APPROPRIATION FOR SOLDIERS CUT DOWN

Senate Thought Hundred Thousand Dollars Was Sufficient To Cover Need.

Although the house was so well satisfied with the bill providing that \$250,000 should at once be available to help soldiers and sailors who were in need, the senate thought the sum too large for immediate use.

As soldiers and sailors who are in emergency bill to relieve conditions especially in Portland, the house concurred in the amendment and by 5 o'clock the governor had signed. It is understood that should there be need of more money, the senate is willing to pass the necessary legislation.

As soldiers and sailors, who are in need of help are making Portland their headquarters, the governor appointed the commission of five to handle the money. W. B. Ayre, chairman; John H. Burghard, Harry Anderson, James A. Cranston and John H. Stevenson, all of Portland.

As the bill is now a law and operative, it is understood that any soldier or sailor who will make affidavit that he is in need and requires money for the immediate present and who can convince the commission of his needs will receive financial help.

HAD SUFFERED FOR FOURTEEN YEARS

Couldn't Lift An Arm Or Leg From Bed—Tanic Restores Health.

"I wish I could have found Tanic fourteen years ago," said William D. Lawrence, who lives at 417 East 30th street, Tacoma, Wash., a few days ago.

"I have suffered all the pangs of inflammatory rheumatism just that many years," he continued, "and many times I have been in such pain and misery I would almost wish I could die and end it all. My whole body was racked with pain nearly all the time, and I would get terribly swollen all over, sometimes my feet would swell so bad I couldn't get my shoes on.

The swelling and pain would come so suddenly in my feet at times that I would have to cut the strings in my shoes so I could get them off real quick. I was so bad off at one time that I was flat on my back for two or three months on a stretch, and couldn't raise an arm or leg all during that time, and every part of my body just ached with pain all the time. I went night after night without a minutes sleep, just had to lie there and suffer.

"I tried everything I could get my hands on, thinking I would get something that would do me some good, but nothing seemed to help me very much. I thought a change might do me some good, so I came to Tacoma a short time ago, and when I got here I heard a great many people talking about the good Tanic had done them, and I thought I would try it out myself. Well, sir, it began to overcome my trouble right away. I am practically free from those terrible rheumatic pains now, and all that swelling is a thing of the past, and in fact, all that fourteen years of misery seems to be over. I sleep like a log and am gaining both in weight and strength every day. I never lose a minute from my work now, put in full time every day, and just feel good all the time. It sure is great to be in such fine shape after fourteen years of agony. I don't believe there is another medicine in the world equal to Tanic."

Tanic is sold in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Gooch, in Gervais by John Kelly, in Turner by H. P. Cornelius, in Woodburn by Lyman H. Shorey, in Salem by Dr. S. C. Stone, in Silverton by Geo. A. Stuelhammer, in Gates by Mrs. J. F. McChordy, in Stayton by C. A. Beachamp, in Aurora by Aurora Drug Store. (Adv.)

EVEN CROSS, SICK CHILDREN LOVE SYRUP OF FIGS

If Feverish, Bilious, Constipated, Give Fruit Laxative At Once.

Don't spoil your fretful, peevish child. See if tongue is coated; this is a sure sign of little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again.

Children love this harmless "fruit laxative," and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy, mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages, and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.
