Another Cured of Cancer

Salem Doctor Is Recommended.

To whom it may concern: I was afflicted with a cancer of my nose about as large as a good sized marble. Among others I applied to Dr. S. C. Stone for relief. The doctor applied a medicine for a few days and in about twelve days the cancer dropped out, the place healed up nicely and has caused me no trouble since. I can cheerfully recommend the doctor and his treatment to others who may be afflicted with cancer. This was in December, 1917.
