

Women Find Clear Skin In Simple Laxative

A sense of false modesty often prevents women from admitting that many of her ills and disorders are due primarily to constipation.

But women who know themselves have learned that headache remedies and beautifiers only cover the trouble but do not dislodge it.

What is needed is a remedy to move the bowels and stir up the torpid liver. An ever-increasing number of sensible women take a small dose of a combination of simple laxative herbs with pepsin known as Dr. Caldwell's Syrup Pepsin and sold by druggists under that name.

It will save a woman from the habitual use of headache remedies, skin lotions and similar makeshifts. Once the bowels are emptied and regulated, the headache and the pimples and blotches disappear. It is the rational, natural method.

A bottle of Syrup Pepsin lasts a family a long time, and all will find use for it from time to time. Thoughtful people are never without it in the house.

The druggist will refund your money if it fails to do as promised.

PRICE AS ALWAYS

In spite of greatly increased laboratory costs due to the War, by sacrificing profits and absorbing war taxes we have maintained the price at which this family laxative has been sold by druggists for the past 35 years. Two sizes—50c and \$1.00.

Delicious refreshments were served at a late hour, the hostess being assisted by her daughter, Amelia. Salem guests enjoying Mrs. Babcock's hospitality were, Mr. and Mrs. Frank Myers, Mr. and Mrs. C. B. Webb, Mr. and Mrs. Merin Harding, Mr. and Mrs. W. W. Moore. Mr. and Mrs. Charles G. Miller and daughter, Lois, made a flying trip to Portland yesterday, returning home today.

Of note during the past week's activities socially was the luncheon and reception given by the Daughters of the American Revolution at the Multnomah hotel in Portland. One of the most important of these functions was the official luncheon given by the Portland chapter at the Multnomah Wednesday, honoring the visitors, Mrs. George Thacher Guernsey of Independence, Kan., president general, and Mrs. Frank Dexter Ellison of Belmont, Miss. About 200 of the most prominent D. A. R.s of Portland and visitors were present, and interesting talks were made. The following day the two visitors were the guests of honor for a motor trip up the Columbia highway, Mrs. Esther Allen Jones and Mrs. John A. Keating being hostesses. Considerable interest of society and musical folk centers in the concert to be given by the French army band at the armory March 5th under the auspices of Mother's club. Proceeds, after defraying expenses of the band, will go to the war mothers fund for the entertainment of returning soldiers. A long list of prominent men and women of this city will act as patrons for the affair here. The national patronesses include such distinguished personages as Meslames Woodrow Wilson, Jusserand, Countess of Reading, Robert Lansing, Josephus Daniels, Franklin K. Wilfred Bates Writes From Godesburg, Germany

Germany is a land of substitutes, according to a letter written by Wilfred Bates, who is with the Canadian engineers, to his brother the Rev. Alfred Bates of the Kimball College of theology. Mr. Bates has seen four years of service. He writes in part as follows from Godesburg, Germany, on the Rhine:

"I am still in the land of the defeated but expect soon to return to a demobilization camp in England. I hope we do not stay in France or Belgium as I have seen enough of those four countries after four years of fighting. Shall be glad to be a civilian again."

"Doubtless those who have never been in the line nor have seen a shell burst will tell the most exciting tales."

Keep Fit

To be in perfect physical condition, to be well and strong, to have energy and vigor—to keep fit—is the joy as well as the duty of every person.

If you want to keep fit, don't neglect the first symptom of kidney trouble. Act promptly at the first sign of puffiness under eyes, itching spots, backache, pain in sides, swollen or stiff joints, rheumatic pains. Drugged kidneys fail to do their work properly, and as a result waste and poisonous matter is permitted to pollute the blood stream instead of being expelled from the system.

Foley Kidney Pills

help overworked, weak or drugged kidneys and bladder by their tonic, invigorating, healing action. They are made of the purest and best medicines procurable and are compounded in strict conformity with National and State pure food drug laws. They have helped thousands of men and women.

Chas. F. P. Cobban, Erie, Pa., writes: "As a chemist I am not prone to the use of drugs, but I must say that I have been forced to yield in favor of Foley Kidney Pills which have done me so much good I cannot recommend them too highly. I thank you for the results derived."

carried no contraband, as a measure of self protection.

There would be no neutral power in the strict sense, after establishing the League of Nations, but, assuming that despite the rigidity of the league laws some powers would start to engage in a war, these new regulations would act as a further deterrent. If a belligerent violated the rules governing its movements at sea, it would bring upon it the judgment of the league, while violation by a non-belligerent would render the latter an accomplice in war making.

As the discussion progresses, the idea that is constantly brought to the forefront is not to frame rules under which war can be humanely conducted, but to render war impossible.

THIS EXTRA WEAR SAVES YOU SHOE MONEY

"I find Neolin Soles superior in every way to other soles. They are flexible, tough and waterproof. In the future I shall buy nothing but Neolin-soled shoes."

A. G. Aldrich of Springfield, Mass., who makes this statement tested Neolin Soles by having a pair of worn shoes re-soled with them. "They have already worn one month longer than the soles I used to wear," says Mr. Aldrich, "and will be good for at least three months more."

An easy way to try out Neolin Soles. Have them put on your worn shoes. See for yourself how long they last—and why they are a real economy.

Or, get them on new shoes, which come in many styles for every member of the family. Neolin Soles are made scientifically by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels, guaranteed to outwear all other heels.

But those of us who know what real warfare is, will be glad to forget it.

"Yesterday there was athletic sports in the University grounds here. The American and Canadian soldiers played ball. The bands played The Star Spangled Banner and "Oh Canada." Ex-Kaiser William formerly reviewed his best troops on these same grounds we used for recreation yesterday.

"While the bands played the national anthems, the German civilians stood at salute and those without the usual German military cap stood bareheaded. Some of the officers assisted those who could not or would not tell the difference between a national anthem and other kind of music, by removing their caps for them.

NO MORE TAX TITLES

For motor trucks and trailers the proposed tax is as follows:	
One ton and not over 1 1/2 tons	\$ 32.00
Over 1 1/2 and not over 2	48.00
Over 2 and not over 2 1/2	60.00

Over 4 and not over 4 1/2	108.00
Over 4 1/2 and not over 5	120.00

After the senate has its chance at the bill, the figures may look different, but the house spent an entire day studying the best way of raising a tax on automobiles that will be sufficient to keep hard surfaced roads in good condition and allow something for depreciation. One of the provisions is that one fourth of the amount raised by the tax is to be returned to the county in lieu of the county taking no tax from assessments on cars as personal property.
