

Mothers! Read the Signs!

If you will learn to give Cascarets, the candy cathartic, to your children, instead of castor oil, calomel and pills, you will save money, and avoid lots of worry, coaxing and sickness. Truly!

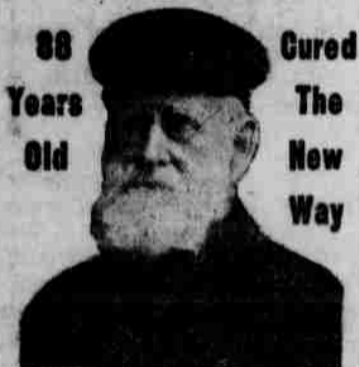

When one of the kiddies has a white tongue, a tainted breath, sour stomach or a cold; when bilious, constipated, feverish, remember, a sweet candy Cascaret to quickly "work" away the nasty bile, sour fermentations and poisons should always be the first treatment given.

Children really love to take candy Cascarets and they never gripe the tender bowels, never injure, and never disappoint the worried mother. Give Cascarets to children one year old and upwards. Each 10 cent box contains full directions for children and adults.

HEAT BY ELECTRICITY DISCUSSED IN IDAHO

Northwestern Power Companies Represented At Commission Meeting.

Boise, Idaho, Dec. 11.—The first hearing in the northwest on the subject of general heating by electricity developed through waterpower began today before the Idaho public utilities commission on its initiative. Every principal power company in Idaho, Utah, Washington and Montana was represented. The power companies have made an exhaustive engineering survey and declared they are prepared to prove electricity for heating is impossible both physically and financially. Taking a six room house as an average they will show, they declare, that the cost for electrical heating would be \$300 a year as against \$64 for coal, and they assert it would make no difference under what management the electric current was delivered.

In the recent campaign Non-Partisan League speakers said there were millions of horsepower in Snake river and that it could be used for heating at a cost less than coal. The power companies say they welcome the opportunity to disprove such statements as misleading.

He was replying to statements made by A. Bruce Bialaski in Washington. "For years I have written and spoken for preparedness, industrially, socially and militarily," he said.

SOCIETY By CAROL S. DIBBLE. A distinctly pleasurable midweek event was the reception given last night by the members of St. Paul's church in honor of the new rector and his wife, Rev. and Mrs. Charles H. Powell. The guests of honor met their friends in this delightfully informal manner at the residence of Mr. and Mrs. Russell Catlin on Chemeketa street. The receiving line was comprised of Rev. and Mrs. Powell, Mr. and Mrs. Catlin, Mrs. Henry B. Thielson and Miss Martha Powell, the attractive daughter of the honor guests. Mrs. S. E. Huelat and Mrs. Robert S. Gill presided at the refreshments during the evening. Assisting about the rooms, seasonably decked in holly and Christmas greens was a bevy of the younger girls including Miss Lenta Baumgartner, Miss Josephine Baumgartner, Miss Martha Powell, Miss Faith Friday and Miss Croisin. Several musical selections were given by the guests, including vocal numbers by Mrs. J. H. Walker, who was ably accompanied by her sister, Mrs. Johnson. About 60 members of the church called during the evening. Rev. and Mrs. Powell have but recently come from La Grande, Oregon, and are domiciled with their family of three sons and two daughters in the St. Paul's parsonage, 560 Chemeketa street.

MONMOUTH NEWS (Capital Journal Special Service.) Monmouth, Or., Dec. 12.—J. Knapp came up from Portland to spend the week end with friends. Mr. and Mrs. Milton Hoyser motored to Albany Friday to say good-bye to Mrs. Hoyser's brother, Harry Nelson, who left the same day for the marines. Oak Wood, who is in Washington, D. C., doing clerical work for the government, writes his parents here that he likes his work better now, is getting \$110 from the government and is working five hours a day in a store for which he gets \$50 per month in addition. He expects to remain in the east and after his work there is ended he will probably take a course at Columbia university. Blacksmith McNeil has turned his shop over to C. P. Connel for the present and has gone to Southern Oregon to recuperate his health. Miss Gaynelle Shore is home from Crane as her school is still closed on account of influenza, which is still very bad in that part of eastern Oregon. One case of influenza is reported in town and several cases of the chick-enpox. Next Saturday will be the regular monthly meeting of Monmouth Frange. Mrs. Margaret Pence received word Monday that her son who lives near The Dalles is very ill with influenza. A 15 year old daughter of this son died of the disease about a month ago. The Van Loons received a sniper's helmet recently from their son, Birchard in France. The helmet is camouflaged, being painted green, yellow and brown. It was picked up by Birchard himself in the Argonne wood on one of his trips as messenger. In a letter from Tom McClellan with the second army in France he states that his work has been with the ammunition-preparation and handling; he had been close enough to the front to experience some of the real thrills of war though had not taken part in the fighting himself. E. A. Beard returned Saturday from Camp Taylor, Ky., having been mastered out. He and Mrs. Beard (formerly Dorothy Partwood) expect to move soon to Astoria where he has a position in a cannery, the place being kept open for him, as he worked there before joining the colors. Mr. Frank Snedecor, who has been the guest of her sister, Mrs. R. P. Boise for several months, left yesterday for her home in Birmingham, Alabama. She will spend a few days in Portland with her cousin, Mrs. E. F. Fraul, leaving directly thereafter for the south. Mrs. Snedecor will pass the winter in Alabama, returning north again in the spring, when, according to present plans she will stop enroute at various points of interest in the east, arriving in Oregon early in the summer, during which she will again be entertained as the guest of Mr. and Mrs. Boise.

Mrs. Norman Courtney (Emmaline Klein) started east today to join her husband, Captain Courtney, for the winter. Captain Courtney is stationed at Newport News, Virginia, but will meet his wife at Washington, I. C. Mrs. Courtney was accompanied as far as Portland by her mother, Mrs. Anthony Klein, both of them remaining to visit friends in Portland until Sunday. Miss Louise Ingalls has returned from a three months visit in Pueblo, Colorado.

Mr. and Mrs. James Linn are visiting in Portland, Mrs. Linn having remained over since the Thanksgiving holidays, which she and Mr. Linn passed with relatives in Vancouver. Mrs. Linn returned immediately thereafter to Salem, but went up to Portland again this week, and will accompany Mrs. Linn home the latter part of the week. The social evening planned for the Sweet Briar club for tomorrow night, when the husbands of the members were to be honor guests at an informal gathering to be held at the residence of Mr. and Mrs. James Linn on the Wallace road has been postponed owing to another outbreak of influenza in the neighborhood. Although these later evidences of the epidemic are of an exceedingly mild nature, it was that the wisest course to discontinue community activities until all danger was once more removed.

ARSON CHARGES DISMISSED Eugene, Or., Dec. 12.—Following the return of a verdict of not guilty in the arson case against Jesse Fox, by the circuit court jury Monday night, the cases against Fox, Harry Martin and Elmer Paine, manager of the Eugene Mill & Elevator company, were dismissed by Judge G. F. Skipworth upon motion of District Attorney L. L. Ray. The cases involved charges of arson in connection with the burning of a potato warehouse at Coburg last spring. Failure to secure a conviction in the strongest of the cases, that against Fox, was the reason for moving the dismissal of the other cases.
