Peoples Chorus Progressing On Rehearsal "The Creation"

Excellent progress is being made in the rehearsal of the oratorio "The Creation" by the Peoples' Chorus, with the exception of one group—the male singers who have not yet joined the organization, and those members who fail to show up for practice. As a means of building up the bass and tenor sections the suggestion was made last night that a group of the handiest ladies in the chorus be delegated to go out as a committee and coerce the proper number of male voices to join the chorus, but Director Sites wouldn't risk his life or his future peace of mind in the attempt to select such a committee. As an alternative measure, the matter of financial remuneration is suggested, each new male member to receive the sum of \$1.20 for each rehearsal he attends on this basis. It is figured that the amount of actual instruction given by Prof. Sites is equivalent to a lesson from a first class vocal teacher, which would cost not less than one dollar. Then it is figured that the number of laughs produced by the indubitable director would cost twenty cents if produced by Arbuckle or Chaplin in the movie theatre; so there you have it—a dollar and twenty cents an evening on an investment of sixty cents for the whole season. Figure it out for yourself and then sign up. The sixty cents pays for the music—the membership is thrown in.

Supreme Court Hands Down Opinions On Appealed Cases

The supreme court hands down the following list of opinions on appealed cases for the past week:
John P. Hunt vs. Security State bank appealed from Marion county. A controversy over the acceptance and payment of sight drafts to the amount of \$871. Decision of lower court affirmed.
Samuel O. Hart vs. Oregon Laundry Company, appealed from Multnomah county, a case in which an automobile valued at \$600 was attached to cover a small bill, the plaintiff alleging that he was damaged by the retention of the car. Affirmed.
Geo. F. Brice, administrator, vs. Mt. Scott Cemetery Association, appealed from Multnomah county. Suit to rescind sale of bonds alleged to have been made fraudulently. Decision reversed.
Sherman, Clay & Co. vs. Buffan & Pendleton, appealed from Multnomah county. Suit to recover unpaid balance on lease contract on building in Portland. Reversed and remanded.
Ralph R. Dunaway vs. Clark E. Hadley, appealed from Multnomah county. Suit to collect for legal services rendered. Affirmed.
Mary J. Merchant, et al, vs. Smith Powers Logging company, appealed from Coos county. Contest over tract of land at the mouth of Coos river. Affirmed.
Otto C. Miller vs. Payette Valley Land and Orchard company, appealed from Multnomah county. Suit to recover commission on real estate transfer involving the amount of \$15,000. Reversed and remanded.

Efforts Being Made To Form Boy Scout Council

Efforts are being made in Salem to form a Boys' Scout council of 25 representative men of the city who are interested in young men.
At a meeting held last evening, a committee consisting of Hal D. Patton, chairman, Milton Meyers, v. n. namilton, Theodore Roth, U. G. Shipley and C. E. Knowland were appointed to arrange for a general public meeting to be held next Monday evening in the auditorium of the Commercial club.
At this meeting citizens of Salem who are interested in boys and boy scout work are invited to attend and hear an address by Mr. Brockway, scout commissioner of Portland, and by Mr. Smart, formerly scout commissioner of San Francisco.
These men will explain the workings of the boy scout movements and the great good it has accomplished where worked out. It is hoped by those interested in the movement that 25 representative men of the city will organize to become members of the council which will work for the welfare of the boy scouts.

AMERICA OWES FRANCE DEBT OF GRATITUDE

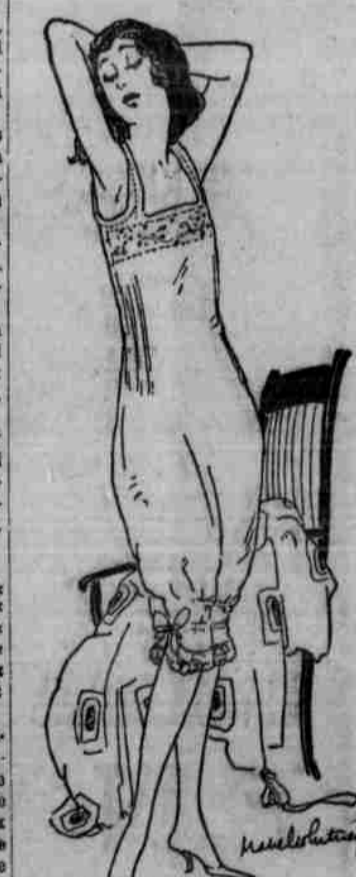

The important part France has played in this war and her awful sacrifice of blood are not the only reasons we should be grateful to her. Many lives are said to have been saved and thousands of surgical operations prevented in this country by a French peasant remedy for stomach, liver and intestinal ailments now imported and sold under the name of Mayor's Wonderful Remedy by Geo. H. Mayr, prominent Chicago chemist. It is a simple, harmless preparation that removes the entangled mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded. J. C. Perry, Capital Drug Store, and druggists everywhere.

TURNER BOY KILLED

(Copyright, 1919, by the United Press)
Turner, Oregon, March 4—Rockwell R. Tracy, son of Mr. and Mrs. Clinton Tracy of the Crawford district east of Turner, was killed Monday afternoon while working on the Turner Mutual Telephone company's lines. Together with his brother, Conny, they were raising a pole when the guy rope gave way causing the pole to fall, and striking the unfortunate young man. The accident occurred near the farm home of Leonard Walker, the boy being carried there and help summoned, but death claimed him at 5 o'clock in the afternoon. He lived only one hour and a half after being struck. No funeral arrangements have been made.
