TELL THE WORLD THIS WOMAN SAYS

That Lydia E. Pinkham's Vegetable Compound made Me a Well Woman.

Los Angeles, Cal.--"I suffered with female troubles for years, was sick most of the time, was not able to do my own housework, and I could not get help from doctors. I saw Lydia E. Pinkham's Vegetable Compound advertised in the newspapers, and took six bottles, and am a well woman. You can use my name to tell the world the good your medicine has done me as I shall praise it always."--Mrs. A. L. DeVine, 647 St. Paul Avenue, Los Angeles, Calif.

Women who suffer from any form of weakness, as indicated by displacements, inflammation, ulceration, irregularities, backache, headaches, nervousness or "the blues," should do as Mrs. DeVine did, and give Lydia E. Pinkham's Vegetable Compound a thorough trial. For over forty years this famous remedy, which contains the curative, strengthening properties of good old fashioned roots and herbs, has been correcting just such ailments. If you have mysterious complications write for advice to Lydia E. Pinkham Medicine Co., Lynn, Mass.

By reason of being dependant or without means no boy shall be committed to the state training school for boys. This is the substance of a bill passed by the house. It has developed that several boys have been sent to the school just because they had no home. Representative Haines said he found several there and the bill was introduced to prevent such things.

Oakland Boilermakers Strike At 10 A. M. Today

Oakland, Cal., Feb. 6.--Twenty-five hundred Oakland boilermakers struck at 10 a. m. today to enforce their demands for increased wages. They ask higher pay than that given by the Maye ward.
The strikers include drillers, burners, welders, plate haulers and crane men from East Bay yards. The yards will be tied up in two days.
The men ask that they be granted full mechanic ratings which would cause increases in their wages. Under such conditions their wages would be higher than those granted by the Maye ward.
Thirty-nine boys and girls of Columbia county are entitled to achievement pins for their success in war gardens. Austin Rull of Deep River heads the list with a profit of \$77.83 on his garden.

SALTS IF KIDNEYS OR BLADDER BOTHER

Harmless To Flush Kidneys And Neutralize Irritating Acids--Splendid For System.

Kidney and bladder weakness result from uric acids, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.
Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days.
