Genesco, N. Y., Dec. 19.—Attorneys directing the defense of Gladys Web-ster, child wife, on trial on a charge of murdering Edward Webster, her father-in-law, by putting Paris green in his milk, will attempt to show Webster did not die from poisoning.

The most critical period in the trial

of the little mother, it was believed, was to come today with the buttle between the poison experts.

EXECUTOR'S NOTICE

"I am thankful for the good I have received by using Chamberlain's Tablets. About two years ago when I began taking them I was suffering a great deal from distress after eating, and from headache and a tired, languid feeling due to indigestion and a torpid liver. Chamberlain's Tablets corrected these disorders in a short time, and since taking two bottles of them my health has been good," writes Mrs. M. P. Harwood Auburn, N. Y.
