HOSPITAL BOARD TO ASK FOR EXTENSION
 No Building Is Available And Six Months To Find Suitable One Is Wanted.

Facing ejection proceedings by order of the State Board of Control, the Salem hospital board, at a meeting held last evening at the Commercial club, decided to appeal to the state board for an extension of time.

After investigating various localities for a temporary hospital, the hospital board found none suitable. With the present epidemic of influenza and the hospital already overtaxed, it was felt that a removal of patients within a week or so would be most inopportune and in fact could not be done without great danger to the hospital's patients. The state board of control will be asked to grant at least an extension of six months or more, taking into consideration present health conditions. If this is refused, it is probable that the hospital board will go before the legislature and ask for an extension of time.

The McKenley school was thoroughly investigated by contractors and found not adapted, or if accepted, the expense would be almost prohibitive. The Argo hotel and the old medical building were also considered and neither found suitable for a hospital.

With not enough money to build and no suitable place to establish the hospital and at the same time facing ejection proceedings by the attorney general of the state, the board of the Salem hospital found itself up against a serious proposition.

All that it can do is to throw itself on the mercy of the legislature trusting that the lawmakers will grant the extension that the board of control refused.

Those attending the meeting last night were Chas. H. Park, A. A. Lee, Henry W. Meyers, F. G. Deekebach, Percy Collier, F. G. Griffith, August Hucklestein, Mayor C. E. Albin, Theo. Roth and H. S. Gile. The only members of the board not present were Chas. K. Spaulding, Mrs. William Brown and William McGilchrist Jr.

PROMINENT FRENCH SENATOR OUTLINES PEACE POLICY IDEAS
 Does Not Differ In Principle From Wilson Idea Only Concerning Germany.

By William Philip Simms
 (United Press Staff Correspondent.)

Paris, Jan. 8.—The grim will of the world that there shall be no more wars will make the league of nations an integral part of the peace settlement, Leon Bourgeois, senator and former premier, declared in an interview with the United Press today.

Bourgeois who is the foremost French authority on the league of nations was recently charged by Premier Clemenceau to confer with American, British and Italian league experts and draw up a plan to be submitted by the French at the peace conference.

He outlined this program today for the information of the American public. The principal variance of Bourgeois' plan from the President Wilson's ideal is that the French desire to refuse German membership in the league until she fulfills all the conditions imposed on her by the peace treaty. Wilson, it is understood would admit Germany on probation.

Bourgeois desires that the league of nations shall be created by the associated powers at the peace conference and that Germany shall sign adherence to the league principles, simultaneously with the other terms of peace. After this the league would pass upon the application of other nations, all of which would be eligible provided they are "clean handed democratic and honest."

Germany could come in only after she had proved her sincerity by carrying out all the obligations imposed on her at Versailles.

SPARTACUS WILL NOT
 (Continued from page one)

ernment has decided to employ German "frightfulness" in suppressing the Spartacus revolt according to Berlin dispatches received here today.

The Berlin correspondent of the Berlin Gazette Tugend wired that the government, after deciding not to negotiate with the Spartacus yesterday resolved to equip its troops with flame throwers.

The government, according to the correspondent, had decided to crush Karl Liebknecht, who is reported to have narrowly escaped death several times during the fighting.

Hiram Gill, Former Mayor Of Seattle, Dies Of Flu

Seattle, Jan. 8.—Hiram Charles Gill, former mayor of Seattle, died here today from influenza. Gill was elected mayor of Seattle three times and served 12 years in the city council prior to that. He was 53 years of age.

Services Held Today For John Simkins Of Amity

John Simkins, a well known resident of Amity, died at his home Jan. 6, 1919, after an illness of about one week. The funeral services were held this morning at Hopewell and interment was in the Hopewell cemetery.

Mr. Simkins was born 55 years ago in Yamhill county and had spent all his life in the county excepting three years. Besides his wife he is survived by ten children, as follows: Cleveland S. of Harvard university; Arlington S. of Hopewell; Elmer J. of Oregon City; Mrs. Ruth Kirkwood of Hopewell; Mrs. Jennie Bush, Hazel, Margaret, Beatrice and Pauline, all living at the home in Amity. He is also survived by four grandchildren, besides three brothers and eight sisters.

Arthur West Of Portland Dies As Result Of Fall

Portland, Jan. 8.—Arthur West died today as a result of falling from a boat to the dock, 20 feet below at the plant of the Williamson Iron and Steel works yesterday.

After hitting the dock, West rolled until he went over the side dropping thirty feet more, and landing on a log in the river.

He was so exhausted he did not move. Otherwise he would have fallen into the river and drowned. Workmen rescued him with a rowboat but death finally claimed him today.

West was very prominent when Zion City, Illinois, was at its height. His father was mayor and his five sons held most of the big public jobs there.

George Barner, a former member of the Centralia school board, was on the steamer Northern Pacific when the steamer went aground on Fire Island.

A CHILD DOESN'T LAUGH AND PLAY IF CONSTIPATED
 If Peevish, Feverish And Sick Give "California Syrup Of Figs."

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't sleep or eat naturally, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup Of Figs" for children's ills; give a teaspoonful, and in a few hours all the foul waste, sour bile and fermenting food which is clogged in the bowels goes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative" and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child to-morrow; but get the genuine. Ask your druggist for a bottle of "California Syrup Of Figs" then look and see that it is made by the "California Fig Syrup Company."

SAILINGS ANNOUNCED BY WAR DEPARTMENT

Troop Ships From Across Seas Due Home Some Time Next Week.

Washington, Jan. 8.—Departure of several vessels with troops for the United States was announced by the war department today as follows:

Municipal Business In Frisco Honors Roosevelt

San Francisco, Jan. 8.—All street car service, automobile traffic, and all municipal service ceased work at 9:45 this morning for a period of two minutes in respect to the memory of ex-President Roosevelt.

In a proclamation issued yesterday Mayor Rolph requested all citizens of private and business life to join in the tribute to Roosevelt.

ESTABLISHED NEW RECORD

Cleveland, Ohio, Jan. 8.—Eric Springler, aviator, accompanied by Mechanic Ernest Longchamp, yesterday established a new world record for speed when he flew from Dayton to Cleveland in one hour and fifteen minutes. The average speed was 172 miles an hour.

LOUISVILLE DOCKS TODAY.

New York, Jan. 7.—Bringing home casual troops, former prisoners, in German camps and some convalescents the transport Louisville docked today.

"I'LL PRAISE IT THE LONGEST DAY I LIVE"

Mrs. Robbins Restored By Tanlac After Suffering Thirty Years.

"Talking about things that help people," said Mrs. P. H. Robbins of 1440 South 14th street, Omaha, Neb., in an interview recently, "Tanalac is doing more good than any medicine I have ever known in my time, and I'm past 60 years of age.

"In 1889, nearly 30 years ago now," she continued, "when laryngitis first came along and so many people were having it, I had an attack of it myself and have had it in some form or other from once to twice a year ever since. The first spell left me in a badly weakened condition and I would no sooner recover from one attack than I would be pulled down again. The doctors at that time called it 'rheumatic grippe' and I had aches and pains all through my body, in all my limbs and muscles. Three years ago I had one of these spells, which was so severe that they took me to the hospital, and I nearly died. I had the worst headaches it seems anyone could have and I was badly run down and faintly weak. I couldn't sleep well for all those 30 years.

"My appetite was poor, I lost 30 pounds in weight and just had to drag myself around. I was hardly ever without some kind of an ache or pain, and the past spring I was in such a bad fix that we couldn't keep house, so I went to my daughter's. My husband wanted to board and where he boarded he heard of a remarkable case like mine, that had been relieved by Tanlac.

"Then he went straight to Sherwin & McConnell's drug store and got two bottles, one for me and one for my husband, as he was in very bad health, too. Well, I showed some improvement on the first bottle and kept on getting better slowly. My appetite came gradually, and my strength came back a little each day. My aches and pains wore away and I got to sleeping better. When we would see one bottle getting low we would hurry to get another and since I finished my sixth bottle I'm feeling better and more like myself than I have in years. With all the sickness and 'flu' epidemic that's going over the country I'm feeling stronger and better than I ever did. We are keeping house again now, and I eat well, sleep well, do all my housework and feel fine all the time. I am taking Tanlac with the Tanlac Tablets again now to keep in shape for the winter and has done so much for my husband and me that I will praise it the longest day I live."

Tanalac is sold in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Geoch, in Gervais by John Kelly, in Turner by H. P. Cornelius, in Woodburn by Lyman H. Shorey, in Salem by Dr. S. C. Stone, in Silverton by Geo. A. Steelhammer, in Gates by Mrs. J. P. McCurdy, in Stayton by C. A. Beachamp, in Aurora by Aurora Drug Store.
