REPORT MANY CASES OF RHEUMATISM NOW Says We Must Keep Feet Dry, Avoid Exposure And Eat Less Meat. Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly, cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness soreness and pain called rheumatism. At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities. Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism.

DO AWAY WITH INDIGESTION

How to Purify a Sour, Distressed Stomach in a Few Minutes. Let us talk plain English; let us call a spade a spade. Your food ferments and your stomach isn't strong enough to digest the food you put into it, so the food sours and forms poisonous gases, and when it does leave your stomach it has not furnished proper nourishment to the blood, and has left the stomach in a filthy condition. Take Mi-o-na stomach tablets if you want to change your filthy stomach to a healthy, clean, purified one. If Mi-o-na fails to relieve your indigestion, rid you of dizziness, biliousness and sick headache your dealer will cheerfully refund your money. If you want to make your stomach so strong that it will digest a hearty meal without distress, and you want to feel without that drawl, all tired out feeling, take Mi-o-na; it should give you prompt relief. For sale by J. C. Perry and all leading druggists.

LUMBER PRICES GO DOWN

San Francisco, Feb. 12.—The cost of lumber (obtagoned Monday. Wartime prices went into the discard with a rush when the lumber dealers of San Francisco announced a 20 per cent top-off in the price of all lumber used in ordinary building construction. At the headquarters of the lumbermen, it was stated that the reason for the drop in prices is the desire of the dealers to encourage a revival of the building industry and conserve the mutual interests of owners, builder and dealer. The further announcement is made that the prices fixed today are as low as they can ever be under existing conditions.

GRAY HAIR BECOMES DARK AND BEAUTIFUL Look Years Younger! Try Grandma's Recipe Of Sage And Sulphur And Nobody Will Know. Almost everyone knows that Sage and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which is messy and troublesome. Nowadays we simply ask at any drug store for "Worth's Sage and Sulphur Compound". You will get a large bottle of this old-time recipe improved by the addition of other ingredients, at very little cost. Everybody uses this preparation now, because no one can possibly tell that you darkened your hair, as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application or two, your hair becomes beautifully dark, thick and glossy and you look years younger.

CLEARING WEATHER PROMISED San Francisco, Feb. 11.—Clearing weather was promised today by E. A. Brink, federal weather forecaster. Benis said the strong northwest gale that is sweeping the coast will diminish by night. It was blowing 52 miles off Point Reyes this morning.
