Here's Glorious Relief

From Itching Skin Diseases

No More Fiery Pain If You use the Right Treatment that the blood is feeding fresh new germs all the time, to keep the skin irritated, and until the supply of germs is cut off entirely, you cannot

First of all, get it firmly fixed in your mind that the fiery, burning and itching that causes such pain and torture, is not a local skin discase. True, the skin is the scene of the attack, but the skin is fed by the blood and suffers from any impurity in the blood.

This explains why you have been so disappointed in getting any real, lasting relief from the use of ointments, salves, lotions, or other remediates applied to the surface of the skin.

The millions of tiny discase germs which infest the blood keep in the skin is factory results in externa, tetter, boils, pimples, or any other skin.

The millions of tiny discase germ, S. S. S. removes the cause of all skin eruptions, and restores its normal, healthy condition. If you want relief that is lasting,

The millions of tiny disease germs which infest the blood keep up a constant attack on the skin, and are not effected in the least by local treatment. They must be routed from the blood.

These germs which saturate the blood cannot be reached except through the blood. When you treat the local irritations with local applications, you must remember laboratory, Atlanta, Ga.

In an interview with correspondents yesterday, Foreign Minitser Pichon said that no official information had been received regarding the reported resignation of Chancellor Scheidemann. If it proved to be true he said, it would materially affect the possibility of con-cluding a peace with Germany. He said that the national assembly appears to be representatives of the German people, making it the government with which the allies will have to deal.

Mother's Friend is a remedy which
spreads its inducace upon the cords, nerves
and ligaments involved, rendering them
pliant to readily yield to nature's demand
for expansion. The nerves, cords, tendomand ligaments expand without that peculiar
wrenching strain, and nervousn'ss, nauseaand unrestful sensations are naturally
avoided when the nerves and muscles are
relieved and thus are not tort and drawn.
By regular use, the lower abdominal reglos expands with ense when baby is born,
the bours are less at the crisis, and pain
and danger is naturally less.

You can obtain Mother's Friend from any
