## DO AWAY WITH INDIGESTION

How to Purify a Sour, Distressed Stomach in a Few Minutes

Let us talk plain English: let us call a spade a spade. Let us tell the truth and say that if you are constantly distressed after meals, if you belch gas and sour food comes up in the mouth, then your stomach is in a rancid condition and should be purified and put in good shape at once.

Your food ferments and your stomach isn't strong enough to digest the food you put into it, so the food sours and forms poisonous gases, and when it does leave your stomach it has not furnished proper nourishment to the blood, and has left the stomach in a filthy condition.

Take Mi-o-na stomach tablets if you want to change your filthy stomach to a healthy, clean, purified one. So strong is our faith in the value of Mi-o-na, we authorize our dealer to cheerfully refund your money if Mi-o-na fails to relieve your indigestion, rid you of dizziness, biliousness and sick headache.

If you want to make your stomach so strong that it will digest a hearty meal without distress, and you want to be without that drowsy, all tired out feeling, take Mi-o-na stomach tablets. No matter how miserable your stomach feels, Mi-o-na should give you prompt relief. For sale by D. J. Fry and all leading druggists.

## Colonel House Reported Improving This Morning

Paris, Jan. 14.—Colonel House, after spending an uncomfortable night, was reported to be better this morning. He was still confined to his bed.

The above dispatch, filed in Paris at 2:40 this afternoon (French time) proves conclusively the falsity of the rumor of Colonel House's death.

The Prince of Wales was the guest Saturday of Major General Muir, commander of the Fourth United States army corps at Coblenz.

Premier Lloyd-George has been asked that permission be granted to erect a memorial tablet to Theodore Roosevelt in the Hall of Heroes, Westminster Abbey.

**PLEASANTVIEW NOTES.**

(Capital Journal Special Service.)

Pleasant View, Jan. 14.—Pleasant View school is fortunate in not having to be dismissed for the influenza. There have been no real cases of the disease in the immediate community. The attendance at the school is good.

Misses Elsie and Laura Wilson have returned after a few days illness in the family.

The holiday season was duly observed with presents and games for the children and a presentation of the need for food and other supplies by the people overseas.

Mr. Cook, with his wife and son of Eastern Oregon visited his father, F. M. Cook, and sisters and brothers for the New Year.

Alva Neal just home from the army was visiting his grandfather, F. M. Cook and other relatives in the neighborhood.

E. J. Miller is building an addition to his poultry house.

Rev. G. C. Russell of Marion, a carpenter, is doing the work.

Mr. Wilson bought another horse. He will haul railroad ties to Jefferson for the sawmill located near the Parish Gap. The only war baby in our neighborhood, Little Miss Logan, a granddaughter of Mr. and Mrs. Bales, is getting along fine. Its daddy is in a cantonment in the east.

We hear of quite a good deal of sickness this winter. No wonder when we think of the freezing weather we have been having. Even some of the late fall sown grain looks sick. We miss the Oregon rain.

## GRANDMA NEVER LET HER HAIR GET GRAY

Kept Her Locks Youthful, Dark And Glossy With Common Garden Sage And Sulphur.

When you darken your hair with Sage Tea and Sulphur, no one can tell, because it's done so naturally, so evenly. Preparing this mixture, though, at home is messy and troublesome. At little cost you can buy at any drug store the ready-to-use preparation, improved by the addition of other ingredients called "Wyeth's Sage and Sulphur Compound." You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning all gray hair disappears, and, after another application or two, your hair becomes beautifully darkened, glossy and luxuriant.

Gray, faded hair, though no disgrace, is a sign of old age, and as we all desire a youthful and attractive appearance, get busy at once with Wyeth's Sage and Sulphur Compound and look years younger.
