Police headquarters will be remodeled in a few days. The councilmen at the caucus last night were inclined to favor the idea in order that Chief Varney might have a private room in which to talk things over with those whe needed.

As to what action will finally be taken, Mr. Albin said today that would depend on how the aldermeen felt about it and how the general public were disposed to view the situation.

But with conditions as they are now, Mayor Keyes will not remove the lid as his term expires Monday evening. After this first session of the city council, the situation will be in the hands of the health and police committee, co-operating with Mayor Albin and City Physician Pemberton.
