment. A small trial bottle will double the beauty of your hair.

(Continued from page 8.)

17 minutes. Three stops were made. One at Red Bluff, Cal., one at Redding, Cal., at 9:40 a. m. Tuesday and one at Eugene, Or., at 3:45 p. m. Tuesday. The aviator left Eugene Wednesday morning at 10:10 arriving at Seattle at 2:17 p. m., where he landed on the municipal golf links.

During the trip, Lieutenant Hogland countered adverse weather conditions but at its conclusion announced that stability of his plane enabled him to overcome them without difficulty and also stated that the advisability of an aerial mail service was without question.

Hogland will rest in Seattle today and start on the return trip to Sacramento, with a bag of Seattle mail Friday morning.

Stop Itching Eczema

Never mind how often you have tried and failed, you can stop burning, itching eczema quickly by applying a little zemo furnished by any druggist for 35c. Extra large bottle, \$1.00. Healing begins the moment zemo is applied. In a short time usually every trace of eczema, tetter, pimples, rash, blackheads and similar skin diseases will be removed.

For clearing the skin and making it vigorously healthy, always use zemo, the penetrating, antiseptic liquid. It is not a greasy salve and it does not stain. When others fail it is the one dependable treatment for skin troubles of all kinds.
