THESE DURABLE SOLES **WORN BY MILLIONS**

"After giving Nealin Soles a thorough trial, I would not go back to the soles I used to wear even though the cost were less. I receive twice the service from shoes with Neolin Soles," writes G. P. Jones, of Omaha.

More than 10,000,000 pairs of Nealin Soles have been put on American shoes. People were quick to realize the advantages of this scientifically-made sole—its long wear, its comfort, water-proofness—and its final economy. Good shoe stores everywhere sell Neolin-soled shoes in many styles for men, women, and children.

And any repairman will re-sole your worn shoes with Nealin Soles—made by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.
