## SOCIETY

By CAROL S. DIBBLE.

THE original idea launched by the Business Men's League of Salem to beautify the Salem streets this Christmas as a tribute of welcome to the home coming soldiers, has proven but one of a diversity of suggestions, which have since developed to make this Yuletide distinctly memorable and one of outstanding festivity, marking, as it does, the first Christmas after the close of the war, the first Christmas, in several years when the joyousness of home and heart have not been partially dimmed by the shadow of danger to those across the seas. The latest movement to swell the tide of Yuletide gladness and one which has captured popular fancy in a number of cities in the country this year, has been started by the Salem Woman's club, that of singing Christmas carols throughout the town on Christmas eve. No happier occasion could be chosen to revive this delightful old time custom than the present one. The Christmas tales of Dickens and Henry Irving abound in references to the devotedness of the church choir, who are planning to apportion various localities of the city to respective units of the carollers, who in turn will lead added charm to the Christmas atmosphere with strains of music, sweet and familiar, drifting in through candlelit windows in home upon home this Christmas eve.

Mrs. Roma C. Hunter entertained the members of the Nemo club and a few additional guests at a prettily appointed dinner party last evening at the Hunter residence on South Liberty street. The table was adorned with a lovely centerpiece of Papa Gontier rose buds.

Later the guests adjourned to the drawing rooms for an evening of five hundred. The attractive favors were won by Mrs. A. L. Johnson and Mrs. George Shand. Gorgeous yellow chrysanthemums combined with fernery lent effective decoration to the rooms.

The jollities of the evening were rounded out with music. Assisting the hostess were her daughter, Miss Maycie Hunter and Mrs. Cal Patton of Portland.

Besides the club members additional hidden guests were Mr. and Mrs. G. W. Laflar, Mr. and Mrs. George Shand, Mrs. O. W. Moon, Mrs. Cal Patton, Miss Minnie Goehring.

One of the most originally developed and mirth-provoking parties sponsored among the college co-eds this fall, was a Mother Goose masquerade given by the girls of the Adelante sorority Friday afternoon at the Adelante hall on the Willamette campus. A wide range

## SAYS COLD WEATHER BRINGS RETURN OF INFLUENZA

Public Must Be Careful to Avoid a Second Epidemic. Easter to Prevent Than Cure. What to Do

"Encouraging reports of the fewer cases of influenza in this vicinity should not allow us to relax our vigilance or to become careless in the belief that the danger is all over," says a well known authority. With the coming of cold weather there is apt to be a return of this frightful epidemic and its seriousness will depend on the extent of the precautions, taken by the public, to prevent infection.

When the air is full of influenza germs, you may be constantly breathing them into your nose and throat. But their danger may be avoided and you may make yourself practically immune to infection if you destroy the germ before it actually begins work in your blood.

During the recent serious epidemic, which hit Salem so hard, most successful results were obtained by many a stru the simple breathing into the nose, throat and lungs of the medicated air of oil of Hyomei. Probably no better, safer or more sensible precaution against influenza, gripe, coughs, colds, bronchitis or catarrh of the nose and throat could be employed than to go now to the nearest drug store and get a complete Hyomei outfit consisting of a bottle of the pure Oil of Hyomei and a little vespocket hard rubber inhaling device into which a few drops of the oil are poured.

Carry this inhaler with you during the day and each half hour or so put it in your mouth and draw deep breaths of its pure healing germicidal air into the passages of your nose, throat, and lungs to destroy any germs that may have found lodgement there. This simple precaution may save you a serious illness and the loss of several weeks work. It is pleasant to use and not at all expensive--the inhaler with fast a lifetime and further supplies of the Oil of Hyomei can be had at any drug store for a few cents.

Hundreds of people in this vicinity used Hyomei in this way during the recent crisis and avoided danger. They should not neglect it now for the danger is by no means over.

of character was depicted in unique costume, including the Old Woman in the Shoe, her children, Sir Peter Simon of the vacant look, Cinderella in search of her lost slipper and Mother Goose, herself. The part of the Old Woman was cleverly taken by one of the smallest members of the society, while Mrs. John R. Sites, an honorary member of the Adelante won enthusiastic acclaim in her realistic impersonation of one of the children in the shoe.

The hall was gayly decorated with Christmas ornamentation, a festive tree adding to the juvenile spirit of the occasion. A variety of children's games were played during the afternoon, which culminated with a buffet supper. Miss Florence Richards is also an honorary member of the Adelante society.

Mrs. D. Siewert was a charming dinner hostess Monday evening in honor of the joint-birthdays of herself and her daughter, Mrs. Lena Hiltiker. A handsome centerpiece of white carnations and yellow chrysanthemums decked the table. Covers were placed for ten.

Steven Elmo Wright and Orval James of the spruce division, squadron 68, were week end visitors at the home of the former's mother, Mrs. J. F. Dunlap. They returned to Vancouver Sunday night, and expect to be mustered out by Xmas.

Mr. and Mrs. Albert O. Siewert were hosts at a merry "500" party Friday evening at their residence, 1249 South Commercial street. Four tables of cards were arranged for the players. A Yuletide atmosphere was suggested in the decorations. The hostess was assisted in serving by Mrs. J. R. Pemberton.

Mrs. Richard Breeding of Eugene returned home yesterday after a few days visit with Salem relatives.

The members of the Woman's Home Missionary society of the First Methodist church will hold their annual dinner in the church parlors tonight at 6:30. It will be in the nature of a "Hoover treat." A program will be given later in the evening.

Congratulations are being extended to Mr. and Mrs. G. R. Bonnell at their home in Portland upon the arrival of a daughter. Mr. Bonnell was a former manual training instructor in the Salem high school.

Mrs. Cal Patton of Portland is visiting in Salem as the guest of her mother, Mrs. Will Goodrich, at her home on High street.

The ladies of the Jason Lee church were entertained at their regular monthly "coffee" last Friday by Mrs. J. F. Uhrak at her home, 1595 Rose street. Several musical selections contributed to the pleasure of the social hour. Mrs. R. A. Harris and Mrs. Lee Uhrak assisted the hostess.

Miss Eva Miller of Hartisburg has returned home after a few days visit in Salem as the guest of her sister, Miss Jessie Miller.

Miss Jean Belle was a Portland visitor over the week end.

The party for which Mrs. W. I. Staley was to have been hostess Friday night at the Country club for her son, Paul Staley, has been postponed until Monday evening, owing to the Home Coming festivities at the high school. Friday night, which will include many of the same participants hidden as guests to the affair planned by Mrs. Staley for the younger set the same evening.

Miss La Von Coppock who is teaching in a rural school at Antone, in Wheeler county, is enjoying a weeks visit in Salem with her mother, Mrs. F. J. Coppock, at her home, 1394 Sag-

## AN EFFECTIVE POULTICE

One of the most effective poultices yet found for removing congestion in case of influenza, pneumonia, gripe, etc., is PURLA Medicated Plaster. This necessity of life is easily applied. Absorbent as well as antiseptic, and a great aid to recovery. 35c and 60c cans at all druggists.

law street. Miss Coppock has just the week's vacation and will return to her school Sunday, much to the regret of her many Salem friends, who were anticipating a longer sojourn over the Christmas holidays. Miss Coppock is well known to Salem as a clever reader, having graduated last spring from the Fish School of Expression.

Albert Osuna, aged 80, and one private secretary to Emperor Maximilian of Mexico, was killed at San Pedro Thursday by being struck by an electric train.

## GRANDMOTHER KNEW

There Was Nothing So Good for Congestion and Colds as Mustard

But the old-fashioned mustard-plaster burned and blistered while it acted. Get the relief and help that mustard plasters gave, without the plaster and without the blister. Musterole does it. It is a clean, white ointment, made with oil of mustard. It is scientifically prepared, so that it works wonders, and yet does not blister the tenderest skin.

Just massage Musterole in with the finger-tips gently. See how quickly it brings relief--how speedily the pain disappears. Use Musterole for sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest (it often prevents pneumonia), 30c and 60c jars; hospital size \$2.50.

## HEALTH BOARD MAKES FLU QUARANTINABLE

Five Health Officers Over State Will Enforce Regulations.

By action of the state board of health, at its annual meeting, influenza is placed on the list of quarantinable diseases throughout the state. Dr. A. C. Seeley of Portland, secretary of the board and state health officer, reported that good results are being obtained from the use of anti-flu vaccine, which is being distributed by the board free.

The board will ask the next legislature for an appropriation of \$95,000, as against \$25,000 for the last two years, in order to be prepared to meet and cope with any epidemic which may hit the state and to perform the work which the board feels is necessary. It is proposed to divide the state into five districts, and employ a district health officer for each district to see to the enforcement of state health laws and regulations. Dr. M. Brooks of Portland was elected president of the board for the next year, and Dr. C. T. Bacon of La Grande was chosen vice president. Dr. Seeley was continued as secretary and health officer.

## TURNER LOCALS

(Capital Journal Special Service.) Turner, Or., Dec. 17--C. M. Miller, saw mill man of Aumsville, is on a social visit with L. H. Turner which if consummated will be a fine asset to Turner, bringing several more families here. Mr. McClellan and Mrs. East of Harton were business callers here Monday. Mrs. R. G. Brown is in Portland for a week's visit with her husband and friends. H. C. Porter of Aumsville was a visitor in Turner Friday. Mrs. Billingsley, a visitor from Topeka, Kansas, finds a pleasing contrast

in the green grass and blooming flowers of Beautiful Oregon to the snowy wastes of the Kansas winter time.

The lure of Turner has again brought back a worthy citizen, Ira Pease, within her fold. Many friends bid him welcome.

Harold Stone, of Rochester, N. Y., has been appointed superintendent of all bureaus for aiding soldiers and sailors in securing employment.

Thousands of tobacco growers of Kentucky, dissatisfied with the prices being paid by the manufacturers, are withdrawing their supply from the market.

The budget for Yamhill county the coming year aggregates \$312,000.

## Try Making Your Own Cough Remedy

You can save about \$2, and have a better remedy than the ready-made kind. Easily done.

If you combined the curative properties of every known "ready-made" cough remedy, you probably could not get as much real curative power as there is in this simple home-made cough syrup, which is easily prepared in a few minutes.

Get from any druggist 2 1/2 ounces of Pinex, pour it into a pint bottle and fill the bottle with syrup, using either plain granulated sugar syrup, clarified molasses, honey, or corn syrup, as desired. The result is a full pint of really better cough syrup than you could buy ready-made for three times the money. Tastes pleasant and never spoils.

This Pinex and Syrup preparation gets right at the cause of a cough and gives almost immediate relief. It loosens the phlegm, stops the nasty throat tickle and heals the sore, irritated membrane so gently and easily that it is really astonishing.

A day's use will usually overcome the ordinary cough and for bronchitis, croup, whooping cough and bronchial asthma, there is nothing better.

Pinex is a most valuable concentrated compound of genuine Norway pine extract, and has been used for generations to break up severe coughs. To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex" with full directions, and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded.
