## MR. WORKINGMAN

Did you ever figure out how much you can save by owning your own home?

A bicycle will quickly overcome any difficulties of transportation.

And when you can buy a comfortable little bungalow nicely located for around \$2000 with a first payment of about \$350 and the balance like rent,

## YOU MAKE MONEY

You have your own piece of the earth where you can plant your own fruit trees and lay out your own garden, and fix up around the house to suit your individual taste without the fear of having done it all for nothing when someone else is attracted by your handiwork and buys the house you live in.

## OWN YOUR OWN HOME

Be independent of the landlord. Rent money you never see again. But paid into a home on easy payments you are saving your hard earned wages.

Any one of the following may be bought on easy payments:

5 room, brand new bungalow on S. Cottage street. Fine high and dry lot. Fully modern except furnace, \$1250. \$500 first payment.

5 room bungalow on Broadway. A fine little property. Two houses on one lot. \$1000 the two. \$300 down. Balance like rent.

A real, close in snap. \$2250. Fully modern 7 room house; old but in good condition; only four blocks north of the Oregon Electric depot. Full basement and furnace. Lot 40x165. The lot is worth more than the price asked for the whole property. Can be bought on easy payments.

Another one four blocks from the Ladd & Bush bank, 7 rooms, bath and toilet. \$2500. Easy payments.

## ALL GOOD BUYS.

For \$300 down and \$20 a month you can buy a nice 6 room bungalow with woodshed and garage, half a block off east State street, N. Fine home for the money. Only \$1750.

For \$3000 you may own a good, 7 room house on Court street, bath, fireplace, etc. Large lot. Easy payments.

Several comfortable little homes in S. Salem. From \$360 to \$1000. Can be bought like rent. Let me show them to you.

How's this for \$550. You will be given a good, marketable title to two large lots, a fine six room house, with large barn, and fine water. \$550 buys it. And not only that you can buy it on terms without any interest. The house is plastered, too.

I have more than a score more of really good little properties. Why not come in and get further particulars?

Telephone 1000 or 943M for an appointment.
