### PAINS AND ACHES YIELD **QUICKLY TO SLOAM'S LINIMENT**

Are you tormented by Neuralgia, Lumbago, Sciatica or any of those aches that require a counter-irritant? Then let the soothing, warming appli-cation of Sloan's Liniment stop the pain by drawing the blood away from the congested part.

It is the pressure on the nerves by the blood rushing to the inflamed muscle or joint that makes you ache. So when Sloan's Liniment relieves the ewollen blood vessels by setting up a counter-irritant on the purface, the

circulation is equalized, sympathetic perves all soothed, and soreness or

nerves all soothed, and soreness or lameness disappears.

Sloan's Liniment is probably the counter-irritant most widely used to overcome painful inflammation in cases of neuralga, sore muscles, wrenched joints, strains, bruises, gout. Rubbing is not required. This clear, clean liquid is easily applied as it does not stain the skin.

### Glass of Hot Water Before Breakfast a Splendid Habit

Open sluices of the system each morning and wash away the poisonous, stagnant matter.

These of us who are accustomed to feel dull and heavy when we arise; splitting headache, stuffy from a cold, foul longue, nasty breath; acid stomach, lame back, can, instead, both look and feel as fresh as a daisy always by washing the poisons and toxins from the body with phosphated hot water

each morning. We should drink, before breakfast, a glass of real hot water with a tea-epoonful of limestone phosphate in it to flush from the stomach, liver, kid-noys and ten vards of bowels the previous day's indigestible wante sour bile and poisonous toxins; thus cleansing, sweetening and purifying the enalimentary tract before putting more food into the stomach.

The action of limestone phosphate and hot water on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast. A quar ter pound of limestone phosphate will cost very little at the drug store, but sufficient to make anyone who is bothered with biliousness, constipation stomach trouble or rheumatism a real enthusiast on the subject of internal

## GLASS OF SALTS IF YOUR KIDNEYS HURT

Eat Less Meat If You Feel Backachy Or Have Blad-der Trouble-Salts Fine For Kidneys

Meat forms urie acid which excite and overworks the kidneys in their ef-forts to filter it from the system. Reg-ular saters of meat most flush the kidular saters of meat must flush the kidmeys occasionally. You must relieve
them like you relieve your bowels; removing all the acids, waste and poison, olse you feel a dult misery in the
kidney region, sharp pains in the back
or sick headache, dizziness, your stemach sours, tongue is coated and when
the weather is bad you have rheumatic twinges. The urine is cloudy, full of
sediment; the channels often get irritated, a liging you to get up two or

tated, abliging you to get up two or three times during the night.

To neutralize these irritating neids and flush off the hedy's urinous waste get about four ounces of Jad Salts from any pharmacy; take a tablespoon-ful in a glass of water before break-fast for a few days and your kidneys will then act fine and bladder disorders disappear. This famous salts is made from the acid of grapes and Jem-on juice, combined with lithia, and has on juice, combined with lithia, and has been used for generations to clean and atimulate sluggish kidneys and stop bladder irritation. Jad Salts is inexpensive; harmless and raskes a delightful effervescoat lithia-water drink which millions of men and women take now and then, thus avoiding serious kidney and bladder diseases.
