How that leg itched—you scratched it till the blood come. Having tried sarious treatments without success, your doctor advised Resinol Ointment—and then came glorious relief. Scratching like this sometimes leads to dangerous infection—blood poisoning. If your skin burns, itches, has a tendency to break out in little sores—don't scratch—that makes it worse—get speedy relief with Resinol Ointment. It seldom fails to clean up a trouble such as this.
