### Prospects For Sacramento Ball Team Promising

Sacramento, Cal., Feb. 27.—Manager Bill Rodgers of the Sacramento Senators had a lot of promising rookies signed for the 1918 baseball season. Although still shy a shortstop, he has a line on a couple of big league men.

With three catchers and six pitchers already signed up, the battery of the seniors looks strong. Easterly, Fisher and McNulty will be back as backstop men this season. Bromley, Gardner, Leake, Brenton, Larkin and Roy Bliss are signed for positions on the slab. The first four are old timers, while Larkin comes from the marines and Bliss hails from the Standard Oil team of this city.

The infield of the Capital city team will be a fast combination. Griggs, Pinnell, Eddie Benn and Rodgers have already signed up. Benn comes from San Francisco, where he has been keeping things warm during the winter league games. He is fast and will give a good account of himself when it comes to running the bags.

For the outfield the skipper has signed up Walter, Willie, Eldred and Forsythe.

### An Attack Of Influenza Often Leaves Kidneys In Weakened Condition

Doctors in all parts of the country have been kept busy with the epidemic of influenza which has visited so many homes.

The symptoms of this disease are very distressing and leave the system in a run down condition. Almost every victim complains of lame back and urinary troubles which should not be neglected, as these danger signals often lead to dangerous kidney troubles. Druggists report a large sale on Dr. Kilmer's Swamp-Root, which so many people say soon heals and strengthens the kidneys after an attack of grip. Swamp-Root, being an herbal compound, has a gentle healing effect on the kidneys, which is almost immediately noticed in most cases by those who try it. Dr. Kilmer & Co., Brighton, N. Y., offer to send a sample size bottle of Swamp-Root, on receipt of ten cents to every sufferer who requests it. A trial will convince any one who may be in need of it. Regular medium and large size bottles, for sale at all druggists. Be sure to mention this paper.
