Use Soothing Musterole Arthur H Hardy, Plint Mich

James W Kinenide, Lenoir N C

When those sharp pains go shooting through your head, when your skull seems as if it would split, just rub a little Musterole on your temples and seck. It draws out the inflammation, soothes away the pain, usually giving quick relief.

Musterole is a clean, white ointment, made with oil of musterd. Better than a mustard plaster and does not blister.

Many doctors and nurses frankly recommend Musterole for sore throat, bronchitis, croup, stiff neck, asthme, neuralgia, congestion, pleurisy, rheumatism, tumbago, pains and aches of the back or ointa, sprains, sore muscles, bruises, William P Odom, Benett Creek Va Matthew Ramsey, Jackson Pa William E Rawlings, Peckville Pa Earl Scott, Dallas Tex Frank S Sliejkowski, Chiengo coints, sprains, sore muscles, bruises, chilblaina, frosted feet—colds of the chest (it often prevents pneumonia). It is always dependable.
