Large Road Meeting Held At Donald. (Capital Journal Special Service.) Donald, Ore., March 7.—A large gathering of people met in the DeSart hall on Monday evening to talk over the interest of Donald and vicinity in regard to the paved road from Champco to Donald and Aurora. A resolution was passed to have the road pass through the main street of Donald, 35 voting for it and 12 against, and Champco was for the direct route, but it looks as though there "was a nigger in the woodpile" as the very next day it was decided to turn north at the school house corner and run north one half mile. Why they should go the farthest way around against the majority's wishes is the question. Seems there is some wire pulling somewhere.
