

## No Medicine-Chest Without Its Family Laxative

From the baby to the grandparents a good laxative is the necessary medicine in the little ills. It wards off serious sickness and saves doctor's bills. Many a cold has been prevented from running into grippe and pneumonia by its timely use.

Many a racking headache has been quickly dispelled by it. And it is a laxative rather than a drastic cathartic or purgative that should be in every family medicine-chest, for a laxative can be used at all ages.

Thousands of good American families have for more than a quarter century used a combination of simple laxative herbs with pepsin known to druggists as Dr. Caldwell's Syrup Pepsin. It is a laxative- tonic that acts on the bowels and stomach. Infants take it with perfect safety, and it is equally effective for grownups.

Grandparents are now seeing their children give it to their babies. It is excellent for all the family in constipation no matter how chronic, indigestion, wind colic, biliousness, headaches, dyspepsia and similar ills.

The druggist will refund your money if it fails to do as promised.

### PRICE AS ALWAYS

In spite of greatly increased laboratory costs due to the war, by sacrificing profits and absorbing our losses we have maintained the price at which this family laxative has been sold by druggists for the past 26 years. Two sizes—50c and \$1.00.

If you want to keep your hair in good condition, be careful what you wash it with. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain purified coconut oil (which is pure and entirely greaseless), is much better than the most expensive soap or anything else you can use for shampooing, as it can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonsful will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get purified coconut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

The French army band which gave such a successful concert in the arroyo Wednesday evening, played last night in the Portland auditorium and attracted one of the largest assemblies of Portlanders that has patronized any musical of the season. Aside from its value and interest musically, the concert had the added attraction of being given for a most worthy and excellent cause, the proceeds to go to the fund for French widows and orphans. It was an enthusiastic and appreciative audience that greeted the players, the solo numbers being particularly well received.

## MOTHERS

Should see that the whole family take at least 3 or 4 doses of a thorough purifying system cleansing medicine this spring. Now is the time. The family will be healthier, happier, and get along better if the blood is given a thorough purifying, the stomach and bowels cleaned out, and the germs of winter, accumulated in the system, driven away. Hollister's Rocky Mountain Tea is one of the very best and surest spring medicines to take. Get it and see the difference in the whole family. Their color will be better, they'll feel fine and be well and happy. D. J. Fry.

## White Sewing Machine Manager Believes Tanlac Will Help All Other Sufferers.

"If it hadn't been for what other people said about Tanlac I might be suffering yet, and nobody need fear troubles like I had as long as Tanlac is made," said H. A. Morrison, local manager for White Sewing Machine Co., Dallas, Tex., and living at 3517 Brown street, that city.

"I suffered from a long standing and stubborn case of stomach trouble," he continued. "My stomach was nearly always full of gas that gave me no end of misery, and I had to quit eating most everything but broth and other light diet. I had such an awful pain in my right side that I couldn't stand up straight and sometimes I would almost double up in agony. I had terrible headaches, my sleep was so broken it didn't do me any good and I felt tired and worn out all the time. "I read of a man in Tennessee who had gotten relief from the same trouble as mine by taking Tanlac, so I decided to try it. Before I had finished my first bottle I began to feel better and a few more made me feel like a different man. I get as hungry as a horse at meal times, eat any thing I want and nothing hurts me at all. I sleep as sound as a log and get up full of life and energy. I have already gained eight pounds and my work is a real pleasure to me now."

Tanlac is sold in Hubbard by Hubbard Drug Co., in Mt. Angel by Ben Gooch, in Gervais by John Kelly, in Turner by H. P. Cornelius, in Woodburn by Lyman H. Storey, in Salem by Dr. A. C. ## Don't Spoil A Good Meal With A Bad Stomach

If a physician, a specialist in stomach diseases, came to you and said: "I will fix up that miserable, worn out stomach for you or money back."

"I will make it as good as new so you will not suffer from any distress and can eat what you want without fear or suffering, or money back would you turn down his offer?"

And when you are offered Mi-na stomach tablets, made from a prescription better than many of the stomach specialists know how to write, are you going to be narrow minded and continue to suffer from indigestion, or are you going to be fair to yourself and try Mi-na on the money back agreement.

Mi-na stomach tablets are offered to you on this basis, that if they do not put your stomach into such good shape that there is no dizziness, sour stomach, biliousness, sick headache, and stomach distress, your money will be refunded. For sale by D. J. Fry and all leading druggists.

## Time Brings Joy And Happiness

As the Hours Pass—Are You Prepared?

No woman awaiting the joy of coming motherhood should allow the days to pass without using the wonderful penetrating application, Mothers' Friend.

By its regular use throughout the period the system is prepared for the coming event and strain and tension is relieved. It renders the broad, flat abdominal muscles pliant and they readily yield to nature's demand for expansion. As a result the nerves are not drawn upon with that peculiar wrenching strain, and nausea, nervousness, bearing down and stretching pains are counteracted. The abdomen expands easily when baby arrives and the hours at the crisis are naturally less. Pain and danger as a consequence is avoided.

Mothers' Friend not only allays distress in advance, but assures a speedy recovery for the mother. The skin is kept soft and smooth and natural and free from disfigurement.

Write to the Broad-Belt Regulator Company, Dept. J, Lamar Building, Atlanta, Georgia, for their Mothers' Friend, and procure a bottle of Mothers' Friend from the druggist. It is just as standard as anything you can think of.
