California Legislature To Correct Alleged Abuses Sacramento, Cal., Jan. 8.—Alleged abuses affecting Alaska fishermen will be placed before the California legislature for correction.

State Labor Commissioner McLaughlin is here today prepared to fight legislation that will prevent the practice of attaching the pay of salmon fishermen for many "expenses." McLaughlin is not optimistic, and fears the legislature will pass up so called "class legislation" in their haste.

WOMEN SEATED TODAY IN G.O.P. INNER COUNCIL

Two Women Held Proxies Of Committeemen—Taking Their Places.

Chicago, Jan. 10.—Women participated today on an equal footing with men in the deliberations of the inner council of the republican party.

When the republican national committee went into executive session, two women, holding proxies of male committeemen, were in their seats. According to National Chairman Hays, never before has a woman been seated in a national committee meeting.

The women who overtook precedent were Mrs. Garrett Hay, New York, who held the proxy of Committeeman Gunder Olson, North Dakota, and Mrs. Josephine Corliss Preston, Olympia, Wash. who held the proxy of Committeeman Walker of her home state.

It was expected that resolutions would be passed by the committee asking congress to name a day late in this month on which the death of Theodore Roosevelt would be observed nationally.

Seating of new committeemen and hearing of a contest for the Louisiana seat was the first business before the meeting.

Establishment of a permanent memorial to Theodore Roosevelt was recommended in the first resolution before the committee. Chairman Hays broached the subject.

Memorial resolutions for Roosevelt and for his former vice president, Charles Warren Fairbanks, were ordered prepared.

The committee reiterated its appeal to congress for passage of the suffrage amendment. A postscript urged immediate ratification by legislatures when the time comes.

Negro ministers of New Jersey submitted an appeal to end all race discriminations. Attention was called to lynchings of the past year. A committee was appointed to investigate.

The committee conferred on Chairman Hays power to appoint committees and transact business while it is not in session.

Hays Opened Meeting.

Chicago, Jan. 10.—Will H. Hays chairman of the republican national committee, opened the committee meeting today with prayer.

With members standing reverently the chairman uttered an extemporaneous supplication.

It was a brief plea for divine guidance in the impending deliberations.
