Would Make Puget Sound Great Distributing Point

Tacoma, Wash., Dec. 25.—That Ta-coma, Scattle, Everett and other Puget Sound points must pool their interests in making the Sound one of the worlds great terminal centers was the stateaent of R. H. Thomson, Scattle exper engineer, explaining the details of the public service commission's proposed terminal plans to businessmen here.

'The entire plan,' said Thomson, would do away with vexatious delays and excessive handling charges now imosed on shippers, and would put Puge Sound at the front as a great distributing point for Oriental trade."
