corrective, laxative that teases the
bowels into action. 25c.

CAUCUS OF COUNCIL **GIVES OUT CITY JOBS**

Macy, Pemberton, Low And Shank Named; Rogers For Job Of City Engineer.

The new city council may not be trong on the political game but when comes to the appointment of offirs for the city, it was demonstrated the novices in polities were first class crappers. At the caucus held last evening, for business that would ordinarily y occupy about an hour, the new countil members scrapped it out for three tours and there was something doing the course and the course of the course

from the hour of convening 7:30 p.
m. until the dove of peace hovered
over the caucus at 10.30 o'clock.
The council started in on its career
with the hooden number of 13 present.
Dr. O. L. Scott of the seventh ward An increase in the salary of the su-perintendent of public instruction resemble to the present on account of sickness in his family. With the 13 present, the rule was made that no candidate should be elected unless re-

endent of public instruction is \$3000 received five votes. John Carson who had been spoken of favorably, was not a candidate and had not made applica-

tinds. Steady, reliable. Address Engineer care Journal.
