N. Carlson Of Portland Kills Fellow Worker

Portland, Or., Dec. 19.—N. Carlson, a carpenter, shot and instantly killed Gus Johnson, a fellow worker, at noon today. Carlson was waiting for the officers when they arrived. Turning his revolver over to them he said: "I did it." The murderer told the police Johnson had attacked Mrs. Carlson on two occasions and had loitered about the Carlson home during the entire Wednesday night. "I pined the floor all last night," he added, "and have been sleeping with a gun which I borrowed from a neighbor." Carlson also claims his wife told him Johnson had threatened to kill him. The slaying occurred while Johnson was working on his automobile which he kept in the Carlson garage. All of the six shots fired were effective.

"Brother Feels Sick! He Wants a Candy Cascaret"

To Mothers! You will avoid worry and trouble by giving your children Cascarets instead of nasty Castor Oil, Calomel and Pills. Children look upon Cascarets as Candy and never refuse them even when sick, bilious, feverish, constipated. Besides Cascarets cost only 10 cents a box.

Nothing else works the bile, sour fermentations and poisons from a child's tender stomach, liver and bowels like good old harmless Cascarets. They never gripe, never injure, never disappoint the worried mother. Give Cascarets to children aged one year and upwards. Directions on each 10 cent box.

UNIVERSAL MEMBERSHIP

The purpose of the Red Cross Christmas Roll Call, expressed in the fewest possible words, is to see that every man and woman in every city and community throughout the United States, and wherever Americans may be, has the opportunity to join the Red Cross or to renew his or her membership. Nothing short of universal membership is the goal. A 1919 Red Cross membership button is to be given to each person enrolling, as well as a Red Cross Service Flag, with a cross for each member of the family enrolled. Every home in America and every business office should have on display a Service Flag the week before Christmas, when the Roll Call will take place.

EASTERN LOVE SONG HIT

ODD AFFAIR CALLED 'IT'S NEVER TOO LATE TO BE SORRY'

Some of the lines of the song are quite poetical. One verse runs: 'I watched a sweet rose droop and die for want of rain, and wondered why. The raindrops when at last they came could not restore its bloom again. You're like the rose; I'm like the rain. You wanted me and called in vain.' And then follows the music which seems to be quite catchy.

The various photographs and music rolls are hurrying the song out as a mid winter novelty.

ESTABLISH MODEL FARMS IN FRANCE

A model farm has been established by the American Red Cross at Courbet, for it has been found that farm work is one of the very best means of hastening the recovery of those men suffering from shell shock. One farm of 500 acres has been laid out in the department of Indre-et-Loire that is planned and is to be managed after the methods pursued in our own great farming regions of the West. Since these farms will be worked almost entirely by the convalescent soldiers and those made unfit for active service, the expense of maintenance will be very little. But the saving of human life will be enormous. And every farmer in this country who enrolls in the Christmas Red Cross Roll Call will be helping indirectly to carry on this reconstruction work among the mutilated soldiers in France.

RED CROSS SUPPLIES.

The varied character of the supplies which the American Red Cross provides for American soldiers and sailors is shown in the following list of articles furnished in one recent month to our fighting men in Great Britain: 30,000 sweaters, 30,000 toothbrushes, 50,000 pairs of socks, 32,000 pounds of soap, 300,000 boxes of matches, 800 baseball outfits, 500 mouth organs, 144,000 packages of chewing gum, 5,000,000 cigarettes. For handling these supplies, the Red Cross has seven warehouses in England and six in Ireland. At the Irish stations there are stores of clothing, first aid outfits and other necessities to provide amply for any emergency which may arise through the torpedoing of ships carrying American soldiers or sailors. If necessary, 6,000 shipwrecked Americans could be outfitted from head to foot at one time from these emergency depots. Advance arrangements have also been made for billeting, housing and feeding any number of men who might unexpectedly be landed at ports where there are no British military camps.

PLAYS ALL RECORDS AT THEIR BEST The Brunswick The Unselfish Gift No other gift can bring such all-round pleasure to so many people as The Brunswick Phonograph. The entire family and all one's friends can participate in this enjoyment. It is for this reason so many people choose The Brunswick as a Christmas gift--and why so many families "pool" their Christmas money; so that all gain far more satisfaction than in receiving small, individual presents. The tendency this Christmas is "a worth-while present for all" rather than "a knick-knack for each." The Brunswick is an ideal choice. It will prove an ever-present delight for years to come. This super-phonograph plays all records as they should be played--the tone is superb. Hear it today. Decide early. Avoid the rush later. Your old instrument taken in exchange. C. S. Hamilton, Home Furnisher 340 Court St., Salem.
