MAKE OLD SHOES WEAR LIKE NEW

"I had Neelin Soles put on my shoes—wore these shoes every day for fifteen months, then had Neelin half-soles put on. They are still in good condition," writes F. T. Evans, of Seattle, Washington.

This is cutting shoe bills down to the minimum through Neelin Soles. Anyone can do this if he will follow Mr. Evans' example, and have his shoes re-bottomed with Neelin Soles. These tough, durable soles cost no more than soles that give only ordinary wear. And all good repair shops have them.

LADIES! SECRET TO DARKEN GRAY HAIR Bring Back Color, Gloss And Youthfulness With Grandma's Recipe Of Sage And Sulphur.

Common garden sage brewed into a heavy tea, with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant. Mixing the Sage Tea and Sulphur recipe at home, though is troublesome. An easier way is to get the ready to use preparation improved by the addition of other ingredients a large bottle, at little cost, at drug stores, known as "Wyeth's Sage and Sulphur Compound," thus avoiding a lot of mess.

While gray, faded hair is not sinful we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this thru your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear years younger.

EVEN CROSS, SICK CHILDREN LOVE SYRUP OF FIGS

If Feverish, Bilious, Constipated, Give Fruit Laxative At Once.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign to little stomach, liver and bowels are clogged with sour waste. When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again.

Keep it handy, mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeits sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.
