

Millions of Catarrh Germs Afloat in the Air

Atmosphere is Laden With Germs of The Disease.

Every person afflicted with Catarrh releases millions of the tiny disease germs with every cough or sneeze, so that whenever on the street cars or street or other public place you see a person afflicted with this disease hawking and coughing and sneezing, everyone in their vicinity is exposed to the disease.

You along with everyone else will find yourself exposed to the germs of Catarrh several times every day. The germs multiply by the millions and the air you breathe is thick with these tiny little disease germs that cause so much distress and suffering.

Catarrh is one of the most stubborn diseases, and is always worse in cold, damp and disagreeable weather. It should not, however, be considered incurable, though there are thousands afflicted with it who are doubtless ready to believe that a cure is impossible, because of their experience.

But like all other afflictions, the main trouble is that Catarrh is entirely misunderstood, and therefore treated in the wrong way. Because these little germ demons attack the delicate membranes of the nose and throat, choking up the air passages and irritating the tender lining of the nostrils and bronchial tubes, the average sufferer makes the mistake of

treating merely the symptoms of the disease, and overlooks its cause. You must realize that Catarrh is more than a mere local irritation that stops up your nose and irritates your throat and chokes up your breathing apparatus.

Your blood is saturated with Catarrh germs, and these will continue their irritating attacks as long as they remain in the blood.

The only sensible treatment, therefore, is the one which will rout the disease germs from the blood. This is why the most satisfactory remedy for Catarrh is S. S. S., the famous old reliable blood purifier. S. S. S. has been used successfully for Catarrh for more than fifty years, and it is the one remedy that attacks the source of the disease, cleansing the blood thoroughly, and eliminating from it every trace of disease germs.

If you want a remedy that goes direct to the seat of the disease, begin to take S. S. S. to-day, and throw away your atomizers and other local treatment that cannot possibly reach your Catarrh. You will be delighted after giving this remedy a trial, and will soon find yourself on the road to a complete recovery. S. S. S. is sold by druggists everywhere.

Begin its use to-day, and write for free medical advice about your own individual case. Address Chief Medical Adviser, 103 Swift Laboratory, Atlanta, Ga.—(Adv.)

understanding with Japan for maintenance of the general security of the progress of civilization in the Far East.

"Formation of the league of nations will contribute essentially to dissipate the current prejudices of men regarding their real interests. This emancipation of human thought will be eminently salutary, not only for the world in general, but also for each nation in particular. Future union of the oriental world—of which the population is more than half that of humanity—with the occidental in sentiments, perfect harmony and lasting good will, is a high and sublime vision."

Mrs. Hoyston's home, 2005 Perry street Friday evening at 8 p. m. A very delightful program is being prepared.

Salem numbers among its visitors this week Mr. and Mrs. F. M. Baxter of Holyoke, Massachusetts. Mr. and Mrs. Baxter are stopping for a brief visit in the Capital city en route to California.

Julian A. Hurley, whose term as state senator has expired, left Portland today for his home in Vale. Mr. Hurley, it will be remembered, was the youngest member of the senate and characterized his term by marrying during the session. He thinks that he will be a candidate for re-election to the next legislature.

Corporal James Cripps arrived home last evening having received his discharge from the service. Corporal Cripps saw service overseas with the 46th C. A. C.

Miss J. M. Slocum is a Portland visitor this week. During her stay she is domiciled at the Hotel Portland.

Mrs. Richard N. Avison was hostess for the Woman's foreign missionary society this afternoon, at her home on 636 State street. Special music was a feature of the meeting.

The Royal Neighbors will give a benefit dinner in McCornack hall tomorrow evening from 5:30 to 7:30 p. m., the proceeds of which will go to the local war mothers' unit for the home coming of Salem soldiers. The price of the dinner will be thirty five cents and everyone is invited to attend. The Modern Woodmen will furnish the following program:

Violin duet, Walter Fleming, Robt. Ramsden, pupils of Miss Joy Turner. Reading, Mrs. Terwilliger. Dance, Myrtle Ship. Piano solo, Fern Winchell. Reading, Theodore Howard. Piano solo, Helen Ramsden, pupil of Miss Turner. Flag Toast, Melissa Persons. Vocal solo, Edna Ackerman. Address, W. C. Winslow.

Mr. and Mrs. R. L. Mathews have as their guests, Mrs. Mathews' sister and her husband, Lieutenant Allen of Springfield, Ohio. Lieutenant and Mrs. Allen are enjoying a delayed wedding tour, as they were both in the service at the time of their marriage and the ceremony was kept secret. Mrs. Allen was a Red Cross nurse at Fort Riley and Lieutenant Allen saw overseas duty, having been recently discharged at Camp Pike, Little Rock Arkansas, where he was joined by Mrs. Allen, after her release from the service. During their visit in Salem, which is of indefinite length, they will, no doubt, be the inspiration of many social compliments.

Attorney and Mrs. Louis Tarpley of Portland were the week end guests of Mr. Tarpley's parents, Mr. and Mrs. H. C. Tarpley, 738 North Liberty street. Another son, Dan Tarpley, arrived in Salem Saturday, having recently returned from overseas where he saw service for twenty months with the tenth engineers, forestry division. An exceedingly enjoyable family reunion was the result of his return. His numerous Salem friends, will be delighted to hear of his safe arrival.

Today's Stock Market

Professional Affair

New York, Mar. 5.—The Evening Sun financial review today says: Today's stock market was obviously a professional affair. Trading was in fair volume, but most of it represented transactions in specialties and certain speculative favorites. It was among such as those that strength appeared. The behavior of the list as a whole was regarded as highly favorable and Wall Street looks for a resumption of a modest upward movement at least after a week or so, perhaps of hesitancy. Bulls were heavy, of course, but the wonder was that they were not decidedly weak. There was support given them without question, but there was a notable absence of selling pressure. Business in that quarter was restricted and declines were in the main confined to a fraction to a point or so.

The Woman's Relief Corps—singing will meet Thursday afternoon for a social gathering at the home of Mrs. Charles H. Cameron, 398 North Twenty first street. Mrs. J. L. McAdams, Mrs. W. Smith, Mrs. A. L. Clearwater, Mrs. J. L. Adams and Mrs. S. J. Bots will be assistant hostesses for the afternoon.

Members of the Tano club were the guests of Mrs. Clyde Johnson Monday evening. Five hundred was played and Mrs. L. W. Gleason and Mrs. Elmer Daue were the high score winners. Mr. and Mrs. Elmer Daue, Mr. and Mrs. L. W. Gleason, Mr. and Mrs. Cal Patton and Mr. and Mrs. W. G. Kerth were additional guests of the club.

Mrs. Fred R. Hoyston, Mrs. Sydney W. Hall and Mrs. Minnie Marcy Bates will entertain the faculty and students of the Kimball School of Theology at

MANY CASES OF RHEUMATISM NOW

Says We Must Keep Feet Dry, Avoid Exposure and Eat Less Meat

Stay off the damp ground, avoid exposure, keep feet dry, eat less meat, drink lots of water and above all take a spoonful of salts occasionally to keep down uric acid.

Rheumatism is caused by poisonous toxin, called uric acid, which is generated in the bowels and absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate this uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles, causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which overcomes uric acid and is beneficial to your kidneys as well.

"Where Shopping is a Pleasure"

Evans Houston, Stationed in Virginia, Now, Writes He's Glad To Forget France

Evans Houston who was formerly with the Capital Journal and who enlisted in the Marines shortly after returning from the Mexican border with Company M, is in this country once more and is stationed at Quantico, Virginia. He writes one of his friends here as follows:

"Well, I'm back in the United States and tickled to death to be back. I've been tickled with barbed wire entanglements, by coolies and high explosives but I certainly am tickled to be home and to get rid of all memories of France as far as possible.

"We reached Quantico, Va., yesterday and were outfitted once more with marine clothes. You know in the A. E. F. we all drew doughboy clothes and the only thing that distinguished us as the marines was our emblem, which we wore on our overseas caps.

"They are certainly treating us fine here now—say, they feed us three kinds of desert food, dinner and they have sugar, cream and butter on the table every meal. Maybe they saved food at home to win the war but it never got to France in any great quantities.

"I'm writing this in the Y. M. C. A. where there is the entertainment going on. There is a dyspeptic dame singing something now and the antique dame who is antagonizing the piano certainly looks like she had just bit into a Camembert cheese by mistake.

"The performer who preceded her was a conscientious objector who said his song was humorous and it was. But his rendition was the big hit. Honest I've seen men shot for less, and no joke.

"There is a strong probability that I will soon be discharged for good. I've about had enough of this service and also sufficient excitement to last me a while and there is nothing I want quite so badly as my freedom right soon."

PERUNA A Wonderful Remedy

FOR EFFECTS OF LA GRIPE

Mr. George E. Law, 13 1/2 North Franklin St., Brazil, Indiana, has a word of cheer for sufferers from LaGrippe and its results.

"I have suffered for the last two winters with that terrible disease, LaGrippe. Having often heard of the great value of Peruna I decided to try it. I have only used four bottles and I do not now have any bad effects from the Grippe as it has just about entirely disappeared, and my general health is good. I am satisfied that Peruna is a wonderful remedy, and I do most heartily endorse and recommend it for LaGrippe."

"BEST MEDICINE FOR WOMEN"

What Lydia E. Pinkham's Vegetable Compound Did For Ohio Woman.

Portsmouth, Ohio.—"I suffered from irregularities, pains in my side and was so weak at times I could hardly get around to do my work, and as I had four in my family and three boarders it made it very hard for me. Lydia E. Pinkham's Vegetable Compound was recommended to me. I took it and it has restored my health. It is certainly the best medicine for women's ailments I ever saw."—Mrs. SARA SHAW, R. No. 1, Portsmouth, Ohio.

Mrs. Shaw proved the merit of this medicine and wrote this letter in order that other suffering women may find relief as she did.

Women who are suffering as she was should not drag along from day to day without giving this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice in regard to such ailments write to Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its forty years experience is at your service.

A NEW CAPE SUIT

Blue serge and blue barred velours cloth of a tan ground are the materials in this quaint little suit. The skirt is particularly interesting as it is cut to be smooth in front and gathered in such a way in the back as to make the front of the skirt swing in closely to one's instep.
