

### If You Saw Wood Each Day You Won't Need Cascarets

Great medicine,—the Sawbuck.  
Two hours a day sawing wood will keep any one's Bowels regular.  
No need of pills, Cathartics, Castor Oil nor "Physic," if you'll only work the Sawbuck regularly.

Exercise is Nature's Cure for Constipation and,—Ten-Mile walk will do, if you haven't got a wood pile.  
But, if you will take your exercise in an Easy Chair, there's only one way to do that, and make a Success of it.  
Because,—there's only one kind of Artificial Exercise for the Bowels and its name is "CASCARETS."  
Cascarets are the only means to exercise the Bowel Muscles, without work.

#### WILSONIAN PEACE

Continued from page one  
ation to people still in their passions and hatreds, giving to the war-maddened world new hopes, new visions, may yet save Europe.  
Such indemnity as many are calling for, the article declares, would mean occupation of Germany by allied armies, during which time "English, French, American and Italian workmen will occupy German territory and act the role of slave drivers to the German people." "This would make mammoth armies."  
President Wilson's demand for a peace without annexations has been forgotten, the article states. As for a lasting peace, as demanded by Wilson, the article declares that the "charismatic press of Paris is discussing the proper moment for the next war against Germany" against the German republic this time.  
Notes Opposition in the U. S.  
Turning to America, the document notes opposition to Wilson.  
"Ex-President Roosevelt, addressing large, enthusiastic audiences throughout America, heaps ridicule upon the mere idea of a league of nations. He says it is nonsensical and hypocritical. A league of nations to prevent future war would necessitate lowering American tariffs and 'would be against the commercial interests of America.'"  
"Ex-President Taft calls for conscription being made permanent so that Germany, which is to be immediately disarmed may be kept in perpetual subjection. Senator Lodge says no peace that satisfies the German people can satisfy us."  
At the present moment the larger and more influential section of the American press is demanding what practically amounts to a Bismarckian formula that our enemies be left nothing but their eyes to weep with."

#### STATE HOUSE NEWS

The Astoria Chamber of Commerce has filed with the public service commission a complaint against the S. P. & S. railroad company, demanding that the company be required to build a new depot at Astoria and not attempt to repair the old depot. The chamber alleges that the present depot is "inadequate, unsanitary and dangerous to human life."  
Jap Upton and other representatives of the Okeho irrigation district, near Prineville, were here today making application to the state securities commission for the certification of \$200,000 additional bonds for that district. The commission some time ago certified to a bond issue of \$900,000 for the district.  
Effective December 1, the charge of \$5, \$10 and \$15 for installation of telephones was discontinued, and a new charge of \$3.50 for installation of phones, and an additional charge of \$1.50 for changing a name or address in the telephone directory were established, according to notice received today by the public service commission from the Pacific Telephone & Telegraph company.  
The commission also received from Postmaster General Burleson a copy of a circular being sent by him to all telephone and telegraph employees. This circular insists that these employees must be courteous and give prompt attention to the wants of the public. It points out that many complaints have been received of poor service and says that the employees have laid the blame onto orders issued by the postmaster general, when no such orders have been issued.

#### SOCIETY

By CAROL S. DIRBLE.

The La Arca club members were pleasantly entertained last night by Miss Thelma Blessing at her home on North Commercial street. The rooms were gayly decorated, a red and green color scheme being effectively worked out in crepe paper festoons strung between the chandeliers, and softly shaded red lights.  
The social gaieties of the evening followed a business meeting, in which plans were discussed for the annual Christmas tree party to be held December 23rd at the home of Miss Ruby Baker. The members also decided to give a New Year's dance.  
Christmas needlework and music including a number of entertaining selections on the Victrola, formed later diversion. Refreshments were served by the hostess, assisted by Mrs. E. F. Blessing and Miss Marion Miller.  
Those present were Miss Joy Turner, Miss Ruby Baker, Miss Mabel Brassfield, Miss Bertha Waldorf, Miss Emma Waldorf, Mrs. Mary Day, Mrs. Ada Zosel, Miss Esther Anderson, Miss Ruby Miller, Miss Stanis Andresen, Miss Dora Andresen.

The Thursday Afternoon club will meet this week with Mrs. B. C. Miles and Mrs. C. K. Spaulding at the former's residence, 903 Court street. The members are requested to assemble promptly at 2:30, as a short business session will precede the customary social hour.  
S. Guy Sargent was entertained over the week end as the guest of Mr. and Mrs. T. A. Livesley. Mr. Sargent, who was former state banking superintendent, was en route from San Francisco to Seattle on a business trip. Mr. and Mrs. John J. Roberts and children, Mildred and Helen, and Miss Catherine Slade were bidden additionally to dinner Sunday in honor of Mr. Sargent.  
Mrs. H. B. Thielsen is passing a few days at Derry Orchard, coming back to Salem tomorrow for the reception to be given in the evening by the members of St. Paul's church, in honor of the new pastor and his wife, Rev. and Mrs. C. H. Powell. It will be held at the home of Mrs. Russell Catlin.

Mrs. Alice H. Dodd will speak tomorrow afternoon before the North Salem Women's club on "The Duty of the Home Service Section towards the Disabled Men." A short musical program has also been arranged by the program committee. A brief part of the meeting is favorably given over to the discussion of current events by the members, so in accordance with this custom, the members will talk tomorrow upon the effect that the war has had on home industries, each speaker taking up a different phase of the subject. The meeting will begin at 2:30.  
The first of a series of informal social evenings was enjoyed by the members of the Girls Glee club of the senior high school Saturday night at the home of Miss Eva Miles on Court street. The club roster comprises 26 members, Miss Lena Belle Tartar being musical director of the club. The girls are holding rehearsals for special programs to be presented throughout the winter. A variety of games and the serving of refreshments rounded out the pleasantries of the evening.  
Mrs. C. K. Spaulding has returned from a stay of several days spent in Portland.  
Mr. and Mrs. W. L. Pooler and small son, Frederick, of Prineville, Oregon, are visiting relatives in Salem. Mr. Pooler was at one time owner of the Capital City Creamery.  
The Woman's Foreign Missionary society will meet with Mrs. A. A. Lee at her residence, 1515 State street tomorrow afternoon.  
The Chautauqua reading circle is now studying "The Canadian Commonwealth" by A. C. Laut. The program this week included the following interesting subjects: Quotations from a Canadian poet; current topics (a) home news, (b) news from American markets by Mrs. Mason Washop; American products in Canada by Mrs. B. H. Goodin; talk, "The English colonist in Canada," by Mrs. T. M. Hicks; talk "Brief history of early Quebec," by Mrs. Anna Walker; "Story of the Golden Dog," by Mrs. Wells; general discussion, "What I think of reciprocity between Canada and the United States."  
Tom Ordemann has been invited to sing at the meeting of the Portland Credit Men's association Friday. The past week he appeared before the Portland Realty board, the latter club of Portland and at the dedication of the Spanish War Veterans' service flag. He was most enthusiastically received on each occasion. He was accompanied by Miss Evelyn Calbreath, also a former Salemite.  
Of particular interest to University of Oregon students and graduates is the marriage of Miss Glaiys Coltra Wilkins of Eugene, and Lieutenant Lynn S. McCready of Lewiston, Idaho, which was an event of Thanksgiving day, in Trinity church, Boston.  
The bride is the interesting daughter of Mr. and Mrs. Francis Marion Wilkins of Portland, and a graduate of the University of Oregon with the class of 1918. In college she was a popular member of Chi Omega sorority and her activity in student body circles and journalistic work won for her election to Theta Sigma Phi, national journalistic fraternity for women.  
Lieutenant McCready gave up his studies in the university to enter the Oregon Ordnance school about a year ago. He is a member of Sigma Chi fraternity, Friars, a local upper class society and was on the varsity football and basketball teams.  
Lieutenant and Mrs. McCready will

#### Easy to Make This Pine Cough Remedy

Thousands of families swear by its prompt results. Inexpensive, and saves about 25.

You know that pine is used in nearly all prescriptions and remedies for coughs. The reason is that pine contains several peculiar elements that have a remarkable effect in soothing and healing the membranes of the throat and chest. Pine is famous for this purpose.  
Pine cough syrups are combinations of pine and syrup. The "syrup" part is usually plain granulated sugar syrup. To make the best pine cough remedy that money can buy, put 2 1/2 ounces of Pinex in a pint bottle, and fill up with home-made sugar syrup. Or you can use clarified molasses, honey, or corn syrup, instead of sugar syrup. Either way, you make a full pint—more than you can buy ready-made for three times the money. It is pure, good and very pleasant—children take it eagerly.  
You can feel this take hold of a cough or cold in a way that means business. The cough may be dry, hoarse and tight, or may be persistently loose from the formation of phlegm. The cause is the same—irritated membranes—and this Pinex and Syrup combination will stop it—usually in 24 hours or less. Splendid, too, for bronchial asthma, hoarseness, or any ordinary throat ailment.  
Pinex is a highly concentrated compound of genuine Norway pine extract, and is famous the world over for its prompt effect upon coughs.  
Beware of substitutes. Ask your druggist for "2 1/2 ounces of Pinex" with directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. The Pinex Co., Ft. Wayne, Ind.

make their home in Atlantic City, near where Lieutenant McCready is stationed, for the present.  
Mr. and Mrs. George W. Lewis, accompanied by their two children, Mary and Jack, left Sunday for Portland, where they will make their home on Kings Heights, a popular residence district of Portland. Their Salem home 892 South Twelfth street, will be closed for the present. Mrs. Lewis was the inspiration of numerous charming social affairs prior to her departing.

The members of the Woman's Home Missionary society of the Jason Lee church will meet tomorrow afternoon at the residence of Mrs. S. W. Drake, 1912 North Fifth street at 2:30. The meeting will take the form of the quarterly tea regularly sponsored by the society members. An invitation is extended to all church members and friends.

Mother Falls Unconscious  
"My mother, who is 69 years old, has been troubled with her liver for 35 years. Doctors said she had gall stones. Several times she fell unconscious because of these attacks. Eight months ago I noticed an advertisement of Mayr's Wonderful Remedy in the Toledo Blade and purchased a bottle, which did away a great amount of good. She continued the treatment and has felt entirely well since." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. J. C. Perry.

Court House News  
In the case of Emma A. Anderson as executrix of the last will and testament of J. L. Anderson, against L. L. Thomas, it was ordered in Judge Bingham's court that the defendant's motion to require the plaintiff to make her complaint more definite and certain was overruled.  
In the county court the estate of Rosalin Sequin was appraised at \$325.00 a lot in Gervais. The appraisers were Antoine De Jardin, August Nibler and Joe V. Keppinger.  
In the matter of the estate of John Graham and the widow Sallie Graham as executrix was ordered to retain the \$881.00 cash and the personal property of the estate as sole legatee. Other relatives and the Free Methodist church of Woodburn are to receive none of the property.  
The estate of Thomas A. Townsend was appraised at \$13,822.25. This amount includes \$10,022.00 paid in life insurance, \$500 worth of Liberty bonds and \$100 in war savings stamps.

Churchill Issues School Directory  
An official directory of the public schools of Oregon has just been issued by J. A. Churchill, superintendent of public instruction. It contains a list of all schools of the state having more than one room, giving name of clerk, superintendent, and high school teachers, in addition to valuable statistics of each school, such as enrollment, number of teachers employed, number of months of school and salaries of teachers. The directory also gives a list of the standard high schools of the state together with vital statistics relative to each.  
"There were enrolled in the standard high schools of the state at the opening of school year 21,299 students, as against 23,113 in September, 1917 showing a decrease of 1814," says Mr. Churchill. "There are in the United States service more than 3500 boys from the high schools of Oregon, which shows that the campaign for keeping the standard of high schools unimpaired has been most effective. The first year classes are larger than they have ever been before. Parents have felt it a patriotic duty to send their chil-

dren on to high school as soon as they finished the grades. The directory shows also that the number of standard high schools is gradually increasing. In 1915-16, the first year of the state department of education standardized the high schools of the state, there were one hundred sixty-three high schools that met the requirements. This year there are an hundred ninety-two. Besides the statistical reports, the directory gives the requirements for a standard high school, a suggestive list of books for a high school reference library, necessary apparatus for the various laboratories, and the rules and regulations relative to the certification of teachers.  
LONDON, Dec. 10.—Two German ex-
