

Forty Five Years of Success
The astonishing Record of
PERUNA

Not a cure-all, but a rational remedy for catarrh and all inflammation and congestion of the mucous membranes.

Catarrh attacks the mucous linings, in any organ, in any part of the body. It is not, as some imagine, confined to the nose and throat, although nasal catarrh is the most common form and afflicts many people.

Unchecked catarrh soon breaks down the tissue and destroys the organs or part. Evidence of the ravages of catarrh are all around us. Without desire to frighten anyone, we say: "Guard yourself against catarrh as you would against the dread plague. Fortify your system. Take Peruna."

INSPIRING WORDS FOR THE SICK FROM THOSE WHO KNOW.

A Good Medicine in the Family.
I had a bad case of LaGrippe and could get no relief. Peruna cured me. It is a fine medicine. We often use it in the family and find it good.

FEELS LIKE A DIFFERENT PERSON.
Peruna has cured my stomach and I feel like a different person. I only took twelve bottles of Peruna and can eat anything without distress, something I have not done for fifteen years.
I recommend Peruna to everybody suffering with catarrh of the stomach.

SOCIETY
By GERTRUDE ROBISON

Portland has become the Mecca of music lovers this week. Miss Beatrice Shelton and Mrs. Walter Denton left this morning to attend the matinee "Romeo and Juliet." With them went three of Miss Shelton's pupils, Miss Ruth Bedford, Miss Bertha Vick and Miss Lyla Burnauch. They will be joined this evening for the performance of the ever-loved "Aida" by Miss Theima Blessing and Miss Sara Minsemier, also pupils of Miss Shelton.

The P. E. O. Sisterhood will meet tomorrow afternoon at the home of Mrs. William McGilchrist, Sr., on South Commercial street.

Professor Finley, renowned because of his marvelous studies of bird life in Oregon, gave an illustrated lecture last evening in the house of representatives. Mr. Finley is unrivaled in the knowledge and understanding of his subject, and his address last evening was one of intense interest to all nature lovers.

Frank E. Sanders is among the many Salem folk who are Portland visitors today, taking in the San Carlo grand opera.

The graduating class of Sacred Heart academy left this morning for Maryhurst to be present at the ceremony this afternoon in which one of the class of '18, Miss Anna Berndorfer, will take the veil. The graduates, Miss Clara Winkler, Miss Blanche Gibson, Miss Katherine Duranleau and Miss Marie Russell, by dint of hard study and extra classes on Saturdays and holidays, hope to make up the time they have lost during the enforced holidays, and receive their diplomas in June.

Professor and Mrs. T. S. Roberts left this morning for Portland to attend "Romeo and Juliet" at the Helix.

Madame Winnifred Lugin Fahy, who is to be the soloist at the Apollo club concert Friday evening, is being elaborately entertained during her stay in Portland. Mrs. Fahy is one of the most finished singers who have ever visited Oregon and is winning golden opinions at every concert she gives. Her appearance at the Apollo club concert will be an event of pronounced importance in musical circles of the city.

Mrs. Paul Hauser was hostess at an afternoon entertainment last Saturday given in honor of Mrs. Lloyd Hauser of Eugene. Mrs. Hauser, who was a former resident of Salem has returned to her home in Eugene after a brief visit here.

Mrs. J. S. Austin and daughter, Florence, are attending grand opera in Portland today.

Mr. and Mrs. R. W. Craig entertained with a delightful party, Monday evening, at their home on Court street. Professor and Mrs. T. S. Roberts and Mr. and Mrs. Ralph Johnson being the guests.

The Women's Social Circle of the Central Congregational church, were the guests, this afternoon, of Mrs. H. C. Stover at her home on South Nineteenth street.

Charles K. Spaulding of Salem, is one of the prominent out of town guests at the Imperial hotel in Portland.

Among the important visitors at the legislature the first of the week, was a delegation of prominent Portland dentists, representing the State Pharmaceutical association.

Carl Schulderman and his family are among the Salem guests at the Multnomah hotel in Portland.

Mrs. Richard Purdue and little son left Monday evening for Lawton, Oklahoma.

Mrs. Jacob Gray Camm and small daughter, Carolyn, are spending ten days with Mr. and Mrs. J. W. Woodruff at the Kamm country home, south of Salem. Mr. Kamm will motor down for them next Sunday.

ABLE TO GO DOWN TOWN FIRST TIME IN MANY MONTHS
Mrs. Cox's Improvement Since Taking Tania proved A Grand Surprise.

"It surely is a Tania neighborhood out where I live, for most everybody I know is taking it with fine results," recently said Mrs. Flora Cox, of 1135 Vernon Ave., N. E., Portland, in telling of her interesting experience with the famous medicine.

"I was in such a bad state of health," continued Mrs. Cox, "that for the last three years I was hardly able to go out anywhere at all. Soon after eating anything I would have a stuffy feeling like my stomach was filled with gas, and often during the night my heart would beat so hard and fast I would simply have to gasp for breath, and sometimes when going about the house, I would get so dizzy and feel so faint and weak that I wouldn't dare stoop over because I was afraid of falling. My nerves were so upset that I just couldn't stand any noise or excitement, and I would lie awake night after night listening to the ticking of the clock and feeling like I would go distracted if I didn't get some sleep or rest. My joints would swell and ache with rheumatism till I could hardly stand the agony, and I would have such terrible nervous headaches, that many a time I felt like I would be better off dead than alive. Medicines did me no good and I felt so lifeless it was all I could do to drag myself around and I had almost given up hope of ever getting well.

"Well, now to show what Tania has done for me, my nerves are quieter, I have gotten entirely over those terrible headaches and I sleep all night like a baby. That rheumatism is almost gone, and I am so much stronger now that I do a lot of work that I didn't dare attempt before. Why just last week I went up town to do some shopping and it was the first time in many months that I had been able to get that far from the house and I was mighty glad to be able to walk around town again. I expected to get back home tired to death and ready to drop; but the way I kept up was a grand surprise not only to me but to my friends as well, for I hardly felt the exertion at all, I have gotten all this wonderful improvement from only four bottles of Tania, and I am going to keep on taking it as long as it continues to help me like it has and is still doing, for I just can't afford to miss a single dose."

Tania is sold in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Gooch, in Gervais by John Kelly, in Turner by H. P. Cornelius, in Woodburn by Lyman H. Shorey, in Salem by Dr. S. C. Stone, in Silverton by Geo. A. Steelhammer, in Gates by Mrs. J. P. McCurdy, in Stayton by C. A. Meuchamp, in Aurora by Aurora Drug Store, in St. Paul by Groceries Stores Co. Inc., and in Donald by M. W. Johnson.

PRISONERS HAD SCHOOL
London, Jan. 18.—(By mail.)—Many civilians who have been interned in Austria are arriving in London.

While they have many tales to tell of their hardships, they say their were not so badly treated as those interned in Germany. Many were allowed to continue their occupations in Vienna, others being sent to country villages. Only those who were destitute were interned in prison camps.

At the village of Karlstein civilians of all nationalities who were interned organized a "university"—any man teaching any subject he knew well. Here they were able to study motor engineering and torpedo construction, and they also had an excellent opportunity for learning various languages.

The German army is said to be practically back on a peace-time basis.

All Choked Up With Catarrh?
Why Continue Makeshift Treatment?

Sprays and douches will never cure you.

Catarrh is annoying enough when it chokes up your nostrils and air passages, causing painful and difficult breathing and other discomforts. But the real danger comes when it reaches down into your lungs.

This is why you should at once realize the importance of the proper treatment, and lose no time experimenting with worthless remedies which touch only the surface. To be rid of Catarrh, you must drive the disease germs out of your blood.

Splendid results have been reported from the use of S. S. S., which completely routs from your blood the Catarrh germs, for which it is a perfect antidote.

S. S. S. is sold by all druggists. If you wish medical advice as to the treatment of your own individual case, write today to Chief Medical Adviser, Swift Specific Co., Dept. B, Atlanta, Ga.

SENATE VIEWS SALARY
(Continued from page one)

Senator Peterson of Polk county is preparing to wage a fight on them, and if he cannot defeat them at least force on a clause referring them to a vote of the people in the districts affected. He will have the support of other senators, so there is going to be something doing when these salary increases come up.

Postponed Bill 116.
This morning the senate indefinitely postponed senate bill 116, which provided for the holding of school elections at the same time as the regular general election. The judiciary committee reported unanimously against the bill.

A big fight may be looked for in the senate at 2 o'clock tomorrow afternoon, when senate bill 4, by Huston, will come up for consideration with a divided report from the committee on revision of laws. The bill was made a special order for that hour.

The purpose of the bill is to take from the public service commission authority to change rate agreements of public utilities which were made with municipalities prior to November, 1912, when the public utilities law went into effect.

A majority report of the committee, favoring the bill, is signed by Senators Huston, Pierce, Shanks and Strayer, while a minority report, opposed to the bill, is signed by Senators Eddy, Banks and Orton.

Senator Orton introduced a resolution

probably will use its financial resources to help nations. But the American people should understand that in pledging this nation to the support of the league, President Wilson did not bind them to assume the money burdens of every needy nation.

President Wilson will never consent to the use of American military power, permanently or to any great degree, to make the league a fact.

"The big navy which Maurice says is essential to arm the league for exerting economic pressure may be used for that purpose if at any time circumstances should arise which would make it necessary. Should the league

never used the cells for punishment purposes. "These cells are a disgrace," said Mrs. Thompson who is on the ways and means committee. "It is our duty to suggest to the board of control the removal of these cells." Mr. Kubli thought otherwise. "I don't know it hurts a boy to be put in a cell over night. If a boy 17 years old steals an auto or is a thief, I don't think he should be coddled and put in a parlor." The state lime board and the state lime plant came in for some rapid fire remarks from Senator Lachmund and Representative Kubli. Kubli said: "The state lime plant costs the state more money than if it had given time wanted to every farmer in the state. I don't say: "I'm not much impressed with the business at the lime plant." Lachmund said: "Shut it down." Representative Brand was in favor of giving the plant a chance to redeem itself and the committee appropriated \$10,000 to get it out of debt and put it in running order this fall.
