SALEM FARMER CURED OF CANCER

To Whom It May Concern, December 6, 1918. Salem, Ore. This is to certify that I had a cancer on my lower lip of three years standing which worried me greatly. I went to Dr. S. C. Stone for treatment. He applied a liquid for six days and then an ointment, and in a few days the cancer came out and the place healed up nicely. This was last August I can conscientiously recommend Dr. Stone and his treatment of cancer.
