

THE WAY TO USE VAPORUB FOR SPANISH INFLUENZA

The Influenza Germs Attack The Lining Of The Air Passages. When VapoRub Is Applied Over Throat And Chest, The Medicated Vapors Inhaled Loosen The Phlegm, Open The Air Passages And Stimulate The Mucous Membrane To Throw Off The Germs.

Most authorities now agree that what we call Spanish influenza is simply the old-fashioned grip, which was epidemic here in 1889-90.

There is no cure or specific for this disease, but nature will throw off the attack, if only you conserve your strength. A competent physician should always be called. The use of VapoRub does not interfere with any internal treatment and it is now being used by broad-minded physicians everywhere.

HOW TO AVOID THE DISEASE Evidence seems to prove that Spanish influenza is a germ disease, spread

principally by human contact, chiefly through coughing, sneezing or spitting. So avoid persons having colds—

KEEP FREE FROM COLDS Above all, avoid colds, as colds irritate the lining of the air passages and render them much better breeding places for the germs.

Use Vick's VapoRub at the very first sign of a cold. For a head cold, melt a little VapoRub in a spoon and inhale the vapors, or better still, use VapoRub in a benzoin steam kettle.

NOTE—Vick's VapoRub is the discovery of a North Carolina druggist, who found how to combine, in salve form, Menthol and Camphor with such volatile oils as Eucalyptus, Thyme, Cloves, etc., so that when the salve is applied to the body heat, these ingredients are liberated in the form of vapors.

Without the slightest harmful effects.

Soldier Boy Returns Home From France (Capital Journal Special Service.) Turner, Or., Jan. 17.—Ralph Jacobs came home last Wednesday on a two weeks' furlough from the base hospital at Camp Lewis. Ralph was seriously wounded last May and has been in hospitals the entire time, being made into a new man. Ralph says no place ever looked so good to him as the old home here.

Moore Bros. Store. The general merchandise store building on the corner of Second and C streets that has been empty since August is being overhauled getting ready for the public in the near future.

Ollie Knight and Roy Harris, two Turner boys, are in the Vancouver hospital with the flu. Mervin Pearson celebrated his 9th birthday Monday evening with a dinner party.

Mrs. Guy Brown expects to move to Salem in the near future. Mr. and Mrs. V. D. C. Beach, newly weds from Portland, are spending their honeymoon on the old home farm of the Beaches near Turner.

The city council met and organized this week. Ben E. Robertson is the new street commissioner. John M. Watson Jr. is back at school at Eugene.

Mrs. Blanche Connor was shopping in Salem Wednesday. John M. Watson Sr. came down from Sweetwater, Idaho, last week to attend to business affairs and expects to go back up to Idaho again in a few weeks.

Mr. and Mrs. W. T. Riches received a telegram announcing the arrival of a new daughter, Jan. 13 at the home of Mr. and Mrs. W. J. Robinson in Spokane, Wash. Mrs. Robinson was formerly Mrs. Gladys Riches, a teacher in the Oregon public schools.

No new cases of flu are being reported. So it is hoped that Turner will be able to continue the school. Mrs. Guy Hassler and small son arrived Wednesday morning from Berkeley, Calif., to visit her husband's brother.

Grandmother kept her hair beautifully darkened, glossy and attractive with a brew of Sage Tea and Sulphur. Whenever her hair took on that dull, faded or streaked appearance, this simple mixture was applied with wonderful effect. By adding at any drug store for "Wyneth's Sage and Sulphur Compound," you will get a large bottle of this old time recipe, improved by the addition of other ingredients, all ready to use, at very little cost.

A well known downtown druggist says everybody uses Wyneth's Sage and Sulphur Compound now because it darkens so naturally and evenly that nobody can tell it has been applied—no so easy to use, too. You simply dampen a comb or soft brush and draw it through your hair, taking one strand at a time. By morning the gray hair disappears; after another application or two, it is restored to its natural color and looks glossy, soft and beautiful.

Frank M. Porter was in Turner a few days this week from Cassen Ore. Mr. and Mrs. Frank Becker were overnight visitors in Turner this week en route home from the coast where they had been by the bedside of Percy Lytle. Percy has been seriously ill with the flu but is much better. Mr. and Mrs. Wm. Lee McCaleb of Arlington, Oregon, returned home Tuesday after a week's stay at "Barra." M. Harris has been confined to his bed by an attack of heart trouble. Eugene Haseget is the victim of poison. Irvin Putnam has been confined to his home with a bad cold and rheumatism.

SCOTT'S MILLS ITEMS (Capital Journal Special Service.) Scotts Mills, Jan. 17.—Although there are a few cases of influenza reported in our town there is no serious development yet of this dreaded plague. O. J. Frazier of Portland visited with relatives here last Saturday evening and Sunday. Miss Hazel Koeler of Salem visited with relatives last Sunday and Monday. Mrs. Olive Myers of Rainier is visiting Mr. Bartholomew and W. L. Taylor this week.

Mrs. Fred Howe received the sad news Thursday of the death of her sister, Mrs. Minnie Miller. Mr. Miller was also very sick. The Millers live near Fruitland. F. C. Harris returned from Greenleaf Idaho, Wednesday evening, where he had gone to see a brother who had been seriously hurt by gravel falling in on him while digging a ditch. The brother is slowly recovering from his injury.

W. L. Taylor is quite sick. The doctor says there are no symptoms of influenza. Mr. and Mrs. Rich have returned from their wheat ranch near Rosalia, South Dakota. Mr. Rich has a prune orchard here. Dan and Will Lawrence have written that they hope to come home soon. Will is in Belgium and Dan is in France.

Mrs. Phillips has been quite sick with pneumonia but is some better at present. L. J. White was taken seriously ill a few nights since with heart trouble. A doctor was summoned and he was somewhat relieved by morning but is not able to be out at present. Mr. and Mrs. F. C. Harris are enjoying a visit from Mr. Harris' sister, of Greenleaf, Idaho.

The immediate withdrawal from Montenegro of all the Italian troops is demanded by the Montenegrin national assembly. An agreement for control of the Trans-Siberian and Chinese Eastern rail roads by an inter-allied committee has been concluded. The plan includes the appointment of John F. Stevens as president.

THIN PEOPLE SHOULD TAKE PHOSPHATE Nothing Like Plain Nitro-Phosphate to Put on Firm, Healthy Flesh and to Increase Strength, Vigor and Nerve Force

Judging from the countless preparations and treatments which are continually being advertised for the purpose of making thin people fleshy, developing arms, neck and bust, and replacing ugly hollows and angles by the soft curved lines of health and beauty, there are evidently thousands of men and women who keenly feel their excessive thinness.

Thinness and weakness are usually due to starved nerves. Our bodies need more phosphate than is contained in modern foods. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as nitro-phosphate, which is inexpensive and is sold by most all druggists under a guarantee of satisfaction or money back.

By feeding the nerves directly and by supply the body cells with the necessary phosphoric food elements, nitro-phosphate quickly produces a welcome transformation in the appearance; the increase in weight frequently being astonishing.

This increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness and lack of energy, which nearly always accompany excessive thinness, soon disappear, dull eyes become bright, and pale cheeks glow with the bloom of perfect health.

CAUTION—Although nitro-phosphate is unsurpassed for relieving nervousness, sleeplessness and general weakness, it should not, owing to its remarkable flesh growing properties, be used by anyone who does not desire to put on flesh.

GAS IN THE STOMACH IS DANGEROUS

Recommends Daily Use Of Magnesia To Overcome Trouble.—Caused By Fermenting Food And Acid Indigestion.

Gas and wind in the stomach accompanied by that full, bloated feeling after eating are almost certain evidence of the presence of excessive hydrochloric acid in the stomach, creating so-called "acid indigestion."

Acid stomachs are dangerous because too much acid irritates the delicate lining of the stomach, often leading to such ailments as indigestion, flatulence, gastritis, food fermentations and sour, creating the distressing gas which distends the stomach and hampers the normal functions of the vital internal organs, often affecting the heart.

It is the worst of follies to neglect such a serious condition or to treat with ordinary digestive aids which have no neutralizing effect on the stomach acids. Instead get from any druggist a few ounces of Bisulphated Magnesia and take a teaspoonful in a quarter glass of water right after eating. This will drive the gas, wind and bloated right out of the body, sweeten the stomach, neutralize the excess acid and prevent its formation and there is no soreness or pain. Bisulphated Magnesia (in powder) or tablet form—never liquid or milk) is harmless to the stomach, inexpensive to take and the best form of magnesia for stomach purposes. It is used by thousands of people who enjoy their meals with no more fear of indigestion.

Teachers' Association Favors Minimum Wages A committee from the Oregon State Teachers association met here today to discuss proposed school legislation, and among the bills they will favor will be one fixing minimum salary for teachers at \$75 a month and another to re-peal the county high school fund law.

The educators favor the county high school tuition law, such as is operated in Marion county where a tax is levied in the districts which do not have a standard high school to pay the tuition of students who go from those districts to others, which have a standard high school.

Charles W. Washburne, pioneer banker and farmer, died at Junction City Monday night, aged 95 years. He had spent 65 years in Lane county.

Soldiers Of France In Greatest Of World's Sacrifice Soldiers of France have led in the world's sacrifice of blood and treasure that liberty and democracy should not perish from the earth.

The world will forever owe France a debt of gratitude for this as well as for an invaluable remedy for stomach, liver and intestinal disorders which its peasants have been using with reported marvelous results.

The ingredients are now imported and sold in this country by Geo. H. Mayr, prominent Chicago chemist, under the name of Mayr's Wonderful Remedy. It is a simple, harmless preparation that removes catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convalesce or more refunded. J. C. Peery, Capital Drug Store, and druggists everywhere.
