

SOCIETY

By CAROL S. DIBBLE

MISS LUCILLE SAUNDERS was hostess for a delightfully informal gathering last evening at the residence of Mrs. James Godfrey on North Liberty street, when she entertained a congenial coterie of girls at a charming little supper party. The festive atmosphere was heightened by a Christmas decorative note, the table being gayly centered with a brilliant cluster of crimson tipped holly.

Those participating in the pleasures of the evening were Mrs. Burton Myers, Mrs. Byron F. Brunk (Mollie Stinson), Miss Ella McMunn, Miss Dorothy Donaldson, Miss Frank Hout,

Miss Bethel Casper, Miss Marie Putty, Miss Carol S. Dibble.

Additional impetus has been given the plan of singing Christmas carols throughout the residence sections of Salem on Christmas eve, by the adoption of the idea on the part of the members of the Tuesday Musical club. The suggestion originating with the Salem Woman's club of *renewing* this beautiful olden custom this year, has rapidly gained in favor until now numerous musical associations and persons, usually interested have pledged their support and enthusiasm to the undertaking. Miss Elma Weller of the Tuesday Musical club is directing the endeavors of the club in connection with the carol singing.

At the suggestion of Joseph H. Albert, the members of the Christian Endeavor society of the Presbyterian church are rehearsing a number of the favorite old time ballads with the purpose of adding their share of cheer to the shut-ins of hospital and home Tuesday night. For it is the intention of those who first launched the enterprise to not only give the home folk of Salem the pleasure of music caroled along the residence streets, but also all those whose invalidism or that of others would necessarily keep them bound within four walls, at a time when all the world is seeking gaiety on the wing.

Pertaining directly to this revival

of Christmas eve caroling are the following timely remarks quoted from the November Musical America:

"The efforts of those who are interested in the growth and spread of community music are constantly directed toward the introduction of that variety which is needed to insure the continued popularity of the movement. Hence the revival of the quaint, appealing custom of Christmas caroling is being vigorously promoted, and the custom will probably be re-established as a permanent Christmas observance within a very few years. Imagine sitting in your living room, darkened except for the soft glow of candles, which, placed in your windows, invite a group of carolers to stop before your home. Imagine listening to the young sweet voices which bring joyous melodies to cheer your heart and rouse Yuletide memories of long ago. When they have finished and passed on, bearing their message to your neighbor, the true Christmas spirit has been waked within you, you are conscious of a desire to be of service to others less fortunate than yourself.

Detroit has been the outpost of this revival. Only two years ago the movement was launched there. To judge from its remarkable popularity and success in that city, one would think the custom had been practiced for decades. This instance of its rapid success demonstrates its adaptability to the conditions of modern civic life. With the

FEELS TWENTY YEARS YOUNGER

Can Walk A Mile Now Where Before Taking Tanlac Couldn't Go 2 Blocks.

"Since Tanlac has relieved me and built me up so much I feel twenty years younger," said Mrs. W. B. Lahey, who resides at West 3115 Eleventh Ave., Spokane, Wash., recently.

"I had suffered from stomach trouble," she continued, "until I had become almost a nervous wreck and unable to do my housework and look after my children. My stomach was so weak and upset that I could hardly retain a thing I would eat. I lived for days at a time on nothing but boiled milk and poached eggs, and half the time they failed to agree with me. I was kept on a diet all the time, and my stomach was pumped out nearly every day, but this nor anything else did me any good. I was advised that a higher altitude might help me, so I took a trip to the mountains in Canada, but came back home just as bad off as when I left. What I ate would sour on my stomach, and the gas formed by it would blow me up terribly. Sometimes my heart would palpitate like some one beating with a hammer, and then stop suddenly and keep still so long that I thought I would never draw another breath. My back, over my kidneys, hurt me dreadfully and at times my left side pained me until I could hardly stand it. I was constantly taking something to relieve constipation and was almost frantic at times with headache, and was so nervous that sleep was almost impossible for me.

"Now, this is just the condition I was in when I began taking Tanlac and I commenced to pick up with my first bottle. It was only a short time until I was eating most anything I wanted. I can now eat all kinds of vegetables, or anything else I want, without the least bit of trouble from it. My headaches and pain is all gone and I have already gained ten pounds in weight. I sleep like a child every night and have so much more strength and energy that I can walk a mile, where before I took Tanlac I couldn't walk two blocks without being all tired out. Tanlac has not only helped me, but my husband, who has been troubled with his stomach for a good many years, is now taking it with just as good results. Some of my neighbors are also taking it on my recommendation, so you can see what I think of it. I am thankful enough for what it has done for me to tell everybody about it."

Tanlac is sold in standard by Hubbard Drug Co., in Mt. Angel by Mrs. Gooch, in Gervais by John Kelly, in Turner by E. F. Cornelius, in Woodburn by Lyman E. Shorey, in Salem by Dr. B. C. Stone, in Silverton by Geo. A. Steelhammer, in Gates by Mrs. J. P. McQuay and in Stayton by C. A. Beauchamp, in Aurora by Aurora Drug Store. (Adv.)

good energetic impetus which will be given it this year, the movement is bound to attain larger proportions quickly."

Miss Alice Dabney of Portland was a week end guest of Mrs. Allan Byson. She returned home today.

Miss Mabel Garrett will come down from Woodburn tomorrow night to pass the remainder of the week with her mother, Mrs. Ida H. Garrett, at Miss Garrett is an instructor at the Woodburn high school this winter.

The Salem Woman's club among the other federated clubs of the state expects to receive the year book of the Oregon Federation of Woman's clubs shortly. The book is now being distributed and comprises 56 pages, it contains a list of the 121 federated clubs together with the names of their presidents and secretaries, also the officers and committees of the state federation. Considerable space is given over to the reports of the officers for the past year. The report of the treasurer showed a balance on hand at the beginning of the year of \$370.06; receipts for the year, \$627.30; total, \$1007.36. Disbursements, \$599.63; balance on hand, \$411.02. During the year a total of \$258.60 was collected for the Oregon federation hospital fund. The report details the receipts and disbursements of the scholarship loan fund, the president's expense fund, the public health fund, etc.

E. W. Bent of Portland will pass Christmas day in Salem as the guest of his daughter, Mrs. R. M. Hofer.

Mrs. Walter Spaulding was a week end guest of her mother, Mrs. Nora Guard Miller, at the latter's home in Canby.

Miss Helen Moore returned home Friday night from Corvallis, where she is attending O. A. C. this year. She will pass her vacation with her parents, Mr. and Mrs. A. H. Moore.
