LOOK AT CHILD'S TONGUE IF SICK CROSS, FEVERISH

When Constipated Or Bilious Give 'California Syrup Of Figs.'

Look at the tongue, mother! If coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleansing at once.

When peevish, cross, listless, pale, doesn't sleep doesn't eat or act naturally, or is feverish, stomach sour, breath bad; has stomachache, sore throat, diarrhoea, full of cold, give a teaspoonful of 'California Syrup of Figs,' and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without gripping, and you have a well, playful child again.

You needn't coax sick children to take this harmless 'fruit laxative,' they love its delicious taste, and it always makes them feel splendid. Ask your druggist for a bottle of 'California Syrup of Figs,' which has directions for babies, children of all ages and grown ups plainly on the bottle. Beware of counterfeits sold here. To be sure you get the genuine, ask to see that it is made by the 'California Fig Syrup Company.' Refuse any other kind with contempt.
