**New Books Received At The Public Library**  
"Our Navy in the War," an inspiring record of what our navy has accomplished since we entered the war, along all its lines—recruiting, outfitting, conveying and fighting, not omitting the work of the marines, related by Lawrence Perry.  
"Ambassador Morgenthau's Story," not only his own experiences but his interpretation of international questions, such as: why Turkey sided with Germany, and why the British failed to come through the Dardanelles, all told by the one who so ably represented the United States in Turkey, Henry A. Morgenthau.  
"Strikes of the War," a summary of the various problems, claim and interests of the nations at the peace table, by Lothrop Stoddard.  
"Reconstruction of Poland and the Near East," a vigorous discussion of what should and may come to Poland, and the Balkan state in the adjustment of Europe, by Herbert Adams Gibbons.  
"Wars and Treaties, 1815 to 1914," a brief summary of the war stating belligerents, cause, occasion, course, political result and remarks on the results of each, prepared by Arthur Ponsonby.  
"Foundations of National Prosperity," studies in the conservation of permanent national resources by Richard T. Ely and others.  
"Across the Continent by the Lincoln Highway," the story of a tour by automobile, descriptive of the country crossed between California and New York, told by Mrs. Effie F. Gladding.  
"The Church School of Citizenship," suggestions for instruction in good citizenship in the Sabbath school without interfering with the study of the Bible, planned by Alvan Hoben.  
"Religious Training in School and Home," suggestions for moral and religious teaching for the parent and the school teacher, by Harshey Sneath and George Hodges.  
"Vocational Education," a handbook of selections and bibliographies on the subject, compiled by Emily Robinson.  
"American Festivals for Elementary Schools," pageants on American history, art, invention and similar subjects, suggested by Madeline Barnum of the Brooklyn Training school.  
"The Golden Treasury of Magazine Verse," compiled in 1913 by William Braithwaite from the magazine publications of 1905-17.  
"La Belle-Nivernaise," a novel in French by Alphonse Daudet.  
"After," a novel of after-the-war, with a French boy who comes to America as its hero, by Frederic Ladd.  
"Camilla," a story which is a careful study of an American woman who goes to England, written by Elizabeth Robins.  
"A Daughter of Jehu," a story by Laura E. Richards.

GERMAN GOVERNMENT WARNED UNITED STATES That arming of American merchantmen would be regarded as a war-like move in Berlin, two years ago today, February 18, 1917. Find a caller. YESTERDAY'S ANSWER Upside down nose at right shoulder.

**Books At The Library For Children To Read**  
"Animal Secrets Told," a book of "whys" by Harry Chase Brecley.  
"Our Humble Helpers," all kinds of interesting things about common animals, dogs, horses, ducks, etc., which most of us have never noticed but which are worth the attention of so great a scientist as the great Frenchman, Jean Fabre.  
"The Babyhood of Wild Beasts," stories and interesting pictures of tiny bears, camels, tigers, giraffes, etc., as the author has seen and played with them, told by Georgia McNally.  
"Big Boys, or the Young Cow Punchers," a story for boys, by Edwin Sablin.  
The library is having easy for more books written in French than it has been able to supply. One thoughtful patron has offered to lend her own French books for the enjoyment of other readers. The library will in this way be able to satisfy the wishes of French readers for the present.  
The public library has recently received a valuable gift of books from D. F. Lane, M. D. The thirty-eight volumes given constitute the library of universal literature published by Collier. They are copies of standard books written by such men as Darwin, Spencer, Galois and Tyndall, books of a kind that the library can always use. The library is proud to acknowledge so helpful a gift.

**DIED AT SILVERTON**  
Henry Dahl died at his home on West Main street, Thursday afternoon at 3 o'clock, from quick consumption. Everything possible was done for the young man, but to no avail. Dr. F. M. Brooks was called from Portland Wednesday in consultation with local physicians, but no hope could be held out for his recovery.  
Henry received his honorable discharge from the army just before Christmas. Shortly after arriving at home he was taken ill, but seemed to be recovering from the first attack and was up and down town about two weeks ago. Since then he was taken suddenly worse and was confined to his home until the end came. He was the son of Mr. and Mrs. H. O. Dahl and was born in this community. Early in the summer of 1917, he was united in marriage to Miss Kreta Hicks who survives him besides his parents and brothers and sisters—Silverson Appeal.

**TURNER RESIDENT SURPRISED**  
C. A. Bear was happily surprised Sunday, the occasion being his fiftieth birthday. A company of twenty-three relatives and friends sat down to a bonny dinner. The day finished with music and the family kakak was brought into use, and all were glad there had been a birthday and left with best wishes for more such occasions. Those present were: Mrs. R. J. Stroud; Mr. and Mrs. B. C. Coyne and three children of Bessie; Mr. and Mrs. A. E. Kizer and two daughters of Salem; Mr. and Mrs. F. M. Bear; Mr. and Mrs.

**PRIVATE LINTON KILLED**  
Word has been received here that Private William Linton, of the United States marines, was killed in action in France on October 4th. The young man was a nephew of Mrs. Addie Coon, of this city and was quite well known in Dallas. He enlisted in the marine corps at Eugene in May, 1917, but did not go to France until the following February.—Dallas Itemizer.

**PHYSICALLY FIT AT ANY AGE**  
It isn't age, it's careless living that puts men "down and out." Keep your internal organs in good condition and you will always be physically fit.  
The kidneys are the most over-worked organs in the human body. When they break down, under the strain and the deadly uric acid accumulates and crystallizes look out! These sharp crystals tear and scratch the delicate urinary channels causing excruciating pain and set up irritations which may cause premature degeneration and often do turn into deadly Bright's Disease.  
One of the first warnings of sluggish kidney action is pain or stiffness in the small of the back, loss of appetite, indigestion or rheumatism.  
Do not wait until the danger is upon you. At the first indication of trouble get after the cause at once. Get a trial box of GOLD MEDAL HANSEN OIL CAPSULES, imported direct from the laboratories in Holland. They will give almost immediate relief. If for any cause they should not, your money will be refunded. But be sure to get GOLD MEDAL. None other is genuine.  
—Linton—there's ten.
